CONTENTS

List of Tables, xi
List of Exhibits, xiii
Overview, 1

1  INTRODUCTION, 7
   Overview of Environmental Factors, 7
   Motivation for This Study, 9
   Approach to the Study, 12
   Overview of Conclusions, 13

2  DIVERSITY IN INTERNATIONAL FINANCIAL MARKETS AND ACCOUNTING, 16
   Diversity in National Financial Markets, 16
   Diversity in Accounting, Reporting, and Auditing Practices, 19
   Research Questions, 20

3  LITERATURE REVIEW: CONVENTIONAL WISDOM ABOUT ACCOUNTING AND CAPITAL MARKETS VERSUS STYLIZED EMPIRICAL FACTS, 22
   Security Pricing and Market Efficiency, 23
   Market Diversity, Accounting Information, and Investor Decisions, 25
   Solutions to the Problem of Accounting Diversity, 32
   Summary, 34
4 RESEARCH METHODOLOGY, SURVEY DESIGN AND DATA PREPARATION, 35
Sample Design, 37
Survey Methodology, 38

5 SURVEY FINDINGS, 40
Overview of the Findings, 40
Institutional Investor Responses, 41
Corporate Issuer Responses, 52
Underwriter Responses, 60
Regulator Responses, 65
Other Survey Responses, 69

6 SURVEY CONCLUSIONS, 72
Conclusions Regarding Investors, Accounting Diversity, and Capital Market Effects, 72
Conclusions Regarding Issuers, Accounting Diversity, and Capital Market Effects, 74
Conclusions Regarding Underwriters, Accounting Diversity, and Capital Market Effects, 78
Conclusions Regarding Regulators, Accounting Diversity, and Capital Market Effects, 79
Conclusions Regarding Other Survey Responses, Accounting Diversity, and Capital Market Effects, 80

7 STUDY IMPLICATIONS, 81
Investors, 81
Issuers, 83
Underwriters, 86
Regulators, 88

8 POLICY RECOMMENDATIONS, 90
Harmonization of National Accounting Principles, 93
Reciprocity, 94
Heightened Disclosure, 96
Multiple Principles Capability, 97
Summary, 98

9 SUGGESTIONS FOR FUTURE RESEARCH, 99
Investors and International Accounting Diversity, 101
Issuers and International Accounting Diversity, 103
Market Responses to International Accounting Diversity, 105

Tables, 109
Exhibits, 132
Bibliography, 141
Appendix 1: List of Organizations Interviewed, 147
Appendix 2: Questionnaire, 149
Index, 159
LIST OF TABLES

2. Market Organization and Structure, 110
3. Listing Fees and Other Requirements on Major Stock Exchanges, 112
4. Comparison of International Accounting Principles, 114
5. International Diversity in Auditing Practices, 118
6. Tests of Weak-Form Market Efficiency—A Sample from the French Market, 120
7. Test of Semistrong Form Market Efficiency—Types of Studies by Country, 122
9. Gross Stock Transactions Involving the United States, 125
10. Twenty-Three Coded Items from Each Interview, 126
11. Summary Findings for Investors, Issuers, Underwriters, Regulators, and Others, 127
12. Summary Findings by Country, Size, Experience, Scope of Activity, and Organizational Structure, 128
14. Issuer Characteristics (Size, Experience, and Scope of Operations) and Affect on Decisions, 130
15. Capital Market Effects of Accounting Diversity: Issuers, 131
LIST OF EXHIBITS

1. Price/Earnings Ratio by Country, 132
2. Price/Cash Earnings Ratio by Country, 133
3. Price/Book Value Ratio by Country, 134
4. Stock Price Performance and Accounting Earnings Announcements, United States, 135
5. Stock Price Performance and Accounting Earnings Announcements, Australia, 136
6. Stock Price Performance and Changes in Accounting Techniques, 137
7. Methodology and Survey Design, 138
8. Matrix of Interview Candidates, 139
