# Table of Contents

## Chapter 1

### The Labor Market

- **The Labor Market and the Economy** 2
- **Unique Features of the Labor Market** 4
- Labor Is Embodied in the Seller 4
- The Long-Term Nature of the Employment Relationship 5
- Heterogeneity of Workers and Jobs 6
- The Multiplicity of Markets 7

### Labor Market Outcomes

- The Changing Level and Composition of Labor Supply 8
- The Changing Level and Composition of Labor Demand 9
- The Structure of Earnings 11
- Labor-Management Relations and Collective Bargaining 12
- Changes in the Level and Composition of Unemployment 14

### The Labor Market Process

- Market Forces 15
- Institutional Forces 20
- Sociological Forces 22

### The Evolution of Labor Market Theory

- The Neoclassical School 27
- The Institutional School 29

### The Importance of Theory and Hypothesis Testing

*IN THE NEWS* Different Views on the Merits of Ergonomics Standards 33

### The Importance of Theory for Public Policy

*EMPIRICAL EVIDENCE* 1-1 The Market for Teachers 36

### Summary

Review Questions 39

## Chapter 2

### Hours of Work

- The Pattern of Hours of Work 43
- The Theory of the Labor/Leisure Choice 45
| Preferences and Indifference Curves | 46 |
| Wages, Income, and the Budget Constraint | 50 |
| The Equilibrium Hours of Work | 52 |
| Hours of Work and Changes in Nonlabor Income | 54 |
| Hours of Work and Changes in Wage Rate | 56 |
| **IN THE NEWS Institutions, Economics, and Preferences** | |
| Determining Hours of Work | 58 |
| A Graphic Derivation of Income and Substitution Effects | 59 |
| The Supply Curve of Labor | 61 |
| **Income Maintenance Programs and Labor Supply** | 62 |
| Types of Income Transfer Programs | 62 |
| TANF: The Successor to AFDC | 64 |
| TANF and Hours of Work | 64 |
| Effect of TANF on Labor Supply | 65 |
| Income and Substitution Effects | 67 |
| Issues in Welfare Reform | 67 |
| **IN THE NEWS The Transition from Welfare to Work Has Many Hurdles** | 68 |
| **Qualifications to the Labor/Leisure Model** | 70 |
| Employer-Mandated Work Schedules | 70 |
| **IN THE NEWS Are Americans Overworked?: Conflicting Evidence** | 73 |
| Time and Money Costs of Working | 75 |
| Fixed Time Costs | 75 |
| Monetary Costs | 76 |
| **The Time-Series Pattern of Hours of Work** | 77 |
| The Process of Hours Reduction | 79 |
| The Role of Market Forces | 79 |
| The Role of Institutional Forces | 80 |
| The Slower Decline of Work Hours in the Postwar Period | 81 |
| The Growth of Paid Time Off | 82 |
| Increase in Leisure over the Life Cycle | 82 |
| Other Factors | 83 |
| The Recent Increase in Work Hours | 83 |
| Changing Age Profile | 84 |
| Decline in Real Wages and Changes in Consumption Patterns | 84 |
| Moonlighting | 84 |
| **POLICY APPLICATION 2-1 Supply-Side Economics and Labor Supply** | 85 |
| Graphic Analysis | 85 |
Chapter 3  
**Labor Force Participation**  

**Definition and Measurement of the Labor Force**  

*IN THE NEWS The Work Force 2000+:  
  The Challenge Facing Employers*  

**Patterns in Labor Force Participation**  

**The Decision to Work**  

Participation and Changes in the Market Wage Rate  
Participation and Changes in Nonlabor Income  

**A Household Model of Labor Supply**  

The Division of Labor by Gender  
The Convergence in Participation Rates  

*IN THE NEWS The Changing American Family*  

Time Allocation: An Extension to the Household Model
Changes in Participation over Time 132
The Decline in Male Participation Rates 132
   The Life Cycle Allocation of Time 132
   Social Security and Private Pension Plans 134
   The Growth in Disability Benefits 137
   Decreased Demand for Low-Skilled Workers 138
The Increase in Female Participation Rates 138
   Fertility 140
   Education 142
   Advancement of Living Standards 143
   Increased Job Opportunities for Women 145
   Changing Social Attitudes 145
A Bargaining Model of Family Labor Supply 148
