Pupils’ and Teachers’ Perspectives  89
  Interpreting and delivering the curriculum  100
Official Perspectives and Discussion  110
  The curriculum — what was to be taught  111
    Implementation of the curriculum  116
  Pedagogies of the Native Schools  117
    Practices which incorporated being Māori  117
    Teacher–pupil relations —‘strict but fair’  119
    High expectations  120
  Implications and significance  123
    National significance of experimentation and innovation: the teaching of reading  124
    Pedagogy and achievement  125
Key Features  127
Vignettes:
  ‘Huia’  128
  Hēmi Hau  131
  John Wark  135
  The Vine Family and Te Waka Maori  139

5. Te Reo Māori and the English Language Policy  141
Pupils’ and Teachers’ Perspectives  141
Official Perspectives and Discussion  157
  Te reo Māori and schooling prior to the Native Schools  158
  The language policies and practices of the Native Schools  161
The Role of Native Schools in the Decline — and Survival — of Te Reo Māori  170

6. The End of Assimilation? ‘Cultural Adaptation’ Policy and Practice  174
Pupils’ and Teachers’ Perspectives  174
Official Perspectives and Discussion

Background to the cultural adaptation policy of the Native Schools

*The British adaptationist policy and its link with anthropology*

Tensions, Contradictions and Implications

---

7. ‘The ‘Laws of Health’ and the ‘Gospel of Soap and Water’

Pupils’ and Teachers’ Perspectives

Clean and healthy bodies

*Extra nourishment*

Clean and healthy buildings and furniture

Teaching and practising the ‘laws of health’

The Native School and community health

Official Perspectives and Discussion

Māori health practices before the Native Schools

*A ‘dying race’?*

Developing a Native Schools policy on Māori health — the role of James Pope

Māori health and the Native Schools after James Pope

1904–32 — under W. W. Bird and J. Porteous

1932–45 — under D. G. Ball and T. A. Fletcher

1946–69 — the final years

Concluding Observations

---

8. Perceptions, Representations, and Politics

Teachers’ and Pupils’ Perceptions

Official Perspectives and Discussion

Discourses of race and civilisation

Race, civilisation and the assimilation policy

Perpetuating discourses of race through the school curriculum

Perspectives on race within the Native Schools system

The Politics of Transfer

Towards transfer of a school

Towards amalgamation

A shift in the debate

The response of the education boards

Community responses to the change

Reflections

Case Studies:

Matakana Island Native School

Ruātoki Native School

Papamoa Native School
9. Conclusions, Engagements and Challenges
   Policies, Practices and Stories 300
   Engagements 303
   A System that Learned 305
   Yesterday's Schools and Tomorrow's Schools 308

Notes 310

Appendices:
1. Glossary of Māori Words 324
2. Native Schools Code 1880 327
3. Qualifications of Native School Teachers 337
4. Statistics on Māori Health in the 1930s 338
5. Research Procedures 339

Bibliography 343
