BASIC LIGHTING
WORKTEXT FOR
FILM AND VIDEO

RICHARD K. FERNCASE, MFA

Focal Press
Boston London
CONTENTS

Preface and Acknowledgments xiii

CHAPTER ONE THE VISIBLE SPECTRUM 1

Introduction 1
The Electromagnetic Spectrum 1
White Light 2
Specular and Diffused Light 2
Properties of Light 2
  Reflection 2
  Absorption 3
  Transmission 3
  Refraction 3
Self-Study 4
Project 1.1: Splitting White Light 5
Project 1.2: Properties of Visible Light 6

CHAPTER TWO FILM AND EXPOSURE 7

Introduction 7
How Film Works 7
Negative and Reversal Films 7
Sensitometry 7
Exposure Index 8
The Characteristic Curve 8
  Film Speed 8
  Latitude 9
Pushing Film 9
Flashing Film 9
Reciprocity 9
Film Storage 9
Self-Study 10
Project 2.1: Using Fast and Slow Films 12

CHAPTER THREE USING ELECTRICITY 14

Introduction 14
Elements of Electricity 14
Electrical Units 14
Direct Current 14
Circuits 15
Fuses and Circuit Breakers 15
Resistance, Voltage Drop, and Color Temperature 16
Cables and Connectors 16
Self-Study 17
Project 3.1: Location Preview—Determining Electrical Loads 19
CONTENTS

Open-Faced Fixtures 40
Prime and Compact Fixtures 40
Scoop and Broad Fixtures 40
Softlight Fixtures 41
Background Fixtures 41
Safety Precautions 42
Lighting Accessories 42
Fixture-Mounted Accessories 42
Gobos 43
Reflectors 45
Other Accessories 46
Expendables 47
Self-Study 48
Project 6.1: Qualities of Various Fixtures and Accessories 49

CHAPTER SEVEN MEASURING LIGHT INTENSITY 51
Introduction 51
Photometry 51
Incident Light 51
Lumens and Watts 51
The Inverse Square Law 51
Reflected Light 52
The Exposure Meter 52
Light Meter Designs 53
Reflected Light Meters 53
Spot Meters 53
Through-the-Lens Meters 53
Incident Meters 54
Care and Feeding of Light Meters 55
Self-Study 55
Project 7.1: Interpreting Reflected Meter Readings 57

CHAPTER EIGHT MANIPULATING LIGHT: DIRECTION AND BALANCE 60
Introduction 60
The Key Light and Key Light Placement 60
Front-Back Key Placement 61
High-Low Key Placement 61
Hard-Soft Key Quality 61
Balance 62
Measuring the Lighting Ratio 62
The Separation Light 63
The Background Light 63
Self-Study 64
Project 8.1: Setting Light Ratios 66

CHAPTER NINE LIGHTING CONCEPTS IN PRACTICE 70
Introduction 70
Lighting Style 70
High-Key Lighting 70
Low-Key Lighting 70
Modulated Value Lighting 70

**CHAPTER TEN LIGHTING IN THE STUDIO**

| Project 10.1: The Limbo Effect                                | 80 |
| Day Interiors                                                 | 81 |
| Lighting Designs                                              | 81 |
| Project 10.2: High-Key Living Room—Afternoon                 | 82 |
| Project 10.3: Bedroom Side Lighting—Early Morning             | 83 |
| Night Interiors                                               | 83 |
| Project 10.4: The Night Office                                | 83 |
| Project 10.5: Living Room Cross-Key Lighting—Evening          | 84 |
| Night Exteriors                                               | 85 |
| Project 10.6: Moonlit Night by a Campfire                     | 86 |

**CHAPTER ELEVEN LIGHTING ON LOCATION**

| Project 11.1: Lighting a Daylight Exterior                    | 89 |
| Night Exteriors                                              | 90 |
| Day-for-Night                                                 | 90 |
| Night-for-Night                                               | 90 |
| Using Ambient Sources                                         | 90 |
| Project 11.2: Night Exterior—Sidewalk on a Residential Street | 91 |
| Day Interiors                                                 | 92 |
| Project 11.3: Balancing Sources in a Daytime Office           | 92 |
| Pre-Rigging                                                   | 94 |
| The Location Lighting Grid                                    | 94 |
| Lighting a Controlled Group                                   | 94 |
| Project 11.4: Lighting a Controlled Group (Table)             | 94 |
| Lighting in the Real World                                    | 96 |

| Appendix A: Filters for Light Balancing and Color Compensating| 97 |
| Appendix B: Some Additional Rosco Filters for Special Applications| 99 |
| Glossary                                                      | 101 |
| Bibliography                                                  | 109 |
