Editor's Notes
The Struggle for Meaning and Power in HIV/AIDS Education
Community, power, and structural issues often intersect in planning effective HIV/AIDS education for adults
HIV-Positive Adults’ Meaning Making over Time
The experiences of HIV-positive men and women in finding meaning in their lives_in personal and professional terms_is the focus of this chapter
HIV Prevention Workers and Injection Drug Users: A Problem-Based Realm of Adult Education Practice
This chapter examines how HIV prevention targeted to injection drug users often confounds traditional categorizations
Do we categorize fields of practice in terms of educators’ areas of training or expertise, or in terms of how learners view services?
Bad Blood
The Tuskegee Syphilis Study and Legacy
Recruitment for Experimental AIDS Vaccines (Kimberly Sessions Hagen)
Adult education principles are improving the way volunteers are recruited for HIV vaccine clinical trials_especially in the African American community
HIV/AIDS Community-Based Research
Community-based research in HIV/AIDS, informed significantly by adult education principles, brings the power of the research enterprise to the community
Asserting a Positive Role: HIV-Positive People in Prevention
HIV prevention shouldn't be about isolating
HIV-negative and HIV-positive persons from one another
HIV-positive men and women have always played and continue to play a key role in stemming the epidemic
Grassroots Response to HIV/AIDS in Nova Scotia
When learning was examined beyond individually focused frameworks, a rich meshwork of knowledges emerged from the collective experience of Nova Scotians
Poz-itively Transformational: Sex Workers and HIV/AIDS Education
Transphobia, sexphobia, and homophobia often conspire to marginalize transgender sex workers
But workers themselves are effecting change through their own educational programs
Marginalized, Not Marginal: Adult Education's Unique Contribution to the Fight Against HIV/AIDS
With or without acceptance from the mainstream, adult educators from diverse communities assert their place in the fight against HIV/AIDS
