Charleston Conference Proceedings 2002

Edited by Rosann Bazirjian and Vicky Speck

Katina Strauch, Series Editor
Preface and Acknowledgments ................................................................. 5

Katina Strauch

Introduction .............................................................................................. 7

Rosann Bazirjian & Vicky H. Speck

Aggregators

Aggregator Gripes: Electronic Resources Pricing Models .......................... 11
Rebecca S. Albitz, The Pennsylvania State University Libraries

Aggregator Gripes: Title Lists ................................................................. 14
Peter McCracken, Serials Solutions

Aggregator Gripes .................................................................................. 17
Allison P. Mays, Millsaps College

Aggregator Gripes .................................................................................. 19
Jeff Slagell, Delta State University

Reference Content and Services in the Digital Library:
Aggregation and Integration? ................................................................. 21
Robert Bolick, Vice-President, New Business Development, McGraw-Hill

Professional

Usage Statistics

Anthony W. Ferguson, University of Hong Kong (HKU)

Electronic Journal Use: A Glimpse into the Future with Information
from the Past and Present ..................................................................... 36
Carol Tenopir, University of Tennessee, and Donald W. King,
University of Pittsburgh

Implications of Electronic Journal Usage Statistics: Conjecture in
the OhioLINK Environment .................................................................. 42
Kent Mulliner, Ohio University Libraries

Project COUNTER: A Progress Report .................................................. 52
Peter T. Shepherd, Oxford University Press

Digital Archiving

Caltech Collection of Open Digital Archives (CODA) .............................. 61
John McDonald, Cal Tech

Dspace and Digital Archives ................................................................. 65
Eileen Gifford Fenton, JSTOR
**Pricing**

- E-Journals Pricing Redux: Perspectives from the Field ........................................71
  
  *Bruce Lyons, The Rockefeller University Press*

- E-Journal Pricing Redux: Perspectives from the Field ........................................73
  
  *Ann Okerson, Yale University*

- E-Journals Redux .................................................................77
  
  *Kathleen Kehoe, Columbia University*
