Foreword vii

PART ONE
THE LEGAL ASPECTS OF EUROPEAN CONTENT REGULATION – PURPOSE AND SCOPE OF THE STUDY 1

Chapter 1
Objective of the Book: A Horizontal Approach to European Content Regulation 3

I. The Background – Content as Part of Europe’s Culture 3
II. A Systematic Review and Analysis of European Content Regulation on a Horizontal Basis 4

Chapter 2
Structure and Methods 7

I. Definition of the Subject Under Investigation 7
II. Analysis of the Individual Regulatory Areas of European Community Law Governing the Content Industry 7
III. Conclusion and Evaluation 13
III. Secondary Legislation of the EU for Promoting the Content Industry
A. The Lisbon Strategy – a New Impetus for Promoting the European Content Industry 45
B. General Information on the Funding Programmes of the Content Industry 46
C. Cultural Programmes 48
D. MEDIA Programmes 49
E. Special Funding Action in the Fields of Information and Communication Technologies (ICT) 52
1. The ‘eContentplus’ Funding Programme 53
2. The ‘Safer Internet Plus’ Funding Programme 54

IV. Community Projects Relevant to the Content Industry 54
A. Communication from the Commission ‘i2010 – A European Information Society for Growth and Employment’ 54
B. Proposal for a Directive on Services in the Internal Market and its Implications for the Content Industry 55
1. General Information 55
2. The Scope of Application of the Services Directive 56
3. Open Questions Regarding the Service Directive 57

V. Content as a European Cross-cutting Subject – Conclusions and Evaluation 58

Chapter 2
The Content Industry and General Competition Law 61

I. Ensuring Functioning Market Structures 61
A. General Applicability of the Competition Rules to the Content Industry 62
1. Specific Relevance of Competition Rules 62
2. Personal Scope 63
B. Market Definitions for Media Content 64
C. Competition Rules Concerning the Production Level (Upstream) 66
1. General Cartel Prohibition – Article 81 EC 67
2. Prohibition to Abuse a Dominant Position – Article 82 EC 69
3. Control of Concentrations 70
D. Competition Rules Relating to Distribution (‘Downstream’) 72
1. General Ban on Cartels – Article 81 EC 72
2. Prohibition of the Abuse of a Dominant Position – Article 82 EC 76
III. Ensuring a Basic Supply of the Population with Content – Protection of Third Party and Further General Interests 103
   A. The Public Interest in the Content Markets 103
   B. Universal Service Regime 104
   C. Must-carry Provisions 105
   D. Broadcasting of Major Events 106
   E. The Special Importance and Role of Public Broadcasting Within the EU 107
   F. Analysis of the Public Interest Regulation at Infrastructure Level – Problematic Aspects 108
      1. Transition from Analogue to Digital Technologies 108
      2. Access to Broadcasting and Programme Rights on a Sector-Specific Basis 109
      3. Political Consensus Regarding the Role of the Public Service Broadcasting Organizations within the Community? 110
   G. Summary 111

IV. Standardization Activities in the Content Industry – Preservation of the Single Market 112
   A. Standardization in the Online Content Market – a Primarily Market Led Process 112
   B. Specific Standardization Measures for Digital Interactive Television 113
   C. Other Standardization Activities in the Content Industry 115
   D. Problematic Aspects with Regard to the Standardization Processes on the Content Markets 115
   E. Summary 116

V. Direct Promotion of the Production and Distribution of Content 117

VI. Summarizing Evaluation – Reciprocity and Interconnections between the Various Regulatory Instruments in Sector-specific Regulation at Infrastructure Level 117

Chapter 4
Sector-specific Regulation at Content Level 119

I. Preliminary Remarks 119
   A. Objects and Systemization of Sector-specific Regulation at Content Level 119
   B. Development of Sector-Specific Regulation at Content Level 121

II. The Protection of Third Parties and Further Public Interests 123
   A. Review of Status Quo 123
1. Regulation of Content for the Protection of Human Dignity, as well as the Protection of Other Fundamental Values of a Democratic Society 123
2. Regulation of Content for the Protection of Minors 124
3. Regulation of Content for the Protection of Health 126
4. Regulation of Content for the Protection of Consumers 128
5. Regulation of Content for the Protection of Personal Rights 132
B. Analysis of the Problem 133
C. Summary 135

III. Promoting Production and Dissemination of Content 136
A. Review of Status Quo 136
1. Direct Promotion of Content 136
2. Indirect Promotion of Content 137
   a. Promotion through tax breaks for film and television 137
   b. Promotion by limiting regulatory possibilities 137
B. Analysis of the Problem 140
C. Summary 143

IV. Maintaining the Single Market 143
A. Review of the Status Quo 143
B. Analysis of the Problem 145
C. Summary 147

V. Conclusions 147

Chapter 5
Copyright and Related Rights 151

I. Legal Protection of Content – Promotion of the Production and Distribution of Content 151
A. Review of the Status Quo 151
   1. Database Directive 151
   2. Information Society Directive 152
      a. Reproduction Right 152
      b. Communication, Including Making Available, to the Public 153
      c. Limitations and Free Uses of Works 153
      d. Legal Protection of Technological Protection Measures 153
      e. Sanctions under the Information Society Directive 154
   3. Enforcement Directive 154
Contents

a. Country-of-transmission Principle 154
b. Country-of-origin Principle 155
5. Rights Management and Collecting Societies 156
6. Resale Rights Directive 156
7. Harmonization of Copyright Contract Law 157
8. Consolidation of the European Copyright Laws 157

B. Problem Analysis 157
1. Scope of the Database Protection 157
2. Information Society Directive 159
   a. Lack of Clarity Regarding the Scope of the ‘Making Available’ Right 159
   b. Allocated Uses 160
3. Enforcement Directive 162
   a. Country-of-transmission Principle 163
   b. Country-of-origin Principle 164
5. Collective Exploitation of Rights and Collecting Societies 165
6. Resale Rights Directive 167
7. Harmonization of the Copyright Contract Law 167
8. Consolidation of the European Copyright Law 168

C. Summary 169

II. The Necessity for Exclusivity – Ensuring Functioning Market Structures on the Content Markets 170

III. Creating a Balance – Protection of Third Parties and Further General Interests 171

A. Review of the Status Quo 171
1. Information Society Directive 172
   a. Limitations 172
   b. Technological protection measures/DRM 172
   c. Device and media charges, double remuneration 172
2. First Sale Doctrine Online 173
3. Enforcement Directive 173
5. Obligations to Provide Information and Transparency in E-commerce 174

B. Problem Analysis 174
1. Information Society Directive 174
   a. Limitations 174
   b. Technological Protection Measures 177
2. First Sale Doctrine Online 181
3. Enforcement Directive 181

PART THREE
SYSTEMATIZATION, EVALUATION AND CONCLUSION – A STRUCTURAL ANALYSIS 213

Chapter 1
The ‘System’ of European Content Regulation – a Horizontal Analysis of the Individual Regulatory Areas 215

I. Point of Departure: ‘Content’ as a Cross-sectional Subject Matter 215
II. Safeguarding Functioning Market Structures in the Content Industry 217
  A. Antitrust Rules 218
  B. Sector-specific Competition Regulation 220
  C. Fundamental Freedoms 220
  D. Harmonization and Coordination of Member States’ Interventions into the Content Industry 221
  E. Protection of Competition from Member States’ Interventions 224
III. The Realization of Cultural, Democratic and Social Policy Concerns 225
  A. Direct Support for the Production and Distribution of European Content 226
     1. Funding Programmes 227
     2. Incentives for the Production and Distribution of Content by Regulatory Measures 228
  B. Safeguarding the Basic Supply of the Public with Content (and with Communications Infrastructure) 229
  C. Safeguarding Certain Third-party Interests 231

Chapter 2
Evaluation and Conclusions: Basic Principles and Structural Elements of European Content Regulation 235

I. European Content Regulation – A Network of Regulation Systems 235
   B. The Online Content Market as a Focal Point 245
II. Some Theses for Further Discussion 247
