LIST OF TABLES

Table 2.1. Conflict among Local Gentry over Control of the Ecclesiastical Administration, 1573–1582 24
Table 2.2. Conflict among Local Gentry over the Exercise of Court-Licensed Patents, 1580–1595 25
Table 2.3. Conflict among Local Gentry over Militia Organization, 1596–1610 26
Table 2.4. Distribution of Land on the Norfolk Land Market: Holding Size by Region over Time 30
Table 2.5a. Distribution of Land on the Norfolk Land Market, 1560–1587: By Region and Holding Size 31
Table 2.5b. Distribution of Land on the Norfolk Land Market, 1588–1616: By Region and Holding Size 32
Table 2.5c. Distribution of Land on the Norfolk Land Market, 1617–1640: By Region and Holding Size 33
Table 2.6a. The Norfolk Land Market, 1560–1587: Flows of Land across Status Categories by Holding Size 35
Table 2.6b. The Norfolk Land Market, 1588–1616: Flows of Land across Status Categories by Holding Size 36
Table 2.6c. The Norfolk Land Market, 1517–1640: Flows of Land across Status Categories by Holding Size 37
Table 2.7. Positions of Categorical Groups Defined by Control over Land and Access to Land, ca. 1540, ca. 1570, and ca. 1620 41
## List of Tables

1. **Table 3.1.** The Categorical Bases for Homogeneity: Status, 1540–1640  
   54
2. **Table 3.2.** The Distribution of Status by Kinship Relations for Aggregate Periods, 1540–1590 and 1590–1640  
   56
3. **Table 3.3.** The Categorical Bases for Homogeneity: Occupation, 1540–1640  
   58
4. **Table 3.4.** Kinship Relations Between Lawyers and Squires, 1615–1640  
   59
5. **Table 3.5.** The Categorical Bases for Homogeneity: Religion, 1540–1640  
   61
6. **Table 3.6.** Distribution of Kinship Ties: Status by Religion, 1540–1640  
   64
7. **Table 3.7.** Distribution of Kinship Ties: Occupation by Religion, 1540–1640  
   66
8. **Table 3.8.** Proportion of Out-County Ties by Attribute, 1540–1640  
   71
9. **Table 3.9.** The Sixteen Possible Elements of Two-by-Two Binary Matrices  
   75
10. **Table 3.10.** Blockmodels of the Local Elite Kinship Network, 1540–1640  
    76–77
11. **Table 3.11.** Reduced Blockmodels and Associated Image Matrices: Local Elite Kinship Networks, 1540–1640  
    78
12. **Table 3.12.** The Structure of Attributes by Aggregate Blocks: Kinship, 1540–1564  
    82
13. **Table 3.13.** The Structure of Attributes by Aggregate Blocks: Kinship, 1565–1589  
    85
14. **Table 3.14.** The Structure of Attributes by Aggregate Blocks: Kinship, 1590–1614  
    89
15. **Table 3.15.** The Distribution of Reflexive Ties and 1-blocks over Time in Norfolk Elite Kinship Networks  
    90
16. **Table 3.16.** The Structure of Attributes by Aggregate Blocks: Kinship, 1515–1640  
    92
17. **Table 3.17.** The Structure of Norfolk Kinship, 1540–1640  
    93
List of Tables

Table 5.1. Patronage of Norfolk County Advowsons, 1550–1640: Appointed Rectors by Patron Category 140

Table 5.2. Career Paths of Rectors through Patrons by Categorical Group, 1550–1640 143

Table 5.3. The Eight Possible Elements for Symmetric Graphs in Two-by-Two Binary Matrices 149

Table 5.4. Blockmodels of the Joint Appointment Network from Religious Patronage, 1550–1640 150–151

Table 5.5. Reduced Blockmodels of the Joint Appointment Network from Religious Patronage, 1550–1640 153

Table 5.6. The Structure of Attributes by Aggregate Blocks: Religious Patronage, 1550–1557 155

Table 5.7. The Structure of Attributes by Aggregate Blocks: Religious Patronage, 1558–1584 158

Table 5.8. The Structure of Attributes by Aggregate Blocks: Religious Patronage, 1585–1609 161

Table 5.9. The Structure of Attributes by Aggregate Blocks: Religious Patronage, 1610–1640 165

Table 5.10. Positions Gentry Occupied in the Civil War 168

Table A.1. Predicting Positions in Local Conflicts: Becon vs. Freake 186

Table A.2. Predicting Positions in Local Conflicts: Patent Disputes 186

Table A.3. Predicting Positions in Local Conflicts: Militia Disputes 187

Table A.4. Gentry Assigned to Positions in Local Conflicts: Becon vs. Freake 188–189

Table A.5. Gentry Assigned to Positions in Local Conflicts: Patent Disputes 190–191

Table A.6. Gentry Assigned to Positions in Local Conflicts: Militia Disputes 192–193

Table A.7. Predicting Positions in the Civil War of 1640 194
