# TABLE OF CONTENTS

Foreword ............................................................... vii  
Preface ................................................................. ix  
Table of Cases ......................................................... xxvii  
Table of Statutes ....................................................... xliii  
Table of Statutory Instruments .................................... lvii  

1 THE PLANNING AUTHORITY ........................................ 1  
1.1.1 Definition and functions of the planning authority ..... 1  
1.1.2 The Planning Register ........................................ 3  
1.1.3 Contents of Planning Register ............................... 4  
1.2 Powers, functions and duties of the planning authority .. 5  
1.2.1 The doctrine of *ultra vires* ................................. 5  
1.2.2 Executive and reserved functions ........................... 7  
1.2.3 Ancillary powers of planning authority .................... 8  
1.2.4 Powers under the Local Government Act 1991 ........... 9  
1.2.5 Policy directives and guidelines .......................... 10  
1.3 Development by the planning authority ..................... 10  
1.3.1 Development powers ........................................ 10  
1.3.2 Cables, wires and pipelines ............................... 12  
1.3.3 Application of exempted development provisions to local authority development ............................ 12  
1.3.4 Local authority development to which notification requirements apply .................................. 14  
1.3.5 Categories of development to which notification requirements do not apply ......................... 15  
1.3.6 Notice of proposed development ........................... 15  
1.3.7 Report and decision of authority .......................... 17  
1.3.8 Environmental impact assessment ........................ 18  

2 THE DEVELOPMENT PLAN .......................................... 20  
2.1 Plan preparation ............................................... 21  
2.1.1 Obligations to make and review development plan ....... 21  
2.1.2 Contents of plan ............................................ 21  
2.1.3 Road Development and the development plan .......... 23  
2.1.4 Notification requirements .................................. 24  
2.1.5 “Material alteration” ........................................ 26  
2.2 Adoption and implementation of plan ........................ 27
2.2.1 Adoption of plan .................................................. 27
2.2.2 "Rezoning" ......................................................... 27
2.2.3 Powers of the Minister in relation to development plans and planning policy ................................................. 28
2.2.4 Constitutionality of development plans and "Down-zoning" ................................................................. 29
2.2.5 Interpretation of development plans .......................................................... 30
2.2.6 Extent to which development plans are binding in the determination of planning applications ................................................. 32

2.3 The plan and Local Authority development ................................................................. 33
2.3.1 Planning authority cannot effect development in material contravention of its own development plan ................................................. 33

3 PRESERVATION OF AMENITY ................................................................. 38
3.1.1 Planning agreements ................................................................. 38
3.1.2 Special amenity area orders ................................................................. 39
3.1.3 Tree preservation orders ................................................................. 41
3.1.4 Planting of trees, shrubs and other plants ................................................................. 43
3.1.5 Notices requiring the removal or alteration of a hedge ................................................................. 43
3.1.6 Conservation orders ................................................................. 44
3.1.7 Public rights of way ................................................................. 45
3.1.8 Repair and tidying of advertisements ................................................................. 46
3.1.9 Licences for petrol pumps, cables, wires, pipelines and other structures on public roads ................................................................. 47
3.1.10 Revocation or modification of permission ................................................................. 48
3.1.11 Designation of areas for environmental protection ................................................................. 49
3.1.12 Listed buildings ................................................................. 50
3.1.13 Objects of archaeological, geological or historical interest ................................................................. 50
3.1.14 Enforcement of open spaces ................................................................. 51

4 DEVELOPMENT ................................................................. 53
4.1 Statutory definitions of development ................................................................. 53
4.1.1 “Works” and “use” ................................................................. 53
4.1.2 Specific situations ................................................................. 55
4.1.2.1 Sub-division of dwellings ................................................................. 56
4.2 Material change of use ................................................................. 57
4.2.1 Approach of the courts ................................................................. 57
4.2.2 Difference of approach between U.K. and Irish decisions ................................................................. 57
4.2.3 The qualitative approach ................................................................. 58
4.2.4 Material for planning purposes ................................................................. 60
## Table of Contents

4.2.5 Relevance of development plan ........................................ 61
4.2.6 “Judicial zoning” ....................................................... 62

4.3 **The planning unit** .................................................... 62
   4.3.1 The planning unit .................................................. 62
   4.3.2 The occupational unit: the first rule of *Burdle* ................ 63
   4.3.3 Primary and ancillary uses ...................................... 65
   4.3.4 “Ordinarily incidental” .......................................... 66
   4.3.5 Composite or concurrent uses: the second rule in *Burdle* 67
   4.3.6 Seasonal uses ...................................................... 68
   4.3.7 Physical and functional separation: the third rule in *Burdle* 68
   4.3.8 Ancillary uses where primary use inactive .................... 71
   4.3.9 Sub-division of planning unit ................................... 72
   4.3.10 Intensification of use ......................................... 73
   4.3.11 Resumption of an abandoned use ................................ 77
   4.3.12 Resumption of an extinguished use ............................ 80

4.4 **Development not requiring permission** ................................ 82
   4.4.1 Resumption of “normal” use of land upon expiration of temporary permission for use of land .................. 82
   4.4.2 Resumption of use where enforcement notice is served ........ 82
   4.4.3 Recurrent uses .................................................... 82
   4.4.4 Development required by notices served under sections 31, 32, 33, 35 or 36 of the 1963 Act .................. 82
   4.4.5 Development required by planning condition ................. 82

5 **DEVELOPMENT** ............................................................ 84
5.1 **Introduction** .......................................................... 84
   5.1.1 Section 5 references ............................................ 85
5.2 **Exempted development under section 4 of the 1963 Act** ........ 86
   5.2.1 Section 4 of the 1963 Act ....................................... 86
   5.2.2 Use for agriculture and forestry ............................... 87
      5.2.2.1 *The definition of agriculture* ................................ 88
      5.2.2.2 *The agricultural planning unit* ............................ 89
      5.2.2.3 *Agricultural processes* .................................. 90
   5.2.3 Development by local authorities ................................ 91
   5.2.4 Development by statutory undertakers .......................... 92
   5.2.5 Internal works ................................................... 92
   5.2.6 External works .................................................... 93
   5.2.7 Uses incidental to the enjoyment of a dwellinghouse .......... 95
5.2.7.1 “Curtilage” .................................................. 95
5.2.7.2 “Dwellinghouse” ....................................... 96
5.2.8 “... as such” .............................................. 97
5.2.9 Casual trading areas ................................... 100
5.2.10 Land reclamation ....................................... 100

5.3 Development by state authorities ..................... 100
5.3.1 Background decisions – Luggala and Mullaghmore .... 100
5.3.2 Exemptions for certain development by state
authorities ......................................................... 104
5.3.3 Notification requirements ............................... 105
5.3.4 Decision of state authority ............................. 106
5.3.5 Development required by reason of an accident or
emergency ......................................................... 107
5.3.6 Retrospective validation of development commenced
before the 1993 Act ............................................. 107

5.4 Exempted development under the 1994 Regulations, as
amended .......................................................... 107
5.4.1 Definitions: article 8 ..................................... 107
5.4.2 Conditions and limitations: article 9 ................. 107
5.4.3 Works carried out under a condition of an
IPC licence ....................................................... 107
5.4.4 Restrictions on prima facie exemptions under Parts I,
II and III of the Second Schedule: article 10 ............. 108
5.4.5 Use classes: article 11 .................................. 111
5.4.6 Specific exemptions under article 11 ................ 111

5.5 Second Schedule, Part 1 – General .................... 112
5.5.1 Development within the curtilage of a dwellinghouse .. 113
  5.5.1.1 Extensions and conversions ....................... 113
  5.5.1.2 Central heating systems .......................... 113
  5.5.1.3 Garages, sheds and similar structures ........... 113
  5.5.1.4 Satellite dishes, wireless and television
  antennae ..................................................... 114
  5.5.1.5 Paths, drains, ponds and landscaping works .... 114
  5.5.1.6 Gates, walls and fences ......................... 114
  5.5.1.7 Hard surfacing ..................................... 115
  5.5.1.8 Porches ............................................. 115
  5.5.1.9 Caravans and boats ............................... 115
  5.5.2 Gates, walls and fences .............................. 116
  5.5.3 Painting of structures ............................... 117
  5.5.4 Private roads, ways, footpaths or paving .......... 116
  5.5.5 Changes of use ....................................... 117
  5.5.6 Temporary structures or uses ....................... 117
  5.5.7 Development for industrial purposes ............... 117
5.5.8 Development by statutory undertakers ..................................... 118
5.5.9 Telecommunications ............................................................. 118
5.5.10 Development for amenity or recreational purposes .................... 119
5.5.11 Other development by public agencies ..................................... 119
  5.5.11.1 National flags and emblems ........................................... 119
  5.5.11.2 Facilities for foreign visits .......................................... 119
  5.5.11.3 Monitoring facilities ................................................ 119
  5.5.11.4 Works under the Arterial Drainage Acts ................................ 120
  5.5.11.5 Works within the curtilage of certain public buildings ............ 120
  5.5.11.6 Garda Síochána .......................................................... 120
  5.5.11.7 Regional Fisheries Boards ............................................ 120
5.5.12 Works necessary to comply with statutory notices, licences or certificates .......................................................... 120
5.5.13 Demolition ............................................................................ 121
5.5.14 Other miscellaneous development .......................................... 122
  5.5.14.1 Local events ................................................................. 122
  5.5.14.2 Navigational aids ......................................................... 122
  5.5.14.3 Maintenance of community structures or facilities .................. 122
  5.5.14.4 Archaeological and other excavations .................................. 122
  5.5.14.5 Domestic water supply or group water schemes ...................... 123
  5.5.14.6 Exploratory drilling or excavation ..................................... 123
  5.5.14.7 Connections to premises .............................................. 123
5.6 Second Schedule, Part II – Advertisements ..................................... 123
5.7 Second Schedule, Part III – Rural ................................................. 123
  5.7.1 Minerals and petroleum prospecting ....................................... 124
  5.7.2 Agricultural structures ....................................................... 125
    5.7.2.1 Land reclamation ....................................................... 125
  5.7.3 Structures for keeping horses, ponies and greyhounds .................. 127
5.8 Second Schedule, Part IV – Use Classes ........................................ 128
  5.8.1 Use classes ........................................................................ 127

6 APPLICATION FOR PLANNING PERMISSION ........................................... 135
  6.1.1 Obligation to obtain planning permission .................................. 135
  6.1.2 Types of application ......................................................... 136
  6.1.3 Compliance with permission regulations .................................... 137
6.2 Pre-application publicity requirements ............................................. 138
  6.2.1 Public participation in the planning process ............................... 138
  6.2.2 Who may apply? .................................................................. 139
6.2.3 Newspaper notice ........................................ 140
6.2.4 Site notice ............................................. 142
6.2.5 Name of applicant ..................................... 143
6.2.6 Location of land ...................................... 145
6.2.7 Nature and extent of development .................. 146

6.3 Particulars to accompany planning application .... 148
  6.3.1 Plans and particulars to accompany planning
       applications generally .................................. 148
  6.3.2 Plans and particulars to accompany applications other
       than outline ........................................... 150
  6.3.3 Description of interest ............................... 150
  6.3.4 Fees for planning applications ..................... 151

6.4 Outline and approval applications .................... 151
  6.4.1 Applications for outline permission ................ 151
  6.4.2 When an outline application cannot be made ....... 151
  6.4.3 Effect of outline permission ....................... 152
  6.4.4 Matters to be dealt with at outline stage .......... 152
  6.4.5 Applications for approval .......................... 153
  6.4.6 Parameters of outline permission are binding except
       were change in circumstances .......................... 154
  6.4.7 Contents of approval application ................... 155

6.5 Environmental Impact Statements ...................... 155
  6.5.1 Applications to be accompanied by EIS ............ 155
  6.5.2 Exemptions from EIS requirement ................... 156
  6.5.3 Outline applications ............................... 157
  6.5.4 Content of Environmental Impact Statements ....... 157

6.6 Procedure after receipt of application ............... 158
  6.6.1 Procedure on receipt ................................ 158
  6.6.2 Weekly list of applications ....................... 158
  6.6.3 Persons and bodies to be notified of planning
       applications ........................................ 159
  6.6.4 Requests for further information by planning
       authority ............................................ 159
  6.6.5 Modifications to proposed development ............ 161
  6.6.6 Further notice of application ..................... 161
  6.6.7 Planning file ...................................... 162
  6.6.8 Submissions or observations on planning
       applications ........................................ 163
  6.6.9 Minimum period for determination of planning
       applications ........................................ 164
  6.6.10 Withdrawal of planning application ............... 164

6.7 Notification of decisions ............................... 164
  6.7.1 Weekly list of planning decisions .................. 164
6.7.2 Persons or bodies to be notified of decision on planning application ....................................... 165
6.7.3 Form of notification of decision .................................................. 165

7 ENVIRONMENTAL IMPACT ASSESSMENT ............................................. 165
7.1.1 Definition of terms ................................................................. 166
7.1.2 The 1985 Directive ................................................................. 167
7.1.3 Projects subject to EIS requirement ........................................... 169
7.1.4 Exemptions from EIS requirement ............................................. 172
7.1.5 Significant environmental effects ............................................. 173
7.1.6 Content of environmental impact statements .............................. 174
7.1.7 EPA draft guidelines ............................................................. 176
7.1.8 EIA in the determination of planning applications ...................... 177

7.2 Development by local authorities ................................................ 178
7.2.1 Development by state authorities ............................................ 178
7.2.3 First Schedule: development for the purposes of these Regulations .............. 179

8 DETERMINATION OF PLANNING APPLICATIONS ................................. 186
8.1 The decision-making power ....................................................... 186
8.1.1 Relevant considerations ......................................................... 187
8.1.2 Permission for retention of structures and continuance of use .............. 189
8.1.3 Material contravention of the development plan ........................... 190
8.1.4 The interface between planning control and IPC licensing control .......... 190
8.1.5 Motorway, busway and protected road schemes .......................... 193

8.2 Planning conditions ...................................................................... 193
8.2.1 The power to impose conditions .............................................. 193
8.2.2 Conditions must be imposed in accordance with their statutory purpose .................................................. 194

8.2.2.1 Conditions must not be imposed for an ulterior purpose ............... 194
8.2.2.2 Conditions restricting the occupation of buildings ....................... 195
8.2.2.3 Conditions must not abdicate the jurisdiction of the planning authority or the Board .................. 196

8.2.3 Conditions must be fairly and reasonably related to the development permitted .................................................. 201

8.2.3.1 Conditions altering the nature of the development proposed .......... 201
8.2.3.2 Conditions imposing restrictions on existing use rights may be ultra vires 203
8.2.4 Conditions must not be unreasonable .............................................. 203
  8.2.4.1 Factors beyond the control of the applicant ......................... 203
  8.2.4.2 Conditions must not be uncertain ......... 204
  8.2.4.3 Conditions must be necessary .............................................. 204
  8.2.4.4 The reason stated for the imposition of the
  conditions must be sufficient to support the
  imposed condition .......................................................... 204

8.3 Specific conditions under section 26(2) ........................................ 205
8.4 Severance of conditions ............................................................ 211
  8.4.1 Severability of conditions .................................................. 211
8.5 Decision-making procedure ......................................................... 212
  8.5.1 Material contravention procedure ........................................ 212
  8.5.2 Time within which planning authority must
  determine planning application .............................................. 213
  8.5.3 Default decision ............................................................. 214
  8.5.4 Mandamus where default decision 216
  8.5.5 Damages for delayed grant ................................................ 216
  8.5.6 Section 4 resolutions ....................................................... 217

8.6 Effect of grant of planning permission ......................................... 221
  8.6.1 Obligation to make a grant ................................................ 220
  8.6.2 Reasons for decision ....................................................... 221
  8.6.3 Planning permission enures for the benefit of
  the land ................................................................. 222
  8.6.4 Interpretation of planning permission ..................................... 224
  8.6.5 Effect of appeal documents on interpretation of
  permission ................................................................. 228
  8.6.6 Duration of planning permission .......................................... 229
  8.6.7 Extension of duration of permission ..................................... 231
  8.6.8 Multiple permissions ...................................................... 234
  8.6.9 Severable permissions ...................................................... 235
  8.6.10 Liability of planning authority arising from grant .................. 235

9 PLANNING APPEALS ..................................................................... 237
9.1 Composition and functions of An Bord Pleanála ......................... 237
  9.1.1 Composition of Board ....................................................... 237
  9.1.2 Functions of the Board ...................................................... 238
9.2 Procedure for making appeal ....................................................... 239
  9.2.1 Contents of appeal ........................................................... 239
  9.2.2 Time limit and service ....................................................... 240
  9.2.3 To appeal or not to appeal? ............................................... 241
  9.2.4 Appeal against conditions only .......................................... 242
  9.2.5 Availability of documents relating to planning
  applications and appeals .................................................... 243
# Table of Contents

9.2.6 Replying submissions by parties to the appeal .......................... 244
9.2.7 Observations by non-parties ............................................. 244
9.2.8 Natural justice ............................................................... 245
9.2.9 Matters other than those raised by the parties ......................... 247
9.2.10 Oral hearings ................................................................. 248
9.2.11 Procedure at oral hearing ............................................... 249
9.2.12 Powers of inspector at an oral hearing ................................. 250
9.2.13 Power to dismiss appeals ............................................... 251

9.3 Determination of appeals .................................................... 251
   9.3.1 Jurisdiction of the Board ............................................... 251
   9.3.2 Relevant considerations ............................................... 252
   9.3.3 Irrelevant considerations: risk of environmental pollution ....... 253
   9.3.4 Powers of entry on land and ancillary powers ....................... 254
   9.3.5 Modification of applications ......................................... 254
   9.3.6 Costs ........................................................................... 254
   9.3.7 Notification of decision ............................................... 255

10 JUDICIAL REVIEW ................................................................. 256
   10.1.1 Introduction ............................................................... 256
   10.1.2 Judicial review procedure ............................................. 257
   10.1.3 Procedure for challenge ............................................... 258
   10.1.4 Meaning of “decision” .................................................. 260
   10.1.5 Substantial grounds ...................................................... 260
   10.1.6 Appeals to the Supreme Court ........................................ 262

10.2 Grounds for judicial review .................................................. 262
   10.2.1 Unreasonableness ......................................................... 263
   10.2.2 Error on the face of the record .................................... 264
   10.2.3 Failure to observe the rules of natural justice .................... 266
   10.2.4 Failure to take into account relevant considerations and failure to exclude irrelevant considerations ...................................................... 267
   10.2.5 Inadequacy of record of decision ................................... 267
   10.2.6 Non-compliance with permission regulations ....................... 268
   10.2.7 Material contravention procedure not followed .................... 268
   10.2.8 Decision to grant permission in default ............................ 270

10.3 Bars to relief ...................................................................... 270
   10.3.1 Time limit ..................................................................... 270
   10.3.2 Locus standi .................................................................. 272
   10.3.3 Adequacy of an appeal to An Bord Pleanála ....................... 273
   10.3.4 Section 5 procedure more appropriate ............................... 275
   10.3.5 Other discretionary considerations .................................. 275
11 ENFORCEMENT OF PLANNING CONTROL ........................................ 277
11.1 The planning injunction ..................................................... 276
  11.1.1 Scope of remedy ......................................................... 277
  11.1.2 Time limits ............................................................. 280
  11.1.3 Companies as respondents ........................................... 281
  11.1.4 Onus of proof in section 27 proceedings ............................ 282
  11.1.5 Res Judicata ............................................................ 253
11.2 Principles upon which the Court exercises its discretion ............... 284
  11.2.1 Remedy analogous to an injunction ................................. 284
  11.2.2 Delay ........................................................................ 285
  11.2.3 Lapse of time ................................................................ 285
  11.2.4 Technicality of the breach ............................................. 286
  11.2.5 Public convenience ...................................................... 287
  11.2.6 Planning considerations ............................................... 288
  11.2.7 Other equitable considerations ...................................... 288
  11.2.8 Section 5 references .................................................... 290
  11.2.9 Balancing all factors ................................................... 290
11.3 Practice and procedure ..................................................... 291
  11.3.1 Applications to the High Court: Order 103 of the Rules of the Superior Courts .................................................. 291
  11.3.2 Applications to the Circuit Court: Order 67A of the Circuit Court Rules .................................................. 293
  11.3.3 Application by motion .................................................. 295
  11.3.4 Joinder of parties ........................................................ 295
  11.3.5 Evidence to be heard ................................................... 296
  11.3.6 Adjournments and liberty to apply ................................ 296
11.4 Enforcement notices ...................................................... 297
  11.4.1 The decision by the planning authority to take enforcement action .......................................................... 297
  11.4.2 Service of enforcement notices ........................................ 298
  11.4.3 Obligation to give information to planning authority .......... 299
  11.4.4 Section 31 notice ........................................................ 300
  11.4.5 Section 32 notice ........................................................ 301
  11.4.6 Section 35 notice ........................................................ 302
  11.4.7 Direct action by the planning authority ............................. 302
  11.4.8 Prosecution for non-compliance with enforcement notices .................................................. 302
  11.4.9 Prosecutions for breach of the obligation to obtain planning permission .................................................. 304
  11.4.10 Warning notices ........................................................ 305
