**Introduction**

1

1 Restorative justice, restorative group conferencing, and juvenile justice

Introduction 27
Defining restorative justice and restorative group conferencing 27
Summary and conclusions 41

2 Principles to practice: intermediate outcomes, intervention theories, and conferencing tasks

Introduction 43
Dimensions of the vision 44
Intervention theories: connecting outcomes and practice 47
Part 1: Repairing harm in the conferencing environment: dimensions of repair 48
Part 2: Stakeholder involvement in the conferencing environment: dimensions of participation and process 55
Part 3: Community/government role transformation in the conferencing environment: dimensions of system change and community-building 68
Chapter summary and transition: principles to research agendas 88
Guiding research questions 93
Notes 94
3 Prevalence and scope of restorative decision-making: findings from a national inventory and survey on restorative conferencing for youth

Introduction 96
Methodology 97
Findings 104
‘Restorativeness’ in conferencing model vision and philosophy 120
Summary and discussion 129
Conclusions 133
Notes 135

4 Methodology for the qualitative study and description of conference stages and phases 136
Overview of study conceptualization 136
The qualitative case study design 137
Potential contributions to theory and practice 142
Characteristics of programs in the qualitative case study: a profile 143
Conferencing stages and phases: an overview and dialogue 146
Summary and conclusions 151

5 Repairing harm in the conferencing environment 152
Introduction 152
Moving toward repair in conferencing stages and phases 155
Summary and conclusions 183
Observational case studies: issues, concerns, and resolutions 185

6 Stakeholder involvement in the conferencing environment 194
Introduction 194
The value of inclusion: general support for stakeholder involvement and model variation 196
Dimensions of involvement in conference stages and phases 198
Summary and conclusions 221
Observational case studies: problems, concerns, and resolutions 224
Note 236
