Preface to the Second Edition  p. iii
Preface to the First Edition p. v
Contributors p. xi

The Biology, Biochemistry, and Pharmacology of G-CSF

Biology of G-CSF p. 1
Biochemistry and Structure of Filgrastim (r-metHuG-CSF) p. 41
Pharmacology of Filgrastim (r-metHuG-CSF) p. 51
Use of Filgrastim (r-metHuG-CSF) to Enhance Fc Receptor Function p. 73

Causes and Treatment of Neutropenia

Causes, Clinical Consequences, and Treatment of Neutropenia p. 93
Use of Filgrastim (r-metHuG-CSF) in Severe Chronic Neutropenia p. 121
Use of Filgrastim (r-metHuG-CSF) in Neutrophil Transfusions p. 149
Use of Filgrastim in Oncology Settings

The Importance of Dose in Cancer Chemotherapy and the Role of Hematopoietic Growth Factors p. 165
Use of Filgrastim (r-metHuG-CSF) in the Treatment of Lung Cancer p. 211
Filgrastim (r-metHuG-CSF) in Lymphoma p. 225
Using Filgrastim (r-metHuG-CSF) in the Treatment of Breast Cancer p. 237
Filgrastim (r-metHuG-CSF) in Bone Marrow Transplantation p. 253
Filgrastim (r-metHuG-CSF) in Autologous Peripheral Blood Cell Transplantation p. 265
Allogeneic Peripheral Blood Progenitor Cell Transplantation p. 281
The Role of Filgrastim (r-metHuG-CSF) in the Treatment of Testicular Cancer p. 305
Use of Myeloid Hematopoietic Growth Factors in AIDS-Related Malignancies p. 323
Use of Hematopoietic Colony-Stimulating Factors in the Early Clinical Development of New Anticancer Drugs p. 341
Use of Combinations of Cytokines with Filgrastim (r-metHuG-CSF) p. 371
Use of Filgrastim in Infectious Disease Settings

Immunomodulatory Properties of Filgrastim (r-metHuG-CSF) in Preclinical Models p. 397
Filgrastim (r-metHuG-CSF) in Pneumonia p. 429
Use of Filgrastim (r-metHuG-CSF) in Human Immunodeficiency Virus Infection p. 447
Neonatal Sepsis--An Unsolved Problem p. 469
Use of Filgrastim in Hematologic Malignancies

Filgrastim (r-metHuG-CSF) for the Treatment of Myelodysplastic Syndromes p. 491
Use of Filgrastim (r-metHuG-CSF) in Acute Myeloid Leukemia p. 511
Use of Filgrastim (r-metHuG-CSF) in Aplastic Anemia p. 533
Use of Filgrastim in other Settings

Use of Filgrastim (r-metHuG-CSF) in Autoimmune Disease p. 553
Treatment of Diabetic Foot Ulcers and Infection with Filgrastim (r-metHuG-CSF) p. 575
Safety and Administration of Filgrastim
Safety Profile of Filgrastim (r-metHuG-CSF) p. 583
Practical Aspects of Filgrastim (r-metHuG-CSF) Administration p. 603
Quality of Life and Economic Studies
