Foreword xiii
Tristram Besterman

Chapter 1 1
Introduction: The Alderley Edge Landscape Project
A.J.N.W. Prag

Chapter 2 6
The Archaeology of Alderley Edge and the North-East Cheshire Hinterland - A Review
Simon Timberlake

Chapter 3 20
Prehistoric Hunter-Gatherers on Alderley Edge
R..W. Cowell

Chapter 4 33
Archaeological Excavations at Engine Vein, Alderley Edge, 1997
Simon Timberlake and Carolanne King

Chapter 5 58
Stone Mining Tools From Alderley Edge. A re-examination of hammer-stones in the collections of
The Manchester Museum and from archaeological excavations on Engine Vein (1997)
Simon Timberlake
with an Appendix by John Pickin: A Bronze Age axe-hammer from the Alderley Edge copper mines

Chapter 6 79
The Archaeological Excavation of a Roman Mine Shaft and Gallery ('Pot Shaft') at Engine Vein, Alderley Edge
Simon Timberlake and A. Douglas Kidd

Chapter 7 98
The 'Pot Shaft' Hoard: the Controlled Micro-excavation of a Fourth-century Roman Coin Hoard
with Appendices: Appendix 1: List of Contexts by M. Nevell
Appendix 2: Selected List of Coin Small Finds by M. Nevell
Appendix 3: Photographic Catalogue by M. Nevell
Appendix 4: Previous Roman Coins from Alderley Edge by K. Sugden
Appendix 5: Catalogue of Coins from the 'Pot Shaft' Hoard by K. Sugden
Chapter 8
A Topographical and Archaeological Landscape Survey of the AELP Core Area of Alderley Edge, Cheshire, with Additional References to its Hinterland
Simon Timberlake, Tom Burke, Carolanne King and Clare Pye
with an Appendix comprising The National Trust Sites and Monuments Record for Alderley Edge (NTSMR)

Chapter 9
Archaeological Excavation and Conservation at Saddlebole and on the Quarry Road, Alderley Edge
Part 1: Saddlebole Mine and Boundary Bank
Jeremy Milln and Carolanne King
Part 2: Archaeological Excavations at Saddlebole Mine, Alderley Edge
A. Douglas Kidd and Elaine Taylor
Part 3: The Quarry Road, Alderley Edge
Jeremy Milln and Robert Woodside

Chapter 10
Experimental Mining on Alderley Edge
Part 1: A Firesetting and Mining Experiment at Church Quarry in 1997
Simon Timberlake
Part 2: The Manufacture of Stone Mining Hammers: the Record of a Communal Experiment on Alderley Edge
Simon Timberlake and Brenda Craddock

Chapter 11
The Experimental Smelting of Copper Carbonate Ores from Engine Vein, Alderley Edge
Simon Timberlake
with Two Appendices
Appendix 1 by Paul Craddock, Michael Cowell and Nigel Meeks: Report on the scientific examination of materials from an experimental copper smelt at Alderley Edge
Appendix 2 by David Polya and Simon Timberlake: ICP-MS analysis of trace element composition of azurite nodules (ore), azurite ore/fuel mixture, and part-smelted ore ball (1997)

Chapter 12
The Soils of Alderley Edge
D.W. Shimwell

Chapter 13
Geochemical Mapping of Alderley Edge Soils by means of a Portable XRF Analyser (Spectrace - 9000)
Simon Timberlake
with an Appendix by Brian W. Fox and Simon Timberlake: A short note on a field trial of Spectrace 9000 as a means of detecting heavy metal uptake by lichens at mine sites on Alderley Edge

Chapter 14
Chemical Analyses of Pond, Well, Spring and Mine Waters from Alderley Edge
Simon Timberlake and David Polya

Chapter 15
Conclusion: a Summary, and Future Prospects
Simon Timberlake and A.J.N.W. Prag.

Appendix A
Archaeology at Alderley Edge. Interesting Lecture by Mr F.S. Graves.

Appendix B
A palaeoenvironmental record from Adders Moss: evidence for vegetation change and pollution from Alderley Edge.
T.M. Mighall, S. Timberlake, S. Singh and M. Bateman
