

Industrial Minerals and Extractive Industry Geology

PETER W. SCOTT & COLIN M. BRISTOW (Editors)

Camborne School of Mines, University of Exeter, Redruth, Cornwall, TR15 3SE, UK

Based on papers presented at the combined 36th Forum on the Geology of Industrial Minerals and
11th Extractive Industry Geology Conference, Bath, England, 7th–12th May, 2000

2002

Published by
The Geological Society
London
