# Table of Contents

## HOW TO USE THIS BOOK ................................................................. vii

## ACKNOWLEDGMENTS ....................................................................... ix

## INTRODUCTION
Suggested Learner Outcomes to Integrate in Subject Areas ................................ xi

## SECTION 1: ORIENTATION AND GENERAL SKILLS

**The Changing Role of the School Library Media Teacher** ..................................................... 1.1

**The Human Side of Technology** ....................................................................................... 1.5

**Lesson Plan 1** Orientation to Automated Circulation Procedures (Grade Level: 6-12) .......... 1.7

**Lesson Plan 2** How to Use an Online Public Access Catalog, Using Follett’s Catalog Plus System (Grade Level: 7-12) ................................................................. 1.9

**Lesson Plan 3** Exploring Your Library Network (Grade Level: 9-12) ................................. 1.17

**Lesson Plan .4** AOL Scavenger Hunt (Grade Level: 6-12) ................................................... 1.21

## SECTION 2: USING ELECTRONIC REFERENCE TOOLS IN RESEARCH

**Lesson Plan 5** Electronic Searching Strategies: Boolean and Truncation (Grade Level: 11-12) .................................................................................................................. 2.1

**Lesson Plan 6** How to Use Newsbank (Chicago Tribune) on CD-ROM (Grade Level: 9) .................. 2.6

**Lesson Plan 7** Word for Word: An Introduction to Broadcast News (Grade Level: 6-12) ........ 2.9

**Lesson Plan 8** Using Electronic Databases to Summarize Information (Grade Level: 8 gifted) ................................................................. 2.13

**Lesson Plan 9** Subject Search on an Electronic Encyclopedia and an Automated Catalog (Grade Level: 8) ........................................................................................................ 2.15

**Lesson Plan 10** Searching Infotrac TOM in CD-ROM (Grade Level: 10-12 and adults) ............ 2.17

**Lesson Plan 11** A “Which” Hunt for Building Keyword Skills (Grade Level: 7-12 and adults) ..... 2.20

**Lesson Plan 12** “John Henry vs. the Steam Engine” or “Comparing Electronic and Print Indexes” (Grade Level: 9-12) ................................................................. 2.25

**Lesson Plan 13** You Be the Judge (Grade Level: 6-8) ............................................................. 2.27

**Lesson Plan 14** My Favorite Sports Star (Grade Level: 6) ...................................................... 2.29

**Lesson Plan 15** Each One, Teach One Super Stars (Grade Level: 6-12) ................................. 2.31

**Lesson Plan 16** Magazine Article Summaries Using Full Text Elite (Ebsco CD-ROM) (Grade Level: 9-10 and advanced ESL) ................................................................. 2.33

## SECTION 3: TELECOMMUNICATIONS, ONLINE SERVICES, INTERNET

**Lesson Plan 17** Mail on the Wire (Grade Level: 6-8) ............................................................. 3.1

**Lesson Plan 18** Surfin’ the Net (Grade Level: 9-12) ............................................................... 3.3

**Lesson Plan 19** Let’s Go Gopherin’: Exploring the Internet with Turbo Gopher (Grade Level: 6-12) .................................................................................................................. 3.9

**Lesson Plan 20** Students, Weather, and the Internet (Grade Level: 6) ...................................... 3.13

**Lesson Plan 21** Creating an Online Disease Pathfinder Using the Web (Grade Level: 10-12) .... 3.16
SECTION 4: USING MULTIMEDIA RESOURCES
Lesson Plan 22 Video Term Papers (Grade Level: 10-12) .................................................. 4.1
Lesson Plan 23 A Multi-Travelogue for Teaching Electronic Library Skills (Grade Level: 7-8) .... 4.4
Lesson Plan 24 Shaping Information (Grade Level: 8) ......................................................... 4.8
Lesson Plan 25 Using Peak (Grade Level: 9–12) ................................................................. 4.11
Lesson Plan 26 Multidimensional Biographies (Grade Level: 6) ........................................ 4.20
Lesson Plan 27 You Are There Today with President ......................................................... 4.23
Lesson Plan 28 Computer Books: A Cooperative Lesson Between Media and Art
(Grade Level: 6-12) ........................................................................................................... 4.26
Lesson Plan 29 French Newscast (Grade Level: 10-12) .................................................. 4.28
Lesson Plan 30 Multimedia Group Biome Report (Grade Level: 10-12) .......................... 4.30
Lesson Plan 31 Presenting Information with a Computer Slide Show (Grade Level: 6) ......... 4.33

SECTION 5: INTEGRATION OF TECHNOLOGY INTO THE CURRICULUM
Lesson Plan 32 Masterpieces and Weather (Grade Level: 6-8) ............................................. 5.1
Lesson Plan 33 Flags Around the World (Grade Level: 6) .................................................. 5.3
Lesson Plan 34 How to Use Biosis Previews Online
(Grade Level: 12 gifted or advanced biology) ..................................................................... 5.6
Lesson Plan 35 Integrating CD-ROM DISCovering Authors Database with
Traditional Print Literary Resources (Grade Level: 11) ................................................... 5.10
Lesson Plan 36 Locating Citations for Magazine Articles Using the CD-ROM Readers’
Guide to Periodical Literature (Grade Level: 10) ............................................................ 5.16
Lesson Plan 37 Constructing a Database Record (Grade Level: 6-12) ............................ 5.20
Lesson Plan 38 Refine that Search (Grade Level: 9) ......................................................... 5.22
Lesson Plan 39 Wolf Connection (Grade Level: 6) ............................................................. 5.25
Lesson Plan 40 Social Studies Treasure Hunt (Grade Level: 6-12) ...................................... 5.31
Lesson Plan 41 A.R.M. Yourself for Art, Research, and Music: Laserdiscs and
Research Skills (Grade Level: 6) ....................................................................................... 5.36
Lesson Plan 42 Using SIRS Combined Text & Index CD-ROM to Focus and
Define a Research Topic (Grade Level: 9) ....................................................................... 5.40
Lesson Plan 43 Orientation to Electronic Databases (A Cooperative Learning Exercise)
(Grade Level: 9) .............................................................................................................. 5.44
Lesson Plan 44 Yesterday’s News (Grade Level: 7-12) .................................................... 5.50
Lesson Plan 45 Science Researching Using CD-ROM (Grade Level: 6-12) ..................... 5.52
Lesson Plan 46 Introduction to HyperCard (Grade Level: 6-10) ......................................... 5.57
Lesson Plan 47 Solar System by the Numbers (Grade Level: 6-8) ......................................... 5.72
Lesson Plan 48 Discovering Career Options (Grade Level: 6-10) ...................................... 5.74
Lesson Plan 49 Using Technology in the Geography Classroom (Grade Level: 6-10) ....... 5.77
Lesson Plan 50 Creating a Current Events Stack Using the Web (Grade Level: 9-12) ....... 5.86

SECTION 6: DESKTOP PUBLISHING
Desktop Publishing of Student Research ............................................................................. 6.1
Lesson Plan 51 Extra! Extra! Read All About It! Julius Caesar Dies! (Grade Level: 9-12) .... 6.4
Lesson Plan 52 Baseball Card Mania (Grade Level: 6) ....................................................... 6.6
Lesson Plan 53 News You Can Use (Grade Level: 7-9) ....................................................... 6.10
SECTION 7: TRAINING AND STAFF DEVELOPMENT
Don't Forget the Teacher! Staff Development is Crucial for Student Success ........................................... 7.1
Teachers Wander CD-ROM Wonderland ........................................................................................................ 7.18

SECTION 8: BIBLIOGRAPHY ......................................................................................................................... 8.1

SECTION 9: GLOSSARY .................................................................................................................................. 9.1
