Foreword
Preface to the Second Edition (1965)
Preface to the Third Edition (1967)
Translator's Preface
Introduction
The Aim and Method of the Present Study
The Concept of First Philosophy
The "Platonic" and "Naturalistic" Requirements in the Metaphysics of Aristotle
The Literary Unity, the Philosophical Unity, and the Historical Origin of the Metaphysics
The Limits of the Present Work
The Concept of -- or "First Philosophy" and the Inquiry into the Primary Causes in Books A and --

As the Knowledge of the Primary Causes and Principles
Wisdom as the "Science of Divine Things" or Theology
The Four Causes and the Supremacy of the Formal Cause
The Confirmation of the Doctrine of the Four Causes through the Examination of the Doctrine of Preceding Philosophers
The Reconfirmation of the Theological Component in the Critique of the Pre-Socratics

Ontology, and Ousiology
The Meaning, Nature, and Origin of the Theory of the Four Causes
"Cause" as a Condition, Foundation, or Reason of Reality
The "Ionic" and "Platonic" Components in the Aristotelian Doctrine of the Four Causes

Conclusions
Book -- as an Appendix of Book A
The Content of Book
Philosophy as the Science of Truth
The Question of the Authenticity of Books
Book B and the Aporias of the Metaphysics First Section. The Reading and Interpretation of the Aporias
The Concept and Goal of the Aporias
The Number and Listing of the Aporias
The Expositions of the Aporias
The Specification of the Concept of First Philosophy through the Aporias
The Aetiological or Theory of Principles Component
The Ousiological Componenet
The Ontological Component
The Theological Component and the Problems of Transcendence
The Structure and Meaning of the Aporias and the Contemporary Genetic Interpretations
The Origin and Nature of the Aporias
The Plane of the Solution of the Aporias and Aristotelian Realism. The Inaccuracy of the Genetic Interpretations of Book B
First Philosophy and the Science of Being qua Being in Book
The Analysis of -.1. The Convergence of Ontology and Aetiology
The Exposition of -.2
Being and Substance: Ontology and Ousiology
"First Philosophy" as Theology in -.2-3
The Significance of the Theological Component in Book -
The Solution of the First Four Aporias in Book
The Solution of the First Aporia
The Solution of the Second Aporia
The Solution of the Third Aporia
The Solution of the Fourth Aporia
The Theory of and the Presumed Evolutionary Trajectory of the Metaphysical Thought of Aristotle
The Meaning of
Empiricism, Platonism, and the Theory of
Metaphysics and Theology in Book E
The Analysis of E
The Repetition of the Aetiological and Ousiological Components
The Three Theoretical Sciences: Physics, Mathematics, and First Philosophy or Theology
The Reconciliation between Ontology and Theology in E.1
The Meaning of Being and the Irrelevancy of Some of Them for the Metaphysical Inquiry

The Four Meanings of Being
Being as Accident and the Reasons for Its Exclusion from the Metaphysical Inquiry

Being as Truth and the Reason for Its Exclusion from the Metaphysical Inquiry
The Conclusions of E.4 The -- Excludes of Itsf elth and the
The Genetic Interpretations of Book E and the Theological Component
The Concept of First Philosophy in Books Z, H, O and I
The Significance of Books, Z, H, O, and
In the Scope of the Metaphysics According to Contemporary Scholarship
Book Z
The Ontological and Ousiological Component. The Reduction of the Problem of Being to the Problem of in Z.1
The Theological Component in Book Z. General Ousiology and Theology
The Aetiological Component in Book Z
Book H
Ontology and Ousiology in Book H
The Aetiological Component in Book H
The Theological Component in Book H

Book O

The Doctrine of Act and Potency and the Ontological, Ousiological, and Aetiological Components

The Doctrine of Act and Potency and the Theological Component

Book I and the Object of First Philosophy

Book K and the Recapitulation of Books A, B, T, and E

The Comparison between K.1-2 and Books A and B

A Brief Hint of A Summarized in K.1

A Comparison between the Aporias of K.1-2 and Those of Book B

Conclusions Concerning K.1-2

The Comparison between K.3-6 and Book T

The Content of K.3-6

The Identity of Conception between K.3-6 and Book T

The Comparison between K.7-8 and Book E

The Content of K.7-8

The Comparison between K.7-8 and Book E

The "excerpts" of the Physics, Books T and E, in K.9-12 and the Meaning of Book K

K.9-12 and the Physics

The Meaning of Book K in the Scope of the Metaphysics and the Meaning of K.9-12

The Four Determinations of the Concept of First Philosophy in Book K

Books A, M, and N, concerning Transcendent Substance and the Fourfold Dimension of the Metaphysical Inquiry

The Four Components of Aristotle's Metaphysics in Books M and N

Metaphysics as Theology

The Ousiological Component

The Aetiological or Science of Principles Component and its Relationship with Ousiology and Theology in Book A

The Presence in Book A of the Ontological Component and its Relationship to the Other Components

The Four Components of Aristotle's Metaphysics in Books M and N

The Theological Component

The Aetiological Component

The Ousiological Component

The Ontological Component

The Genetic Interpretations of A, M, and N

Book A

Books M and N

Observations on Book Delta

The Character of Book Delta

The Position of Book Delta with Respect to the Other Books

Book Delta and the Genetic Interpretations
Conclusions. The Horizons of the Aristotelian Metaphysics
The "Constants" of the Aristotelian Metaphysics
The Dialectical Unity of the Constants
The Synthesis of the Naturalistic and Platonic Requirements in the First Philosophy of Aristotle
The Unitary Design of the Metaphysics
Appendixes
The Historical Importance of the Metaphysics of Theophrastus in comparison with the Metaphysics of Aristotle
The Metaphysics of Theophrastus with commentary
A Selected Annotated Bibliography (after 1932) Concerning the Object of Study of the Present Volume
Other works (prior to 1923) Expressly Cited in the Course of the Present Volume
Indexes
An Analytic Index of Names
An Index of Greek Terms
An Index of Aristotelian Texts Cited
