Telecommunications, Broadcasting and the Internet: E.U. Competition Law and Regulation

L. J. H. F. Garzaniti
Table of Contents

Foreword v
Preface vii
Table of Cases xv
Table of European Treaties xxiii
Table of Secondary Legislation xxv
Table of Abbreviations xxxiii

Part I: Regulatory Issues

1 E.U. Regulatory Framework Applying to Telecommunications 1–01
A. Background of the E.U. Regulatory Initiatives 1–01
B. Telecommunications Equipment 1–07
   1. Liberalisation of Terminal Equipment and Satellite Earth Equipment 1–08
   2. Harmonisation and Mutual Recognition of Conformity of Equipment 1–15
   3. Harmonisation of Standards 1–23
C. Telecommunications Services 1–24
   1. Regulatory Framework Applicable to Added-value Services 1–25
      (a) Liberalisation of added-value services 1–26
      (b) Licensing of added-value services 1–31
   2. Regulatory Framework Applicable to Fixed and Mobile Voice Services 1–38
      (a) Liberalisation of voice telephony services 1–39
      (b) Licensing of voice telephony services 1–52
      (c) Open Network Provision 1–62
      (d) Numbering 1–63
      (e) Harmonisation of Standards and Allocation of Frequencies 1–69
D. Network Provision 1–77
   1. Liberalisation of Alternative Infrastructures 1–78
   2. Open Network Provision (O.N.P.) 1–85
      (a) O.N.P. Framework Directive 1–86
      (b) O.N.P. Leased Lines 1–92
      (c) O.N.P., packet-switched data and ISDN 1–97
Contents

E. Satellite Communications 1–98
   1. Liberalisation of Satellite Equipment 1–99
   2. Launching and Operation of Satellites 1–100
   3. Provision of Satellite-based Services 1–103
   5. Provision of Satellite-based Services by Non-E.U. companies 1–109

F. Interconnection 1–110
   1. Principles Governing Interconnection 1–111
   2. Interconnection Pricing 1–121

G. Tariffs 1–123
   1. Tariffs Principles 1–124
   2. Tariffs for Leased Lines 1–125
   3. Tariffs for Fixed Voice Telephony 1–126
   4. Tariff Rebalancing 1–127

H. Universal Service 1–128
   1. Scope of Universal Service Obligations (U.S.O.) 1–129
   2. Operators Subject to U.S.O. 1–138
   3. Funding of U.S.O. 1–139

I. Directory Services 1–145

J. Data Protection and Information Security 1–151
   1. Protection of Privacy in the Processing of Personal Data 1–152
   2. Legal Protection of Databases 1–162
      (a) Scope of the Directive 1–163
      (b) Copyright Protection 1–164
      (c) Sui Generis Right 1–170

K. Public Procurement 1–177

L. Remedies in Case of Infringement of Regulatory Measures 1–179
   1. Remedies in Case of Violation of Directives by Member States 1–180
   2. Remedies in Case of Violation of National Implementing Measures 1–183

M. Application of the E.U. Regulatory Measures to Non-E.U. Businesses 1–186

2 E.U. Regulatory Framework Applying to Broadcasting 2–01

A. Community Directives in the Broadcasting Sector 2–02
   1. Television Without Frontiers Directive 2–02
   3. Copyright Directives 2–43

B. Limitations on Member States as a Result of E.C. Treaty Free Movement Rules 2–59
   1. Freedom to Provide Services (Article 49 — ex Article 59) 2–60
   2. Free Movement of Goods (Article 28 — ex Article 30) 2–66
Contents

3 Freedom of Establishment (Article 43 — ex Article 52) 2-69
4 Remedies 2-70

3 Regulatory Issues Raised by the Convergence 3-01
A. The Concept of Convergence 3-02
B. Regulatory Issues 3-07
   1. Uncertainty of the Regulatory Regime Applicable to Converging Services 3-08
   2. Varying Market Entry Conditions Among Converging Sectors 3-13
   3. Access to Networks and Conditional Access Systems 3-17
   4. Convergence of Regulatory Functions 3-20
   5. Other Regulatory Issues Raised by Convergence 3-22
   6. The 1999 Review 3-23

4 E.U. Regulatory Framework of the Internet 4-01
A. Introduction 4-01
B. Licensing and Other Market Entry Restrictions for Internet Services 4-04
   1. Licensing of Internet-based Services 4-04
   2. Free Provision of Internet Services Across the E.U. 4-10
C. Copyright and Internet 4-13
D. Protection of Privacy and Security 4-21
   1. Protection of Privacy of Internet Communications 4-22
   2. Security of Internet Communication 4-25
E. Internet Governance: Naming and Addressing 4-37
   1. Background of the Domain Management Structure 4-38
   2. Recent Amendments to the Domain Management Structure 4-39
F. Regulation of Illegal and Harmful Content 4-45
G. Electronic Commerce 4-51
   1. E-commerce Directive 4-52
   2. Distance Contract Directives 4-59
   3. Electronic Money 4-72

Part II: Application of E.C. Competition Rules to Telecommunications, Broadcasting and the Internet

5 Overview of E.C. competition rules 5-01
A. Article 81 (ex Article 85): the Prohibition of Anti-competitive Agreements 5-01
B. Article 82 (ex Article 86): the Prohibition of Abuses of a Dominant Position 5-05
C. Enforcement of Articles 81 and 82 5-08
D. Article 86 (ex Article 90) 5-09
Contents

E. State Aids Rules 5–12
F. Merger Control Regulation 5–14

6 Market Definition in the Telecommunications Sector 6–01
A. Introduction 6–01
B. Guidelines on the Definition of the Relevant Product Market 6–02
C. The Definition of the Relevant Market in the Telecommunications Sector 6–03

7 Market Conduct 7–01
A. Outline of the Section 7–01
B. Restrictions of Market Conduct Under Article 81 7–02
C. Restrictions of Market Conduct under Article 82 7–10
1. Dominance 7–10
2. Abuse of Dominant Position 7–22
3. A Specific Type of Abuse: Access Restrictions to (Essential) Facilities 7–34
   (a) When is Unrestricted Access Required? 7–35
   (b) In Relation to Which Type of Facility May an Obligation to Give Access Be Required? 7–40
   (c) Assessment of the Commission's Policy in Relation to Access. 7–41
   (d) A Special Case — Local Loop Access 7–42
D. Restrictions on Market Conduct Under Article 86 (ex Article 90) of the E.C. Treaty 7–43
   1. Article 86(1): The Prohibition of Monopoly Rights 7–43
   2. Article 86(2): Derogation from Competition Rules for Public Interest Services 7–44
   3. Commission Action under Article 86(3) 7–45
E. Restrictions on Market Conduct in the Satellite Sector 7–48
F. Restrictions on Market Conduct in the Broadcasting Sector 7–49
   1. Restrictions of Competition in Relation to Content 7–50
   2. Restrictions of Competition in Relation to Transmission Networks 7–55
   3. Restrictions of Competition in Relation to Technical Services 7–56
   4. Dominance in the Broadcasting Sector 7–58
   5. Article 86 (ex Article 90) and the Broadcasting Sector 7–60
G. Restrictions on Market Conduct in the On-line and Internet Sector 7–61
H. Enforcement of Market Conduct Rules 7–65

8 Application of State Aids Rules 8–01
A. Impact of State Aid Rules on Public Companies and Companies Subject to Exclusive or Special Rights 8–02
B. State Aid Rules and the Financing of Public Broadcasting 8–03
Contents

9 Mergers and Acquisitions, Joint Ventures and Other Alliances 9-01

A. Outline of the Section 9-01

B. Concentrations: Mergers and Acquisitions of Control 9-02
   1. Scope of Application of the Merger Control Regulation: Concentrations 9-03
   2. Turnover Thresholds 9-13
   3. Procedural Aspects 9-17
   4. Compatibility Standard 9-21
   5. Enforcement 9-23
   6. Competitive Restrictions Ancillary to Concentrations 9-26
   7. One-Stop Shopping 9-30
   8. Transactions below the Turnover Thresholds 9-31

C. Transactions Not Amounting to a Concentration 9-33

D. Major Precedents of Joint Ventures and Concentrations 9-37
   1. Major Precedents under the Merger Control Regulation 9-38
      (a) Concentrations in Telecommunications Equipment 9-39
      (b) Concentrations in Advanced Telecommunications Services 9-47
      (c) Concentrations in Mobile Services 9-74
      (d) Concentrations in Television Broadcasting 9-78
   2. Major Co-operative Joint Ventures and Alliances under Articles 81 and 82 9-103
      (a) Co-operative Joint Ventures and Alliances for Advanced Services to Corporate Users 9-104
      (b) Co-operative Joint Ventures and Alliances for Paging and Mobile Services 9-122
      (c) Co-operative Joint Ventures and Alliances for Telecommunications Equipment 9-128
      (d) Co-operative Joint Ventures and Alliances in the Satellite Sector 9-132
      (e) Co-operative Joint Ventures and Alliances in Broadcasting and Interactive Services 9-160
   3. Analysis of the Commission’s Decisional Practice 9-184
      (a) Commission’s Practice in Telecommunications Services 9-185
      (b) Commission’s Practice in Relation to Restructuring of International Satellite Organisations 9-188
      (c) Commission’s Practice in Telecommunications and Satellite Equipment 9-189
      (d) Commission’s Practice in Broadcasting 9-190
      (e) Commission’s Practice in Converging Services (Interactive Services, Internet) 9-193

10 Interaction Between Competition Rules and Sector-Specific Regulation 10-01

A. Sector-specific Regulation and Competition Rules Have Different but Sometimes Complementary Objectives 10-02

B. Commission Guidelines 10-03
Contents

C. Practical Examples of Interaction 10-09
D. Some Considerations Regarding the Relationship Between Sector-Specific and Competition Rules 10-15

Appendix 1: Market Definition in Telecommunications, Broadcasting and Internet Cases of the Commission and the Court of Justice under Articles 81, 82 and ex 86 285

Appendix 2: Market Definition in Telecommunications, Broadcasting and Internet Cases Under the Merger Control Regulation 295

Appendix 3: List of Useful Internet Addresses 327

Appendix 4: List of E.U. Telecommunications, Broadcasting and Internet Related Legislative Measures 331
