Series Foreword xxxi
Preface xv
Contributors xvii

1 An Introduction to Situational Judgment Testing 1
Jeff A. Weekley and Robert E. Polyhart

I Theory

2 Making Sense of Situations 13
Theodore L. Gessner and Richard J. Klimoski

3 Can Good Judgment BeMeasured? 39
Margaret E. Brooks and Scott Highhouse

4 A Theoretical Basis for Situational Judgment Tests 57
Stephan J. Motowidlo, Amy C. Hooper, and Hannah L. Jackson

5 The Predictor Response Process Model 83
Robert E. Ployhart

6 Using Situational Judgment Tests to Measure Practical Intelligence 107
Steven E. Stemler and Robert J. Sternberg

II Measurement

7 Situational Judgment Tests: Method or Construct? 135
Neal Schmitt and David Chan
III Application

12 Multimedia Situational Judgment Tests: The Medium Creates the Message
Julie B. Olson-Buchanan and Fritz Drasgow 253

13 International Situational Judgment Tests
Filip Lievens 279

14 Enhancing the Design, Delivery, and Evaluation of Scenario-Based Training: Can Situational Judgment Tests Contribute?
Barbara A. Fritzsch, Kevin C. Stagl, Eduardo Salas, and C. Shawn Burke 301

15 Situational Judgement in Work Teams: A Team Role Typology
Troy V. Mumford, Michael A. Campion, and Frederick P. Morgeson 319

16 Situational Judgment: Some Suggestions for Future Science and Practice
Robert E. Ployhart and Jeff A. Weekley 345
