Part A INTRODUCTION

1 The European Union 3

1.1 Introduction 3

1.2 European integration 5

1.2.1 The origins of the integration process 5

1.2.2 Towards an economic and monetary union 6

1.3 Main objectives and policies of the European Union 15

1.3.1 A free and single market 15

1.3.2 Common policies 16

1.4 The EU: size and relative importance 27

1.5 A brief overview of the fifteen EU countries 30

1.5.1 Germany 30

1.5.2 France 30

1.5.3 Italy 32

1.5.4 United Kingdom 32

1.5.5 Spain 32

1.5.6 The Netherlands 33

1.5.7 Belgium 33

1.5.8 Austria 33

1.5.9 Sweden 33

1.5.10 Denmark 33

1.5.11 Portugal 34

1.5.12 Finland 34

1.5.13 Greece 34

1.5.14 Ireland 34

1.5.15 Luxembourg 34

1.6 Bibliography 35

Part B EU6: THE SIX ORIGINAL MEMBER STATES

2 Federal Republic of Germany 39

2.1 Institutional and historical context 39

2.1.1 Historical overview 39

2.1.2 *Soziale Marktwirtschaft* – some major characteristics 40

2.1.3 Participants in policy formation 45

2.2 Main economic characteristics 47

2.2.1 Population, labour force, employment 47

2.2.2 Growth and business cycles 49

2.2.3 Cost of production and productivity growth 52

2.2.4 Economic structure 53

2.3 Government involvement in the economy 54

2.3.1 Government expenditure and the future role of the state 54

2.3.2 Taxation 55

2.3.3 Public debt 56

2.4 Financial system 57

2.4.1 Structure of financial institutions 57

2.4.2 Monetary policy, interest rates, exchange rates 58

2.5 International relations 59

2.5.1 Foreign trade by country and by industry 59

2.5.2 Balance of payments 60

2.6 Impact of European integration 61

2.6.1 European Economic and Monetary Union (EMU) 61

2.6.2 Subsidiarity versus centralisation and uniformity 61

2.6.3 Competition policy 62

2.6.4 Subsidies and east German reconstruction 62

2.6.5 Trade policy 62

2.6.6 Environmental effects 63

2.6.7 Financial contributions 63

- 2.7 Special issues 63
 - 2.7.1 German unification – a preliminary résumé 63
 - 2.7.2 The ecological challenge – towards sustainable development 67
 - 2.7.3 Improving Germany's attractivity as a business location 69
- 2.8 Future prospects 70
- 2.9 Bibliography and sources of information 71
- 3 France 73**
 - 3.1 Institutional and historical context 73
