Contents

Introduction and Overview .................................................. 1
   Mario R. De La Rosa, Juan-Luis Recio Adrados, and Norweeta Milburn

THEORETICAL ISSUES

Integrating Mainstream and Subcultural Explanations of Drug Use Among Puerto Rican Youth .................................................. 8
   Orlando Rodriguez, Juan-Luis Recio Adrados, and Mario R. De La Rosa

Orthogonal Cultural Identification: Theoretical Links Between Cultural Identification and Substance Use ........................................ 32
   E.R. Oetting

Acculturation: The Broader View. Theoretical Framework of the Acculturation Scales ............................................................. 57
   Juan-Luis Recio Adrados

Interactional Theory: Its Utility in Explaining Drug Use Behavior Among African-American and Puerto Rican Youth .................... 79
   Judith S. Brook

Network Theory: A Model for Understanding Drug Abuse Among African-American and Hispanic Youth ........................................... 102
   Marvin D. Krohn and Terence P. Thornberry
METHODOLOGICAL ISSUES AND FINDINGS

Acculturation Strain Theory: Its Application In Explaining Drug Use Behavior Among Cuban and Other Hispanic Youth .................................................. 144
William A. Vega, Rick Zimmerman, Andres Gil,
George J. Warheit, and Eleni Apospori

Validity of Self-Reports in Student-Based Studies on Minority Populations: Issues and Concerns .................................................. 167
John M. Wallace, Jr., and Jerald G. Bachman

Interviewing Minority Youth About Drug Use: Telephone vs. In-Person Surveys .................................................. 201
Leonard LoScluto, William S. Aquillino,
and Frederick C. Licari

Hispanic Dropouts and Drug Use: A Review of the Literature and Methodological Considerations .................................................. 224
Ernest L. Chavez

Getting into the Gang: Methodological Issues In Studying Ethnic Gangs .................................................. 234
Karen A. Joe

Identifying, Gaining Access To, and Collecting Data on African-American Drug Addicts .................................................. 258
Leon E. Pettway

Surveying and Tracking Urban Elementary School Children's Use of Abusable Substances .................................................. 280
Patricia J. Bush, Mary Ann D'Elio, Charlotte D. Peoples,
and Heather M. Schell

School and Community Politics: Issues, Concerns, and Implications When Conducting Research in African-American Communities .................................................. 298
Julius Debro and Darlene J. Conley
Substance Use Disorders Among Young Minority Refugees:
Common Themes in a Clinical Sample ................................................. 308
Joe Westermeyer

FUTURE DIRECTIONS

Current Gaps and New Directions for Studying Drug
Use and Abuse Behavior in Minority Youth ....................................... 321
Mario R. De La Rosa, Juan-Luis Recio Adrados,
Nancy J. Kennedy, and Norweeta Milburn

List of NIDA Research Monographs ..................................................... 341
