Future opportunities and threats 122
Creating future success 124
Conclusions 128

8 The Future of ICT Industries in Scotland: Towards a Post-branch Plant Economy? 130
Ross Brown
Introduction 130
The evolution of ‘Silicon Glen’ in Scotland 130
An overview of the current ICT sector in Scotland 131
Cluster analysis of the electronics sector 134
SWOT analysis of Scotland’s electronics industry 137
Key strategic trends and issues for the future 142
Policy implications 144
Conclusions 145

9 Financial and Business Services 149
Jeremy Peat
Introduction 149
Statistical description 150
Multiplier and head office impacts 155
Business services – key issues and challenges for the sector in Scotland 158
The financial sector and the Scottish economy 159

10 The Scottish Food and Drink Industry 165
Susan A. Shaw and Jonathan Tait
Introduction 165
The Scottish food and drink industry 165
External challenges and the Scottish food and drink industry 168
The pace of development by sector 1992–1998 169
Evolving business structures 174
Competitive position of Scottish food and drink 175
The food cluster strategy 177

11 A Vision of Tourism in 2020 182
Brian Hay
Introduction 182
Overview of world tourism 182
Tourism to the UK and Scotland  
Review of past data trends  
Review of key trends affecting the growth of tourism in Scotland  
A 2020 scenario for tourism in Scotland  
Strategic implications for the development of tourism in Scotland  
Policy implications for the development of tourism  

12  The Energy Industry  
Stephen Boyle  
Introduction  
Defining the scope of the sector  
Energy and the Scottish economy  
Economic characteristics of the energy sector  
Strategic trends and issues – looking to 2020  
Competition policy and economic regulation  
The future of oil and gas  

Part III  Corporate Scotland: Established and New Firm Strategies

    Stephen Young and Ross Brown
    Introduction and context 261
    Scotland’s performance in the global knowledge economy 263
    The ‘international’ policy of Scottish Enterprise and the Scottish Executive 273
    Policy conclusions 275
    Conclusions 277

16  Strategic Partnership and the Future of Clusters in Scotland 280
    Ewen Peters
    Introduction and context 280
    Developing and implementing the cluster approach 280
    The future of the cluster approach 285
    Conclusion 290

17  Commercialising Scottish Knowledge 296
    Charlie Woods
    Introduction 296
    Knowledge and place 297
    What drives the knowledge commercialisation? 302
    Key challenges for Scotland 305
    Recent Scottish policy and initiatives 306
    The impact of commercialisation initiatives 310
    Looking forward to 2020 311

18  Economic Governance and the Scottish Economy: 1980–2020 313
    John R. Finn
    Corporate Governance and Economic Development 314
    Post-1975 economic governance in Scotland 316
    Key business and industrial governance issues 323
    Scottish economic governance to 2020 327
19 Networks and Relationships: The Scottish Diaspora 331
   Alf Young
   Population and growth 331
   Images of Scotland 336
   Tapping into the Scottish diaspora 337

Part V The Future of the Scottish Economy: International Perspectives 341

20 Conclusions 343
   Neil Hood, Jeremy Peat, Ewen Peters and Stephen Young
   Introduction 343
   Recurring themes 344
   The shape of Scotland in 2020 349
   Concluding remarks 353

Index 354
# List of Tables

3.1 Scotland’s manufactured exports – percentage share (1999) 33  
3.2 Scotland’s manufactured exports by destination (1999) 33  
3.3 Regional selective assistance grants (2000–2001) 37  
3.4 Allocations to Scotland from the EU structural funds (2000–2006) 42  
4.1 Population (between ages of 25 and 64) that has attained a degree, diploma, or equivalent 54  
5.1 Wage premium for different types of school education/area of work 75  
5.2 Share of temporary jobs 82  
5.3 Distribution of highest qualification of labour market participants 83  
6.1 Number of organisations (and jobs) in the Scottish biotechnology cluster 94  
6.2 Number of drugs in clinical trials (Phase 1–4) 95  
6.3 Annual change in biotechnology companies and employment (2000/2001) 96  
7.1 Employment in the creative industries (1998) 114  
8.1 Leading companies in Silicon Glen 132  
8.2 Indices of output (1993–1997): by electronic groups and total manufacturing index values (1995 = 100) 133  
8.3 The cluster’s main characteristics 136  
9.1 Scottish GDP: gross value added at basic prices by category of output 151  
9.2 Number of enterprises with Scottish employment and their total Scottish employment for financial and business services (November 1997, 1998 and 1999) 153  
9.3 Scotland business services sector exports (1997–1999) 154  
9.4 Scotland financial services sector exports (1997–1999) 155  
10.1 Manufacture of food products, drinks and tobacco (1998) 167  
10.2 Sales by Scottish food and drink manufacturers 1998 – percentages to different destinations 168  
10.3 Scottish food manufacturers and changing downstream food supply chains 170  
10.5 The action goals 178
11.1 International tourism in the 1990s 183
11.2 The UK share of world overseas tourist trips 183
11.3 English residents holiday tourism in Scotland 184
11.4 Scottish residents holiday tourism in Scotland and holiday spend overseas 184
11.5 Overseas tourism in Scotland 185
11.6 Employment in tourism-related industries in Scotland ('000) 186
11.7 Tourism businesses in Scotland 186
11.8 Long-term data on tourism spending in Scotland (£million) 187
11.9 Growth in tourism in selected destinations (trips million) 188
12.1 Gross value added, Scotland (1998) 202
12.2 Structure of demand, Scotland (1998) 202
12.3 Employment in energy, Scotland (1998) 203
12.4 Unit costs of fields at 2000 prices 210
13.1 Top Scottish companies (turnover >£0.5 billion) 218
13.2 Top 15 US companies (turnover >$0.5 billion) 223
13.3 Industry composition of the largest 100 TNCs for 1999 225
15.1 Scorecard for Scotland in the global knowledge economy 265
15.2 Policies and institutions for international development 274
15.3 Policy guidelines for Scotland in the global knowledge economy 276
16.1 Examples of main first year achievements against cluster action plans 284

Appendix 10.1 Companies mentioned in Chapter 10 181
## List of Figures

4.1 Average annual GDP growth (1985–2001) ........................................... 51
4.2 Average annual rate of unemployment – ILO-based measure (1991–1999) ................................................................. 52
