Cultural Imagineering. A first encounter
Planning with culture between materiality and meaning
Research approach
Contextualizing urban development. Cities between materiality and meaning
A spatial turn: The city as discursive process?
The multi-scalar city: Between local and global
Urban economies in transition: From production to consumption
Pluralization, fragmentation, and an urban revival in a postmodern age
The contested politics of planning. Ideology and power, accumulation and representation
The changed face of the state: New coalitions, new development goals
New modes of planning: Constructing identity and difference
The political in planning: Contests over accumulation and representation
Linking culture, city, and planning. Entering a cultural era in urban development
An agent of change: The salient narratives of culturalization for capitalization
Culture for representation: Between hegemony and cultural pluralism
Theorizing Cultural Imagineering. Conceptualizing the discursive regulation of culture-led place transformation
Empirical research design. De-and reconstructing Cultural Imagineering in practice
Material context: Vienna's development trajectory
The construction of cultural imaginaries: Critical Discourse Analysis
Triangulation and hidden information: Narrative interviews
Confronting discourse with material practice
Contextualizing "Cultural Vienna". Retracing the cultural development trajectory
Morphology, urban structures and spatial development
Vienna's socio-economic development path
Urban politics and the culture of planning
The institutional setting
The strategic layer: Vienna's politics of planning
Strategically approaching culture: Vienna between hub and heritage
Karlsplatz: A cultural economy for global tourism
Development background
The discursive construction of Karlsplatz
Materializations of the cultural imaginary
Transformation as hegemonic material practice?
Seestadt Aspern: Cultural symbolism for entrepreneurial urbanism
Development background
The discursive construction of Seestadt Aspern
Materializations of the cultural imaginary
Transformation as hegemonic material practice?
Brunnenviertel: Capitalizing on cultural diversity
Development background p. 187
The discursive construction of Brunnenviertel p. 191
Materializations of the cultural imaginary p. 200
Transformation as hegemonic material practice? p. 204
Cultural Vienna revisited. Rationales, imaginaries, and hegemonic practice p. 207
Uncerlyng rationales of planning the city with culture p. 207
Culture-led hegemonic economic and ideological projects p. 216
Towards a culturized planning practice. Conclusions on Cultural Imagineering p. 225
The Cultural Imagineering of Vienna p. 225
Planning for cultural development: Towards a culturized planning practice Vienna p. 230
List of Figures & Tables p. 239
Bibliography p. 241
