Preface

From Business Process Modelling to Workflow Management: An Integrated Approach p. 3

Workflow Management Cycle - An Integrated Approach to the Modelling, Execution, and Monitoring of Workflow-Based Processes p. 23

Process Modelling and Execution in Workflow Management Systems by Event-Driven Versioning p. 43

Scheduling Models for Workflow Management p. 67

Introduction to Business Process Management Systems Concepts p. 81

Distributed Co-operative Modelling of Production Systems p. 147

A Proposal Approach for Strategic Probe: A Scanning Information Support p. 175

Integrating the Strategic and Technical Approach to Business Process Engineering p. 188

Information Technology as an Enabler of Business Processes Designing During Macroeconomic Transformation p. 207

Integration of IT Strategy, Process Analysis and System Implementation in an Office Automation Based Process Improvement Programme p. 218

A Coordination-based Approach for Modelling Office Workflow p. 235

An Object Oriented Approach to Business Process Modelling p. 251

Business Process Reengineering with Reusable Reference Process Building Blocks p. 265

It's Time to Engineer Re-engineering: Investigating the Potential of Simulation Modelling for Business Process Redesign p. 313
