Preface ........................................................................ xi
Abbreviations .......................................................... xiii

PART 1 ANALYTICAL TECHNIQUES

1 The Use of Thin-layer Chromatography in the Analysis of Drugs of Abuse ........................................ 3
   J. Conrad Roberson

2 The Use of Gas Chromatography for the Detection and Quantitation of Abused Drugs .................. 23
   Henk Huizer

3 The Multi-technique Approach .................................. 93
   Jan Piet Franke and Rokus A. de Zeeuw

4 The Use of High Performance Liquid Chromatography for the Detection and Quantitation of Abused Drugs .................................................. 121
   Brian Caddy

5 The Identification of Drugs by Mass Spectrometry ............. 175
   Kenneth S. Webb

6 Applications of Infrared Spectroscopy in Drug Analysis ........... 225
   Terry Mills III and George J. Fontis

7 The Use of Nuclear Magnetic Resonance Spectroscopy for the Detection and Quantitation of Abused Drugs .................................................. 283
   Brian Dawson
CONTENTS

8 Use of Immunoassay to Detect Drugs in Body Fluids .......................... 311
   Kim Tan and Vincent Marks

9 Examination of Illicitly Produced Tablets and Capsules ..................... 337
   Peter J. Gomm and Rosemary J. Hughes

PART 2 APPLICATIONS

10 On-site Sampling and Detection of Drug Particulates ......................... 373
   Lorne Elias and André H. Lawrence

11 Mass Screening of Urine for Drugs of Abuse .................................. 401
   Manesh C. Dutt and Tong Kooi Lee

12 The Operation of a Hospital Laboratory Service for the Detection of Drugs of Abuse ......................................................... 429
   Brian Widdop and Richard Caldwell

13 Analysis for a Forensic Science Service ........................................ 453
   Keith R. Bedford

14 Scientific Support for a Customs Service ....................................... 477
   Terry A. Gough and Geoffrey F. Phillips

15 The Examination of Drugs in Smuggling Offences ............................. 511
   Terry A. Gough

Author Index ..................................................................................... 567

Subject Index ................................................................................... 587
