Preface
Pests and Pesticides in Urban Environments

Urban Pest Control Scenarios and Chemicals p. 2
Pesticide Trends in the Professional and Consumer Markets p. 10
National Home and Garden Pesticide Use Survey p. 18
Federal and State Issues Related to Pesticide Use p. 37
Professional Pest Control Industry Perspective on Public Concerns and Regulatory Issues p. 41

Dissipation of Pesticides in Urban Environments

Field Evaluation of the Persistence and Efficacy of Pesticides Used for Termite Control p. 46
Comparative Fate of Chlorpyrifos Insecticide in Urban and Agricultural Environments p. 70

Dissipation of Turfgrass Foliar Dislodgeable Residues of Chlorpyrifos, DCPA, Diazinon, Isofenphos, and Pendimethalin p. 86
Comparison of Foliar Dissipation and Turf Dislodgeable Residue Sampling Techniques p. 100

Biologically Based Sorbents and Their Potential Use in Pesticide Waste Disposal During Composting p. 113
Fate of an Antifoulant in an Aquatic Environment p. 127

Mobility of Pesticides in Urban Environments

Horizontal and Vertical Distribution of Chlorpyrifos Termiticide Applied as Liquid or Foam Emulsions p. 140
Pesticide Fate in Turf: Studies Using Model Ecosystems p. 156
Potential Leaching of Herbicides Applied to Golf Course Greens p. 168
Leaching of Agrichemicals from Suburban Areas p. 182
Nutrient and Pesticide Concentrations in Water from Chemically Treated Turfgrass p. 191
Field and Model Estimates of Pesticide Runoff from Turfgrass p. 208
Groundwater and Surface Water Risk Assessments for Proposed Golf Courses p. 214
Two Small-Plot Techniques for Measuring Airborne and Dislodgeable Residues of Pendimethalin Following Application to Turfgrass p. 228
Effect of Spray Adjuvant on Off-Site Airborne and Deposited Parathion from Cranberry Bogs Treated by Aerial Application and Chemical Irrigation p. 243

Urban Pesticides and Humans

Applicator and Bystander Exposure to Home Garden and Landscape Pesticides p. 262
Measurement of Pesticides in Air During Application to Lawns, Trees, and Shrubs in Urban Environments p. 275
Exposure Levels to Indoor Pesticides p. 282
Risks Associated with Exposure to Chlorpyrifos and Chlorpyrifos Formulation Components p. 297
Risk Analysis for Phenylmercuric Acetate in Indoor Latex House Paint p. 307
Urban Pesticides and Nontarget Animals

Avian Response to Organophosphorus Pesticides Applied to Turf p. 320
