Preface	xiv
Foreword by Leon Brittan and Henning Christophersen	xv
List of Contributors	xvii
1 Opportunities Outweigh Adjustment: The Political Economy of Trade with Central and Eastern Europe <i>R Faini and R Portes</i>	1
1.1 Introduction	1
1.2 The Europe Agreements	2
1.3 Recent Developments in EU-CEEC Trade	3
1.4 Evaluating the Impact of CEEC Trade	6
1.5 Conclusions	16
2 Trade Liberalization with Eastern Nations: How Sensitive?	
<i>D Neven</i>	19
2.1 Introduction	19
2.2 The Politically Sensitive Sectors	20
2.3 The Vulnerable Sectors	26
2.4 The Sensitive and Politically Effective Groups	44
2.5 Conclusion	48
Appendix 2.1 Domestic Resource Costs and Competitive Sectors	50
Appendix 2.2 The Largest Changes in Import Penetration	52
Appendix 2.3 Classification of Sectors According to Factor Intensities	53

3	Comparative Advantage and Likely Trade Pattern of the CEECs	<i>L Halpern</i>	61
3.1	Introduction		61
3.2	The Geographical Pattern of Trade		62
3.3	The Commodity Pattern of Trade		64
3.4	Comparative Advantage		69
3.5	Labour Costs		72
3.6	The Skill Level of Labour and Human Capital		73
3.7	Foreign Direct Investment		80
3.8	Future Trade Pattern		81
4	France and the CEECs: Adjusting to Another Enlargement		86
	<i>O Cadot and J de Melo</i>		86
4.1	Introduction		86
4.2	Recent Aggregate Trade and Investment Flows and Some Projections		89
4.3	France-CEEC Intra-industry Trade Patterns: Little CEEC Penetration in the Sensitive Sectors		94
4.4	The Political Economy of Adjustment: Employment Projections at the Regional Level		99
4.5	A Retrospective Look at France's Adjustment to the Second EC Enlargement		109
4.6	Conclusions		116
	Appendix 4.1 Calculation of Employment Effects at the Regional Level		117
	Appendix 4.2 Intra-industry Trade Indices		118
5	Trade with Central and Eastern Europe: The Case of Greece		123
	<i>S Dimelis and K Gatsios</i>		123
5.1	Introduction		123
5.2	Patterns of Trade between Greece and the CEECs		125
5.3	Foreign Direct Investment in the CEECs and the Role of Greece		145
5.4	Summary and Conclusions		152
	Appendix 5.1 Trade Data		155
6	Trade and Foreign Direct Investment with Central and Eastern Europe: Its Impact on Spain	<i>J Gual and C Martín</i>	167
6.1	Introduction		167
6.2	The Europe Agreements and the Process of Economic Integration between the EC and the CEECs		168
6.3	Evaluating the Impact on Spain of Trade Integration between the CEECs and the EC: Some Simple Considerations		169

6.4	Will Central and Eastern Europe Divert FDI from Spain?	180
6.5	Conclusions	196
7	Liberalization of the European Steel Trade <i>L A Winters</i>	201
7.1	Introduction	201
7.2	The Model	203
7.3	Results	217
7.4	Conclusion: Rationalizing the European Steel Industry	229
	Appendix 7.1 Simulation Results by Region	231
8	The Textiles and Clothing Trade with Central and Eastern Europe: Impact on Members of the EC <i>C Corado</i>	236
8.1	Introduction	236
8.2	Producers' Problems: CEECs	236
8.3	Trade Patterns and Trade Performance	240
8.4	Trade Competitiveness	242
8.5	OPT in Textiles and Clothing	247
8.6	FDI in Textiles and Clothing	252
8.7	Barriers to Trade	255
8.8	Conclusions	262
	Index	269

List of Tables

1.1	Growth rates (%) of imports from the CEECs to the EU-12	4
1.2	Growth rates (%) of exports to the CEECs from the EU-12	5
1.3	Actual (1985–92) changes (%) in trade flows relative to the ‘trade gap’	8
2.1	Actual (1985–92) changes (%) in trade flows relative to the trade ‘gap’	32
2.2	Imports of sensitive products	33
2.3	Vulnerable sectors according to the changes in import penetration at the EC level	34
2.4	Correlation across industries of the change in import penetration	35
2.5	Changes in import penetration – rank correlation across industries	36
2.6	Average Grubell–Lloyd indices	38
2.7	Industry groups according to factor intensities (Germany)	40
2.8	Revealed comparative advantage	41
2.9	Revealed comparative advantage of individual countries	43
2.10	Ranking of NUTS II regions according to the competitiveness indicator	47
2.11	Regional disparities	49
2.12	Competitiveness, unemployment and income	49
2A.1	The most competitive sectors according to the DRC indicators	51
2A.2	Competitiveness and changes in production	52

2A.3	Competitiveness and changes in production – broad categories	52
3.1	Foreign trade structure by regions	63
3.2	Trade structure with EU	65
3.3	Intra-industry and export specialization indices of trade with the EU	67
3.4	Unit value and quantity indices of foreign trade with the EU	70
3.5	Comparison of hourly compensation costs	73
3.6	Real GDP per employee	74
3.7	Educational attainment at age 20 and over in Hungary, 1990	74
3.8	Educational level of the working-age population in Hungary	74
3.9	Working-age population by sex and educational level in Hungary, 1990	75
3.10	Educational attainment of population aged 20 and over in Poland, 1988	75
3.11	Educational attainment of population aged 20 and over in Czech and Slovak Republics, 1980	75
3.12	The ratio of R&D personnel to economically active population	77
3.13	The ratio of scientists and engineers to R&D personnel	77
3.14	Share of R&D expenditure in GNP	78
3.15	R&D expenditure per number of researchers	78
3.16	Patents granted in the United States, 1988–92	79
3.17	Stock of FDI in CEECs	80
3.18	Obstacles for FDI in Central and Eastern Europe	82
3.19	Flow of FDI into CEECs by OECD countries	82
3.20	FDI in CEECs by country	82
3.21	FDI in CEECs by industry	83
4.1	EC trade with Eastern Europe	90
4.2	France's trade with Eastern Europe	91
4.3	French direct investment in the CEECs	92
4.4(a)	Extra-EC market shares by products (%), French imports, 1992	96
4.4(b)	Extra-EC market shares by products (%), French exports, 1992	96
4.5	France–CEECs intra-industry trade indices	97
4.6	French imports and exports in sensitive sectors	98
4.7	Job creation and destruction, gravity-based simulation	102
4.8	Job creation and destruction, historical simulation	105
4.9	French imports from and exports to Spain	115

5.1(a)	Potential and actual exports of Greece and the EU-11 to the CEECs in 1989	132
5.1(b)	Potential and actual exports of the CEECs to Greece and the EU-11 in 1989	132
5.2	NACE-CLIO classification at a three-digit level	137
5.3	Greece-CEEC-5: intra-industry trade	140
5.4	Greece-CEEC-6: specialization indices	144
5.5	Cumulative FDI in the CEEC-6	146
5.6	Cumulative Greek FDI in the Balkan countries (except the former Yugoslavia)	148
5.7	FDI in Romania, 1990-4	148
5.8	Geographical distribution of cumulative FDI in Romania by 1994-1Q	149
5.9	Cumulative FDI in Romania by the ten major foreign partners (1994-1Q)	150
5A.1	Greece-EU: trade	155
5A.2	Greece-CEEC-6: trade (aggregated)	156
5A.3	EU-11-CEEC-6: trade (aggregated)	156
5A.4	Greece-CEEC-6 (geographical distribution)	157
5A.5	EU-11-CEEC-6 (geographical distribution)	159
5A.6	Greece-CEEC-5: sectoral distribution (%) of Greek exports and imports	161
5A.7	Greece-CEEC-5: average growth rates (%) of Greek exports and imports	162
5A.8	Greece-CEEC-5: balance of trade by NACE-CLIO R.25	163
5A.9	Greece-EU: sectoral distribution (%) of Greek exports and imports (SITC)	164
6.1	<i>Ceteris paribus</i> effects of Europe Agreements on Spanish trade flow prices	170
6.2	Geographical structure of Spanish trade flows	173
6.3	Share of CEECs in Spanish trade by sectors	174
6.4	Intra-industry trade in Spain-CEEC bilateral trade flows	176
6.5	Specialization index of Spanish and CEEC exports to the EU	179
6.6	Total content (direct and indirect) of capital, labour and human capital in one million pesetas of imports and exports (1989)	181
6.7	Locational factors for FDI	182
6.8	FDI by country of immediate and final origin	188
6.9	Factors of geographical concentration of FDI in Spain	189
6.10	Unit labour costs in Spain and alternative EC locations (1985-92)	191
6.11	Market access in Spain and some CEECs	193

6.12	Comparison of the export potential to EU and EFTA markets by Spain and Poland	194
6.13	Hungary and Spain, selected indicators	195
7.1	The geographical classification	205
7.2	Elasticities in the base runs	208
7.3(a)	Sales matrix, flat products	210
7.3(b)	Sales matrix, long products	211
7.4	Estimated costs of production for steel in Europe	212
7.5	Transportation costs, 1992	213
7.6	Tariffs and tariff-equivalent of price minima	216
7.7	Correcting production distortions	218
7.8	Summary results for flat products	220
7.9(a)	Sensitivity for flat products: optimal mix plus full-cost recovery	224
7.9(b)	Sensitivity for flat products: removing EU and EFTA barriers to CEEC sales	225
7.10	Summary results for long products	227
7.11	Full Europe Agreements, long and flat products	229
7A.1	Moving to optimal factor mixes	231
7A.2	Optimal factor mixes plus full-cost recovery	232
7A.3	Removing all EU and EFTA barriers to CEEC sales	232
7A.4	Full Europe Agreements	233
7A.5	Removing EU and EFTA barriers to CEEC exports – long products	233
7A.6	Full Europe Agreements – long products	234
7A.7	Removing all EU and EFTA barriers to CEEC sales – long and flat products	234
8.1	Market shares in industrial countries' imports, 1992	241
8.2	Trade performance of CEECs in Western markets, 1989–92	242
8.3	EC and EFTA share of OECD's exports to CEECs	243
8.4	Trade overlapping indicators	244
8.5	Averages of multilateral index numbers of CEEC, EC and EFTA producers, 1991 and 1992	245
8.6	EC-OPT imports from CEECs, MFA clothing only	248
8.7	EC-OPT in textiles and clothing, 1992	249
8.8	Origins of OPT operations	250
8.9	Exports of clothing after IPT operations in Portugal	251
8.10	FDI in Portugal	254
8.11	Import coverage ratios: the ongoing liberalization	258
8.12	Indicators of trade restrictiveness	259
8.13	Binding quotas, ongoing liberalization	260
8.14	The protective instruments firms face	261

List of Figures

2.1	Trade flows with Eastern countries in the manufacturing sector	30
3.1	Hourly compensation costs in US dollars for production workers in manufacturing	72
4.1	GDP per capita (EC average)	111
4.2	French direct investment in Spain and Portugal, 1983–92	113
5.1	Greece–RoW: average growth rates of Greek exports and imports	125
5.2	Greece–EU-11: average growth rates of Greek exports and imports	125
5.3	Greece–CEEC-6: average growth rates of Greek exports and imports	126
5.4	EU-11–CEEC-6: average growth rates of EU-11 exports and imports	126
5.5	Greece–CEEC-6: shares of (a) Greek exports and (b) Greek imports. EU-11–CEEC-6: shares of (c) EU-11 exports and (d) EU-11 imports	128
5.6	Greece–CEEC-6: average growth rates of (a) Greek exports and (b) Greek imports. EU-11–CEEC-6: average growth rates of (c) EU-11 exports and (d) EU-11 imports	130
5.7	Greece–CEEC-5: Greek export shares	135
5.8	Greece–CEEC-5: Greek import shares	135
5.9	Greece–CEEC-5: average growth rates of Greek exports and imports, 1989–92	136
5.10	Greece–CEEC-5: Greece’s balance of trade by sector	136
5.11	Greece–CEEC-5: revealed comparative advantage	141
5.12	EU-11–CEEC-5: revealed comparative advantage	143

6.1	RCA Spain–CEECs	175
6.2	RCA Spain–EU-11	177
6.3	RCA CEECs–EU-11	178
6.4	FDI data by source (1986–92)	185
6.5	FDI in Spain	187
6.6	FDI in Spain by type of investment	187
6.7	FDI by country of origin	187
6.8	FDI in Spain by industry	188
8.1	Relative unit labour costs in Poland and Portugal	238
