1 An overview of SMEs in Europe and the USA	26
<i>Theories on comparative advantages of large firms vs. SMEs</i>	26
<i>Number of SMEs in Europe and the USA</i>	28
<i>Business start-ups in Europe and the USA</i>	31
<i>Business failures in Europe and the USA</i>	38
<i>Small business employment in Europe and the USA</i>	42
<i>Economic impact of SMEs</i>	44
<i>Financing of SMEs</i>	45
<i>Conclusions on SME development</i>	46
<i>Notes</i>	49

2	Private equity and venture capital in Europe and the USA	50
	<i>What are the sources of US leadership and what does leadership imply for SMEs? 51</i>	
	<i>On US angel and venture capital activity 52</i>	
	<i>Angel and VC activity in Europe 68</i>	
	<i>Conclusion: common denominators and differences 83</i>	
	<i>Notes 88</i>	
3	Markets for SME publicly quoted stocks in Europe and the USA	89
	<i>Overview of small-cap growing pains in Europe and the USA 92</i>	
	<i>SME equity markets in the US and Europe compared 98</i>	
	<i>Small-cap regulatory requirements 112</i>	
	<i>The Neuer Markt: the next NASDAQ? 115</i>	
	<i>Further analysis and prospects for small-cap exchanges 119</i>	
	<i>Conclusion: on culture, taxes and cycles 121</i>	
	<i>Notes 125</i>	
4	Institutional policy towards SMEs in Europe and the USA	127
	<i>Tax and savings policies: EU and US 128</i>	
	<i>The United States 135</i>	
	<i>SME policy in Europe 139</i>	
	<i>Case study: the EU Commission's structural fund donations 150</i>	
	<i>Executives' perceptions of government obstacles to success 158</i>	
	<i>Conclusions 161</i>	
	<i>Notes 165</i>	
5	SME development and constraints: comparisons within the EU	167
	<i>On SMEs and wealth levels in the EU 169</i>	
	<i>On SMEs and the size of EU states 175</i>	
	<i>On SMEs and employment in the EU 179</i>	
	<i>Homing in on larger SMEs measured by employment and turnover 180</i>	
	<i>Opinions of SME representatives on capital and financing 183</i>	
	<i>Policy trends towards SMEs in the EU: specific cases 184</i>	
	<i>Notes 189</i>	

6	Private equity and venture capital in the European Union	191
	<i>A comparative overview of VC industries</i>	194
	<i>Europe's largest markets: the UK, France and Germany compared</i>	198
	<i>Southern Europe compared: Italy, Spain, Greece and Portugal</i>	206
	<i>Markets in northern Europe</i>	210
	<i>Other dynamic continental markets</i>	212
	<i>Conclusion</i>	215
	<i>Notes</i>	216
7	Capital markets in the European Union	218
	<i>European exchanges: an overview of a dispersed market</i>	219
	<i>Highlights within two countries: the UK and Germany</i>	227
	<i>Highlights of other large markets</i>	232
	<i>Conclusion</i>	237
	<i>Notes</i>	240
	<i>Conclusions</i>	242
	<i>Glossary</i>	250
	<i>Index</i>	254

Figures

I.1	Institutional investor base (1996) (percentage GDP)	3
I.2	Size of institutional investor base (1996) (US\$)	4
I.3	Pension fund assets (1996) (percentage GDP)	5
I.4	Increase in size of institutional investor base (1990–6)	6
I.5	Per capita income – Europe and the USA (1997) (US\$)	8
I.6	Per capita income – Europe and the USA (1997) (US\$)	8
I.7	Average annual change in GDP (1990–8)	9
I.8	US and EU Internet revenue forecast (1998–2003) (US\$ trillion)	10
I.9	Number of companies by major sector – Italy vs. Germany, the UK and France (1995)	12
1.1	Rate of growth in number of SMEs (1993–7) (percentage)	29
1.2	Europe NASE density (1995) (per '000 capita)	31
1.3	Europe SME density (1995) (per '000 capita)	32
1.4	US SME density (1996) (per '000 capita)	32
1.5	European business start-up activity (1995) (percentage stock)	33
1.6	European NASE start-up activity (1995) (percentage stock)	34
1.7	US business start-ups by region (1995) ('000s)	36
1.8	US business start-ups by sector (1995)	36
1.9	EU business start-ups by sector (1995)	37
1.10	High growth companies in the EU and the USA (1998/9) (percentage total)	37
1.11	EU combined NASE and SME start-ups (1995) (percentage stock)	39
1.12	European combined NASE and SME failure activity (1995) (percentage stock)	39
1.13	US business failure activity by region (1995) (per 10,000 businesses)	40
1.14	US business failure activity by sector (1995) (per 10,000 businesses)	41
1.15	US all-business failure profile (1995)	41

1.16	EU NASE and SME employment by country (1995)	43
1.17	EU share of turnover by country (1995)	45
1.18	Debt–equity ratios for German SMEs (1994) (percentage)	46
2.1	Private equity under management by country (1998)	53
2.2	Capital under management (1979–99) (US\$ billion)	54
2.3	US accumulated capital commitments by type (1979–99) (percentage)	55
2.4	US capital commitments by type (1999) (percentage)	56
2.5	Distribution of firms by capital managed (1999) (US\$ million)	57
2.6	Capital under management by major state (1999) (US\$ billion)	58
2.7	Northern California venture capital investments (1996–9) (US\$ billion)	59
2.8	Companies funded in Northern California by year (1995–9)	60
2.9	Capital commitments by location (1999) (percentage)	60
2.10	Investments by region (1980–99) (percentage)	61
2.11	Investments by stage (1990–8) (percentage)	62
2.12	Investments by stage (1999) (US\$ billion)	63
2.13	Investments by sector (1999) (US\$ billion)	63
2.14	European new funds raised (1989–99) (€ billion)	69
2.15	New funds raised by country (1999) (€ billion)	69
2.16	Private equity raised by type of investor (1999) (percentage)	70
2.17	Geographic origin of new funds raised (1998–9) (€ billion)	71
2.18	Change in source of new funds raised (1995–9) (€ billion)	71
2.19	European investments by stage (1995–9) (percentage)	72
2.20	UK investments by stage (1999) (percentage)	73
2.21	Growth in amount invested (1995–9) (percentage)	73
2.22	Investment by country (1998–9) (€ billion)	75
2.23	Syndication of investments (1995–9) (€ billion)	76
2.24	Divestments (1995–9) (€ billion)	81
2.25	European investment portfolio (December 1999) (€ million log scale)	82
2.26	Private equity under management per capita (1999) (€)	82
3.1	Percentage of exchanges with a separate SMB market (1999)	91
3.2	Gross annual return by asset (1926–95)	93
3.3	NASDAQ Composite and Russell 2000 indices (1990–2000)	94
3.4	NASDAQ Composite and Russell 2000 indices (1990–2000)	95
3.5	S&P 500 core growth shares (1996–9)	95
3.6	US exchange IPO activity (1990–2000)	96

x *Figures*

3.7	London Stock Exchange delistings (1997–9)	98
3.8	NASDAQ market makers (2000)	100
3.9	NASDAQ IPOs (1990–2000)	100
3.10	NASDAQ IPOs – number and average offering value (1990–2000)	101
3.11	Average company market capitalisation (December 2000) (€ million)	106
3.12	Turnover ratio (2000)	106
3.13	NASDAQ research analyst coverage (April 1999)	113
