Introduction p. 1
Passenger Vehicle Event Data Recorders p. 7
"Recording Automotive Crash Event Data" p. 11
"The Volvo Digital Accident Research Recorder (DARR) Converting Accident DARR Pulses into Different Impact Severity" p. 25
NHTSA, Event Data Recorders: Summary of Findings by the NHTSA EDR Working Group. p. 45

EDR Data Accuracy p. 67
"The Accuracy and Sensitivity of 2003 and 2004 General Motors Event Data Recorders in Low-Speed Barrier and Vehicle Collisions"
"The Accuracy of Crash Data from Ford Restraint Control Modules Interpreted with Revised Vetronix Software"
"Evaluation of Event Data Recorders in Full Systems Crash Tests"
"The Accuracy of Pre-Crash Speed Captured by Event Data Recorders"
"Comparison of Crash Pulse Data from Motor Vehicle Event Data Recorders and Laboratory Instrumentation"

Accident Reconstruction and Event Data Recorders p. 131
"The Use of Event Data Recorders in the Analysis of Real-World Crashes"
"Real World Experience with Event Data Recorders"
"Event Data Recorder Pre-Crash Data Sources for General Motors Vehicles"
"Crash Severity: A Comparison of Event Data Recorder Measurements with Accident Reconstruction Estimates"
"The Efficacy of Event Data Recorders in Pedestrian-Related Accidents"

Commercial Vehicle Event Data Recorders p. 187
"Numerical Methods for Evaluating ECM Data in Accident Reconstruction and Vehicle Dynamics"
"The Application and Reliability of Commercial Vehicle Event Data Recorders for Accident Investigation and Analysis"
"Commercial Vehicle Event Data Recorders and the Effect of ABS Brakes During Maximum Brake Application"

EDR Safety Research - Biomechanics and Occupant Protection p. 251
"The Effect of Crash Pulse Shape on AIS1 Neck Injuries in Frontal Impacts"
"Combining Crash Recorder and Paired Comparison Technique: Injury Risk Functions in Frontal and Rear Impacts with Special Reference to Neck Injuries"
"Comparison of Delta-V and Occupant Impact Velocity Crash Severity Metrics Using Event Data Recorders"
"Characterization of Advanced Air Bag Field Performance Using Event Data Recorders"

EDR Safety Research - Human Factors and Crash Causation p. 305
"Factors that Influence Drivers' Response Choice Decisions in Video Recorded Crashes"
"An Overview of the 100-Car Naturalistic Study and Findings"
