TEXTBOOK TEXT AS A TOOL FOR PROMOTING CONCEPTUAL CHANGE IN SCIENCE

by

Mirjamaija Mikkilä-Erdmann
## Contents

1 **INTRODUCTION**  
   Conceptual change 9  
   Conceptual change research challenges textbook development 11  
   Conceptual change learning through text- cognitive conflict is not enough 13  
   Conceptual change learning through pictures 14  
   Metaconceptual awareness, conceptual change and learning from text and pictures 18  

2 **AIMS OF THE STUDIES**  

3 **METHODS**  
   Subjects 21  
   An overview of the methodological designs 21  
   Materials and procedures 22  

4 **RESULTS AND GENERAL DISCUSSION**  
   Textbook has an influence on science learning 25  
   Conceptual change text in comparison to the traditional text promotes conceptual change 26  
   Reflections on the quality of the study and questions for future research 26  
   Practical implications 28
