Henri R. Manasse Jr.

PART I: THE SICKNESS CAREER

SECTION A: CONCEPTS OF HEALTH AND ILLNESS

Chapter 1. Definitions and Meaning of Health 3
Richard M. Schulz
David A. Holdford

The Paradox of Health 3
The Meaning of Health 4
Definitions of Health 7
Health, Pharmaceutical Care, and Quality of Care
  Assessment 8
Health Beliefs 11
A Model of Health Behavior 13
Wellness and Health 15
Health Promotion and Disease Prevention 15
Conclusion 17

Chapter 2. Illness, Sickness, and Disease 21
Mickey C. Smith

Introduction 21
Definitions and Determinants of Ill Health 22
Behavior in Health and Sickness 24
The Pharmacist and Patient Behavior 36
Summary 36
SECTION B: PATIENT RESPONSES TO SYMPTOMS

Chapter 3. The Meaning of Signs and Symptoms 41
   Dennis A. Frate
   Juliet B. Frate

   Introduction 41
   Empirical Data 49
   Discussion 60
   Summary 62

Chapter 4. Acute vs. Chronic Problems 65
   Peter D. Hurd

   Introduction 65
   Chronic and Acute Symptoms 66
   Attribution Errors and Symptoms 66
   Symptoms and Change with Chronic Disease 74
   Examples of Symptoms in Situations 79
   Some Limitations of This Approach 80
   Summary 81

SECTION C: CHOOSING A SOURCE OF CARE

Chapter 5. Images of Pharmacists and Pharmacies 85
   Sheryl L. Szeinbach

   Introduction 85
   Background Information 85
   What Is Image? 86
   Changes Affecting Pharmacy 87
   Conceptual Framework 88
   Corporate Image 89
   Market Image 90
   Professional Image 90
   Recent Studies on Professionalism and Image in Pharmacy 91
   Strategies for Image Improvement 94
   Conclusion 96
### Chapter 6. Other Health Providers and the Pharmacist

*Bernard Sorofman, Toni Tripp-Reimer, Richard Dehn, Mary Zwygart-Stauffacher*

Administrative Programs Used to Affect Prescribing:
  Limiting Prescriber Choices 160
Changing Prescribing Knowledge and Drug Assessment:
  How Can Pharmacists Educate Prescribers to Better
  Utilize Drugs? 163
Designing Programs to Improve Prescribing: A Model
  of Methods for Influencing Prescribing 169
Quality of Care Issues 174
Implications for Practice: Putting It All Together 175
Conclusions 176

Chapter 9. Pharmacists' Performance in Drug Product
  Selection and Therapeutic Interchange 185
  Nancy J. W. Lewis
  Steven Erickson
Introduction 185
Drug Product Selection 185
Therapeutic Interchange 197
Conclusions 207

Chapter 10. Interprofessional Relations in Drug Therapy
  Decisions 213
  Jennifer A. Gowan
  Louis Roller
  Alistair Lloyd
Introduction 213
Formal and Informal Networks 215
Improvement of Therapeutic Outcomes 218
Barriers to Interprofessional Relations 222
Communication Skills to Improve Interprofessional
  Relations 225
Patient, Prescriber, Pharmacist 230
Intervention 235
Conclusion 245
The Health Belief Model Can Help
Detecting Noncompliance
Why All the Fuss About Compliance?
Conclusion

Chapter 14. Explaining and Changing Noncompliant Behavior

Dale B. Christensen

The Significance of the Noncompliance Problem
Explaining Noncompliant Behavior
Changing Noncompliant Behavior
Types of Noncompliant Behavior
Compliance Enhancement in Tomorrow’s World of Pharmacy Practice
Concluding Thoughts

SECTION F: OUTCOMES OF PHARMACEUTICAL CARE

Chapter 15. Clinical Outcomes
Charles E. Daniels

Introduction
Definition of Clinical Outcomes
Monitoring Outcomes
Disease State Management
Conclusion

Chapter 16. Economic Outcomes
Brian G. Ortmeier

Introduction
Perspective
Defining Costs and Consequences
Cost/Benefit Valuation
Types of Economic Analyses
Critical Evaluation of the Health Economic Literature
Applications for Health Economic Research
Chapter 20. Ambulatory Elderly

Introduction 515
Demographics 516
Social and Behavioral Concerns 519
General Health Concerns 522
Medication-Specific Concerns 524
Conclusion and Commentary 531

Chapter 21. Long-Term Pharmaceutical Care: Social and Professional Implications

Introduction 537
Long-Term Care: The Nursing Home 538
Long-Term Care: Assisted Living 541
Long-Term Care: Continuing Care Retirement Community 541
Long-Term Care: Home Health Care 542
Pharmaceutical Care: An Overview 544
The Case of AAA: Pharmaceutical Care in Action 548
Conclusion 555

Chapter 22. Hospitalized Patients

Introduction 559
Acute Health Care Services Revisited 559
The Hospitalized Patient: A Conceptual Basis of Care 563
Conclusion 579

Chapter 23. Pharmaceutical Care of Terminally Ill Patients

Introduction 585
Hospice Care 587
The Hospice Team 590
The Pharmacist’s Responsibility to Terminally Ill Patients 590
Hospice Pharmaceutical Care 593
Hospice Pharmacist Job Description 598
Principles of Palliative Care 600
Case Studies in Pharmaceutical Care of Terminally Ill Patients 605
Conclusion 607

Chapter 24. Mental Disorders 611

*Julie Magno Zito*

Introduction 611
Mental Disorders: Their Classification and Evaluation 614
Epidemiology of Mental Disorders 616
Selected Psychosocial Principles of Mental Disorder Therapy 619
Antipsychotics for Psychosis and Other Disorders 623
Principles of Longitudinal Monitoring 627
Conclusion 629

Chapter 25. Cultural Issues in the Practice of Pharmacy 635

*Pedro J. Lecca*

Introduction 635
Cultural Practice Issues 637
Lack of Cultural Understanding 639
Holistic Assessment 640
Culturally Sensitive Practices 641
Culture and Pharmacy Management Practice 642
The Future of Culture in Your Practice 643
Cultural Training 644
Conclusion 644

**PART III: REVIEW OF USEFUL CONCEPTS/MODELS**

Chapter 26. A Macro View: Public Policy 651

*Lon N. Larson*

Background and Objectives 651
The Mechanisms of Action of Public Policies 653
The Demand for and Supply of Public Policy 657
Chapter 27. The “Rebirth” of Cognitive Services 675
Kent H. Summers

Introduction 675
The Evolution of Modern Pharmacy Practice 675
Gaining Reimbursement for Cognitive Services 691
Conclusion 706

Chapter 28. Recent Developments in Behavioral Medicine 715
Donna E. Dolinsky

What Is Behavioral Medicine? 715
What Is Health Psychology? 717
What Behaviors Are Related to Illness? 718
What Are Behavioral Medicine’s Interventions? 725
Why Is Behavioral Medicine Important for Patients and for the Health Care System? 729
Do the Nondrug Treatments of Behavioral Medicine Have a Place in Pharmaceutical Care? 730
What Does This Mean for a Pharmacist? 731

Chapter 29. Expectations, Education, and Technology 737
Sheldon Xiaodong Kong
Stephanie Y. Crawford

Introduction 737
Expectations 739
Technology 749
Pharmacy Education 757
Conclusion 764

Chapter 30. Ethical Concerns in Drug Research 773
Kenneth A. Speranza Sr.
Amy M. Haddad

Introduction 773
Ethical Principles Underlying Drug Research 775
