Welcome from Prof. Romano Del Nord, Director of TESIS Center 7

Volume Presentation 8

Meyer Children's Hospital 13
Experimenting Innovation with Healthcare Architecture.
The Meyer Children's Hospital in Florence
Romano Del Nord 15

Energy Saving Strategies in Five European Hospital Buildings
Marco Sala, Giuseppina Alcamo 21

New Architecture for Children's Hospitals 33
Environmental Psychology and Architecture for Health Care Design
Mirilia Bonnes, Marino Bonaiuto, Ferdinando Fornara, Elena Bilotta 35

Also Walls Speak…
Giuliana Filippazzi 43

Children Hospitals' Explorers (CHEX),
10 Issues and Innovations for Children's Hospital Planning and Design
Derek Parker, Catherine Zeliotis and Ileana Alexandratos 49

Design Evolution of the Childhood Care and Assistance through the Twentieth Century in Europe
Chiara Tonelli 57

Design Quality Standards 67
Psychosocially Supportive Design: A Salutogenic Approach to the Design of the Hospital Environment
Alan Dilani 69

Designing for Children in Natural and Urban Habitats
Neil Cadenhead 81

Designing Sustainable Healthcare Facilities
Phil Nedin 89

New Children's Hospitals – Identity and Integration
Jane McElroy 95

Designing the Perfect Children's Hospital
Richard Mazuch 99
Hospital Architecture: Reading the Past, Forecasting the Future
Lessons in Humanising Future Health Care Architecture
Peter Scher
109

Multiplicity of Forms in Healthcare Sites
Alessandro Caviglia, Margherita Bianco
117

Hospital Architecture: State of the Art Design
The Evolution of the “Architecture for Health” Program at Texas A&M University since - 1966
George J. Mann
123

Physio Therapy from Innovation to Humanisation
“From the Treatment of Patients to Wellness”
Hans Eggen
127

An Integrated Project Delivery Process: Providing Innovation, Sustainability, and Humanization for the Last Independent Hospital in San Francisco
Philip Patrick Sun
133

Culture Aspect in Hospital Design
Zakia Shafie
141

Turku University Central Hospital
T-Hospital, New Acute Care Hospital in Turku, Finland
Mikael Paatela
147

The Integrated Interventional Platform: Designing Procedural Space for Next Generation Practice, Culture and Operations
Bill Rostemberg
149

The Unzipped Hospital Downscaling the Hospital from Mega Structure to Urban Tissue
Bas Molenaar
155

University Hospitals: Innovation in Organisational Models for Integrating Healthcare, Research and Teaching
Anna Maria Giovenale
159

Environmental Stress Prevention in Intensive Care Units
Daniela Sorana
171

The Art of Making Well Being in Healthcare Architecture
Maria Antonietta Rubino
185

Healthcare Architecture: New Visions
Functional Layout for a New Hospital Organization
Capolongo Stefano, Fabrizio Schiaffonati, Andrea Tartaglia
197

Architecture Out of Tune: The Hospital as Instrument
Tonyanna C. Borkovi
203

“Recent Developments in Health-Facility Planning and Design in Australia”
Warren Kerr
219
Healthcare Networks: Researches

Elena Mussinelli

The Strategic Plan for the Wide Area of Novara and the New City Hospital System
Andrea Tartaglia, Matteo Gambero

The Republic of Azerbaijan Health Sector Reform Project
M. Turhan Kayasu

The Health and Community Care Centre in the Territorial Health System
Francesca Giofre'

Focus on: Humanization of Hospital Environment

Environment and Humanization, Condition of the Spaces, looking for the Satisfactors of the Health Facilities
Astrid Maria Debuchy

In Quest for Malaysian Healthcare Space Standards: Are We Any Different? Labour Delivery Rooms as Bases for Comparative Study
Norwina Mohd Nawawi

Posters in Hospital Environment: Pilot Research in the Experimental SGH Ward
Ruzica Bozovic-Stamenovic

Communication without Words
Karin Imoberdorf

Focus on: Innovations

The Philippine Response to the Campaign for Disaster Reduction
Prosperidad C. Luis

Operation Theatres with Inbuilt MRI or CT Devices – Latest Developments and Projects. An Example for the Close Cooperation of Architects and Equipment Developing Companies. Recent State-of-the-art Projects in Germany, Singapore and Saudi Arabia
Henning Lensch

Hospices: Places, Spaces and Architecture
Tiziana Ferrante

Building Differentiation of Hospital Layer Approach
Sjoerd de Hoogh

Focus on: Sustainability

Sustainable approach for healthcare facility in China
Huang Xi qiu

An Innovative and Sustainable Hospital Design
R.H. Gortemaker

Building Futures on Health Care Buildings
Luis Enrique López Cardiel

A Methodological Framework for the Settlement of the New Hospital of Regione Valle d’Aosta
Stefano Capolongo, Maddalena Buffoli, Alessandra Oppio

TESIS InterUniversity Research Center - Systems and Technologies in Healthcare Buildings
