Humic Substances in Drug Development

Dr. Rajesh Khanna  
*M.Pharm, Ph.D. (Jamia Hamdard)*  
*Current affiliation: Dabur Pharma Ltd., Sahibabad, Ghaziabad, UP (INDIA)*

Dr. S.P. Agarwal  
*B. Pharm. (Pilani), M. Pharm. (B.H.U.), M.S., Ph.D. (Illinois)*  
*Department of Pharmaceutics*  
*Faculty of Pharmacy*  
*Jamia Hamdard (Hamdard University)*  
*New Delhi (INDIA)*

Dr. R.K. Khar  
*M. Pharm., D.B.M., Ph.D. (Sofia)*  
*Department of Pharmaceutics*  
*Faculty of Pharmacy*  
*Jamia Hamdard (Hamdard University)*  
*New Delhi (INDIA)*

2009

Studium Press (India) Pvt. Ltd.
CONTENTS

1. Humic substances : An introduction 1
2. Traditional uses of humic substances in folklore medicine 10
3. Shilajit — A humic substance with therapeutic properties 30
4. Physicochemical characterization of shilajit 48
5. Extraction and characterization of humic substances from shilajit 62
6. Surfactant properties of humic substances 84
7. Drug complexing properties of humic substances 97
8. Solubility-and dissolution-enhancing properties of humic substances 149
9. Permeability-enhancing properties of humic substances 180
10. Bioavailability-enhancing properties of humic substances 196
11. Safety and toxicity studies on humic substances 208
12. Humic substances in drug development 219
