Handbook of THERMAL CONDUCTIVITY of LIQUIDS and GASES

Natan B. Vargaftik
Moscow Aviation Institute
Moscow, Russia

Lev P. Filippov
Amin A. Tarzimanov
Evgenii E. Totskii

Translated from Russian by Yu. A. Gorshkov

CRC Press
Boca Raton Ann Arbor London Tokyo

CONTENTS

Foreword 4
1. Introduction. The preparation of the thermal conductivity tables 5
2. Gas and Liquid Thermal Conductivity Measurement 6
3. Thermal conductivity of monoatomic substances 16
4. Thermal conductivity of simple diatomic fluids 35
5. Thermal conductivity of air 48
6. Thermal conductivity of inorganic fluids 51
7. Thermal conductivity of ordinary and heavy water 68
8. Thermal conductivity of alkali metals 76
9. Correlations for thermal conductivity of methane series of normal hydrocarbons in gaseous state at a pressure of 0.1 MPa 83
10. Thermal conductivity of organic fluids C_1 84
11. Thermal conductivity of organic fluids C_2 112
12. Thermal conductivity of organic fluids C_3 137
13. Thermal conductivity of organic fluids C_4 152
14. Thermal conductivity of organic fluids C_5 170
15. Thermal conductivity of organic fluids C_6 181
16. Thermal conductivity of organic fluids C_7 208
17. Thermal conductivity of organic fluids C_8 230
18. Thermal conductivity of organic fluids C_9 258
19. Thermal conductivity of organic fluids C_{10} 271
20. Thermal conductivity of organic fluids C_{11} 285
21. Thermal conductivity of organic fluids C_{12} 292
22. Thermal conductivity of organic fluids C_{13} 299
23. Thermal conductivity of organic fluids C_{14} 302
24. Thermal conductivity of organic fluids C_{15} 308
25. Thermal conductivity of organic fluids C_{16} 310
26. Thermal conductivity of organic fluids C_{17} 315
27. Thermal conductivity of organic fluids C_{18} 316
28. Thermal conductivity of organic fluids C_{19} 320
29. Thermal conductivity of organic fluids C_{20} 321
30. Thermal conductivity of organic fluids C_{21} 324
31. Thermal conductivity of organic fluids C_{22} 324
32. Thermal conductivity of organic fluids C_{23} 328
33. Thermal conductivity of organic fluids C_{24} 329
34. Thermal conductivity of organic fluids C_{25} 331
35. Thermal conductivity of isotope-containing compounds 331
36. Bibliography 336
37. Index 349
