Topical Corticosteroid Therapy
A Novel Approach to Safer Drugs

Editors

Enno Christophers, M.D.
Universität Hautklinik
D-2300, Kiel 1, Federal Republic of Germany

Erwin Schöpf, M.D.
Department of Dermatology
Medical School of the Albert
Ludwigs University
Freiburg, Federal Republic of Germany

Albert M. Kligman, M.D.
Department of Dermatology
University of Pennsylvania
Philadelphia, Pennsylvania

Richard B. Stoughton, M.D.
Division of Dermatology
University of California, San Diego,
School of Medicine
La Jolla, California

Raven Press New York
Contents

1 Topical Corticosteroids in Dermatology
Richard B. Stoughton and Roger C. Cornell

13 The Application of Soft Drug Approaches to the Design of Safer Corticosteroids
Nicholas Bodor

27 A Molecular Biology Approach to the Design of Safer Steroid-Like Drugs
R. J. Flower

35 Discussion

39 Prednicarbate: Dose–Response Relations in Animal Models
Hans G. Alpermann

49 Kinetic Studies of Skin Permeation and Biotransformation of Prednicarbate
Kwon H. Kim and Norman L. Henderson

57 Effects of Corticosteroids on Human Fibroblasts In Vitro
Rüdiger Hein and Thomas Krieg

67 Discussion

71 Effects of Corticosteroids on Wound Healing
Roland Niedner and Erwin Schöpf

75 Cytophysiological Actions of the New Antiinflammatory Glucocorticoid Prednisolone-17-Ethylcarbonate-21-Propionate—A Comparative Trial
A. B. Carella, A. Bernd, and H. Holzmann

89 Histological and Immunocytological Findings During Topical Corticosteroid Therapy of Psoriasis
Helmut H. Wolff and Martin Winzer

103 Discussion

105 Survey of Methods for Assessment of Corticosteroid Atrophogenicity
R. Marks
111 Assessment of the Atrophogenicity Potential of Corticosteroids by Ultrasound and by Epidermal Biopsy Under Occlusive and Nonocclusive Conditions
P. J. Dykes, S. Hill, and R. Marks

119 Evaluation of the Potential Atrophogenicity of 0.25% Prednicarbate Cream
J. Dehavay, G. E. Piérard, and Ch. M. Lapière

127 Discussion

131 Thoughts on the Use of Topical Corticosteroids
Enno Christophers

135 Discussion

137 Mode of Action of Corticosteroids at a Molecular Level
Frances Lawlor and Malcolm Greaves

143 Discussion

147 Topical Corticosteroids and Adrenal Suppression: Special Aspects in Pediatrics with Prednicarbate
Guido Herz

151 Plasma Cortisol Concentrations Following Whole-Body Application of Hoe 777 (Prednicarbate)
F. Schröpl

155 Long-Term Study on Local Steroids Using the Example of Prednicarbate
F. Schröpl and Ch. Schubert

169 Controlled Studies of Intraindividual and Interindividual Design for Comparing Corticosteroids Clinically
H.-J. Vogt and Th. Höhler

181 Adverse Effects of Topical Corticosteroids
Albert M. Kligman

189 Summary and Evaluation

193 Subject Index
