Joseph Schumpeter	78
John Maynard Keynes	80
Recent Developments	83
Ronald Coase	84
Amartya Sen	88

● CHAPTER 5 The Surplus Product: Conflict and Change 93

Economic Interdependence, Production, and Reproduction	95
The Surplus Product	101
A Model of Production and Reproduction	105
International Exchange and the Surplus Product	111
The Surplus Product and Conflict	113
The Surplus Product and Change	119

● CHAPTER 6 Capitalism as an Economic System 121

Class and Class Relationships	123
Classes and Economic Systems	125
Capitalism	129
Capitalism, the Surplus Product, and Profits	143
Conclusion	145

● CHAPTER 7 American Capitalism: Accumulation and Change 147

Accumulation as a Source of Change	149
Capitalism Comes to the United States	152
Social Structures of Accumulation	158
The Stages of American Capitalism	160
American Capitalism Today: Economic Dualism	164
American Capitalism Today: Globalism	173

- **CHAPTER 8 Supply and Demand: How Markets Work 185**
 - The Nature of Markets 186
 - Supply and Demand 188
 - Supply and Demand Interacting 192
 - Shifts in Demand or Supply 194
 - Conclusion 197

- **CHAPTER 9 Competition and Coordination: The Invisible Hand 199**
 - Coordination 200
 - Coordination by Rules and by Command 201
 - The Invisible Hand 205
 - The Invisible Hand in Action 206
 - Problems with the Invisible Hand 209

- **CHAPTER 10 Capitalist Production and Profits 226**
 - What Are Profits? 227
 - Calculating the Rate of Profit 231
 - The Determinants of the Profit Rate 237
 - The Rate of Profit per Worker Hour 239
 - The Labor Determinants of the Profit Rate 241
 - Materials and Capital Goods as Profit Rate Determinants 243
 - The Role of Capital Goods (Again) 245
 - Conclusion: Understanding the Profit Rate 247

- **CHAPTER 11 Competition and Concentration 253**
 - Competition for Profits 256
 - The Forms of Competition 257
 - Investing to Compete 268
 - The Dynamics of Competition 271
 - Toward Equal Profit Rates? 273

in the Workplace 312**

The Social Organization of the Workplace	314
Technology and the Labor Process	323
Conflict in the Workplace	324
Profitability versus Efficiency	336
Markets and Hierarchies	338
Democratic Firms	339

PART 3 Macroeconomics

341

● **CHAPTER 14 The Mosaic of Inequality 343**

Measuring Well-Being and Inequality	346
Growing Inequality	349
Wealth Inequality	353
Unequal Chances	359
Race and Inequality	361
Women's Work, Women's Wages	365
Conclusion: Explaining the Mosaic of Inequality	371

● **CHAPTER 15 Progress and Poverty on a World Scale 375**

Poverty and Progress	378
Productivity and Income	383
Productivity, Incentives, and the Surplus Product	383
Capitalism and Uneven Development	386
Government and the Development Process	395
Investment and Production on a World Scale	396
Conclusion	401

● **CHAPTER 16 Aggregate Demand, Employment,
and Unemployment 403**

Aggregate Supply and Aggregate Demand	407
Unemployment and Government Fiscal Policy	422
The Business Cycle and the Built-in Stabilizers	430

Investment, Aggregate Demand, and Monetary Policy	432
Wages, Aggregate Demand, and Unemployment	439
Conclusion	443

● **CHAPTER 17 The Dilemmas of Macroeconomic Policy 445**

The High-Employment Profit Squeeze	449
Exports, Imports, and Aggregate Demand	458
International Trade and Macroeconomic Policy	462
Monetary and Fiscal Policy at Odds	465
Institutions for Achieving Full Employment	470
Conclusion	475

● **CHAPTER 18 Inflation 477**

Too Much Money Chasing Too Few Goods	480
Two Types of Inflation	482
Why Worry about Inflation?	488
Conclusion	492

● **CHAPTER 19 Government and the Economy 493**

The Rules of Government Organization	495
The Economic Activities of the Government	500
The Expansion of Government Economic Activity	506
Government and the Profit Rate	513
The Limits of Democratic Control of the Capitalist Economy	519

PART 4 Conclusion

525

● **CHAPTER 20 The Future of Capitalism 527**

The Limits to Growth	531
From Grain and Steel to Information and Ideas	535
The New Economy	541
The Weightless Economy and the Invisible Hand	545
Conclusion	549

List of Variables 552

Glossary 555

Index 566
