SHORT AND LONG TERM EFFECTS OF BREAST FEEDING ON CHILD HEALTH

Edited by

Berthold Koletzko
University of Munich
Munich, Germany

Kim Fleischer Michaelsen
The Royal Veterinary and Agricultural University
Frederiksberg, Denmark

and

Olle Hernell
University of Umeå
Umeå, Sweden

Kluwer Academic/Plenum Publishers
New York, Boston, Dordrecht, London, Moscow
Short and long term effects of breast feeding on child health / edited by Berthold Koletzko, Kim Fleischer Michaelensen, and Olle Hernell.
p. cm. -- (Advances in experimental medicine and biology ; v. 478)
"Proceedings of the 9th International Conference of the International Society for Research in Human Milk and Lactation (ISRHLML), held October 2-6, 1999, in Bavaria, Germany."
Includes bibliographical references and index.

Proceedings of the 9th International Conference of the International Society for Research in Human Milk and Lactation (ISRHLML), held October 2-6, 1999, in Bavaria.
