HERBAL MEDICINE
A Cancer Chemopreventive and Therapeutic Perspective

Rajesh Arora PhD
Scientist
Defence Research and Development Service
Institute of Nuclear Medicine and Allied Sciences (INMAS)
Defence Research and Development Organization (DRDO)
New Delhi, India
## Contents

### SECTION ONE: Herbal Medicine and Oncology

**Enter the Melting-pot**

1. **Herbal Drugs for Oncology: Current Status and Future Directions in Cancer Chemoprevention** ........ 3
   Rajesh Arora, Poonam Malhotra, Raman Chawla, Damodar Gupta, Manisha Juneja, R Kumar, A Sharma, Manjeshwar Shrinath Baliga, RK Sharma, RP Tripathi

2. **Role of Phytochemicals in Cancer Chemoprevention** ................................................................. 42
   Sarwat Sultana, Tamanna Jahangir

3. **Harnessing Medicinal Plants for Cancer Chemoprevention** ........................................................... 56
   Ashok Kumar, RM Samarth, Meenakshi Samarth, Madhu Kumar

4. **Botanicals Used in the Unani System of Medicine for Cancer Chemoprevention and Therapy** .......... 68
   Javed Ahmad, Afaq Ahmad

5. **Complementary Antitumor Properties of a Calendula Extract: Cytotoxic and Immunomodulatory Activity** .............................................................................................................. 79
   Enrique Berruguilla, Eca Jimenez-Medina, Irene Romero, Cristina Garrido, Ignacio Algarra, Antonia Collado, Federico Garrido, Angel Garcia-Lora Miguel

6. **Protective Effect of Citrus aurantium and Crataegus microphylla Extracts against Cyclophosphamide-induced Genotoxicity** ................................................................. 98
   Seyed Jalal Hosseinimehr

### SECTION TWO: Phytodietary Compounds

**Healthy Diet for a Cancer-free Life**

7. **Nutritional Interactions for Cancer Prevention** ................................................................................... 107
   Cindy D Davis

8. **Chemotherapeutic and Chemopreventive Effects of Dietary Compounds on Breast Cancer** ................................................................. 114
   Rohini Gomathinayagam, Chendil Damodaran

9. **Cancer Chemoprevention and Lifestyle Factors: An Overview of Epidemiology and Biological Mechanisms** .............................................................................................................. 122
   Amitabha Ray, Gibananda Ray, N Srinivasa Murthy

10. **Role of Curcuma longa in Cancer Therapy and Chemoprevention** ..................................................... 143
    Pratibha Mehta Luthra

11. **Colon Carcinogenesis Prevention by Natural Products** ........................................................................ 147
    Hoyoku Nishino

12. **Fruit and Vegetable Consumption and Oral Cancer: A Meta-analysis** .............................................. 153
    M Pavia, A Bianco, CGA Nobile, IF Angelillo
13. Antioxidant and Anticancer Activity of Tea Catechins: Potential for Development as Therapeutics
   Indu Pal Kaur, Anurag Kuhad, Kanwaljit Chopra

14. Annatto: A Natural and Healthy Food Colorant for Prevention of Mutation-related Diseases
   Daisy Maria Favero Salvadori, Aniele Radzikoski Agner, Marcelo Sady Placido Ladeira

SECTION THREE: Plant-derived Bioactive Individual/Pure Compounds
Kindling Hope in Cancer Patients

15. Resveratrol: A Novel Chemopreventive Agent for Prostate Cancer
   Bhagavathi A Narayanan, Narayanan K Narayanan

16. Resveratrol and Chemoprevention of Gliomas
   Nicoletta Gagliano, Isabella Dalle Donne

17. Isoflavones in Breast Cancer Chemoprevention
   Nagi Kumar, Karen Besterman-Dahan, Aslam Kazi, John Heine

18. Apigenin in Health and Disease with Special Reference to Cancer Chemoprevention
   Sanjeev Shukla, Sanjay Gupta

19. Preventive and Therapeutic Effects of Naturally occurring Isothiocyanates in Cancer
   Ravi P Sahu, Sanjay K Srivastava

20. Anticancer Properties of Phytosterols
   Peter G Bradford, Atif B Awad

21. Anticancer Alkaloids of Catharanthus roseus: Transition from Traditional to Modern Medicine
   Rajesh Arora, Poonam Malhotra, Ajay K Mathur, A Mathur, CM Govil, PS Ahuja

SECTION FOUR: The Chemoradiotherapy Interface
Critical Issues in Tackling Cancer

22. Effects of Natural Polyphenols on Chemoradiotherapy in Cancer
   Amit K Garg, Thomas A Buchholz, Bharat B Aggarwal

23. Concurrent Paclitaxel and Radiotherapy Lung Cancer as a Model for Successful Implementation
   Igor Stojkovski, Francesc Casas, Papa Macoumba Gaye, Sherif Abdel-Wahab, Andras Bajcsay, Branislav Jeremic

24. Polysaccharide from Panax ginseng as a New Adjuvant of Radio/Chemotherapy
   Jie-Young Song, Jiyeon Ahn, Yeon-Sook Yun

SECTION FIVE: Can Herbal Medicine Improve the Outcome of Radiotherapy? The Litmus Test Begins

   Banasri Hazra, BN Pandey, Amit Kumar, Subhalakshmi Ghosh, Binod Kumar, KP Mishra

26. Radioprotective Effects of Flaxseed Oil
   AL Bhatia, Shikha Pathri, Avadhesh Sharma
27. Radioprotective Effects of Aegle marmelos (Bael): Evidence from Preclinical Studies ........................................ 389
   *Ponemone Venkatesh, Kyathisandra Nataraj Lokesh, Amitha S Shetty, Harshith P Bhat, Vikram Singh Ratnu
   Anatappa Govindaraju Rajeev, Manjeshwar Shrinath Baliga, Rajesh Arora*

28. Radioprotective Role of Beta-carotene with Special Reference to Amaranthus ........................................ 408
   *AL Bhatia*

29. Chemoprevention, Radiotherapy and Radioprotection by Tocotrienols from Palm Oil Extracts and Flavonoids isolated from Ocimum sanctum (Tulasi) ........................................ 422
   *MM Satyamitra, SP Ghosh, V Srinivasan*

**SECTION SIX: Can Herbal Medicine Prevent Radiation-induced Cancers?**

   *The Mystery Unfolds*

30. Antioxidants: A New Approach to Tackle Radiation-induced Cancer ............................................... 441
   *Hanane Derradji, Khalil Abou-el-Ardat, An Aerts, Kharman Faraj Akram, Sarah Baatout, Steve Harakeh*

31. Chemoprevention of Nonmelanoma Skin Cancer ................................................................. 473
   *Ben Lewis, Peter I Wigley, Ross A McKinnon*

32. Ultraviolet Radiation-induced Skin Damage and Carcinogenesis: Preclinical Efficacy of Camellia sinensis (Tea) ......................................................... 486
   *Manjeshwar Shrinath Baliga, Ponemone Venkatesh, Shantala Bellary, Manjeshwar Poonam Baliga-Rao, Karkala Sreedhara Ranganath Pai, Ravindranath Shanbhag, Meda Nagaraja Setty, Rajesh Arora*

**SECTION SEVEN: New Vistas in Cancer Chemoprevention and Therapy**

   *Mechanistic Studies Provide Leads*

33. Molecular Mechanisms and Interactions Responsible for Radio- and Chemoresistance in Tumors and their Modulation by Natural Products from Ayurveda .............................. 513
   *V Badireenath Konkimalla, Thomas Effertz*

34. Prevention and Management of Prostate Cancer: Mechanistic Insights based on In Vitro Studies using Herbal Formulation .................................................. 531
   *Tze-chen Hsieh, Joseph M Wu*

35. Mechanisms of the Anticancer Activities of the Dietary Polyphenol, Quercetin ................................. 559
   *Ravikumar Aalinkeel, Bindukumar B Nair, Jessica L Reynolds, Donald E Sykes, Supriya D Mahajan, Stanley A Schwartz*

36. Radiosensitization of Cancer Cells by Herbal Compounds: Soy Isoflavones Inhibit Cell Survival Pathways Activated by Radiation ............................................... 577
   *Gilda G Hillman, Fazlul H Sarkar*

37. Dietary Modulation of Molecular Pathways of Cancer ................................................................. 588
   *Young S Kim*

38. Ayurvedic Rasayana Drug Triphala as a Novel Anticancer, Chemopreventive and Radioprotective Agent: Mechanistic Insights ......................................................... 599
   *Manjeshwar Shrinath Baliga, Harshith P Bhat, Denzil Corda Johnson, Ankit Paresh Mehta, Shaun Mathew Kandathil Karkala Sreedhara Ranganath Pai, Chamalanudi Mallikarjun Rao, Rajesh Arora*

39. Antioxidant, Anticancer, Cytoprotective and Radioprotective Properties of Podophyllum ......................... 616
   *Rajesh Arora, D Gupta, Raman Chawla, AS Dhaker, Manisha Adhikari, Jyoti Sharma, Varunika Goyal, R Kumar A Sharma, Manjeshwar Shrinath Baliga, RK Sharma, RP Tripathi, SC Puri*

Index .................................................................................................................................................. 631
