Communities of resistance? The alternative audience 102
Primacy of the individual? The value of life 103
Maintaining dichotomies? The us and them story 104
Conclusion 106

5 International criminal justice and governance 108
Introduction 108
International criminal justice? 109
Motivational origins 111
How ‘international’ is international criminal justice?
The relationship between international criminal justice
and national criminal justice 116
How is international criminal justice manifest? 120
Convergence of restorative and retributive themes 130
Conclusion – justice on to governance 132

6 Governing through globalised crime 140
Introduction 140
Can globalised crime construct governance? 145
Can crime control determine considerations of risk
and security? 149
How do globalised crime priorities inform the
political discourse of globalisation? 151
How does international criminal justice relate to
global governance? 152
Crime control and governance – the challenge for
understanding international criminal justice 154
Conclusion 157

7 Tensions between globalised governance and
internationalised justice 160
Introduction 160
Who governs globally? 161
Tensions between globalised crime and international
criminal justice 164
Tensions over security, development and justice 166
Crime, justice and state reconstruction 171
Inadequacies of justice in global governance –
communities of justice 174
Problematic constituencies – victim communities 176
Violence focus 181
Tensions over jurisdiction and mandate 185
Governing through Globalised Crime

Formal and less formal justice paradigms – all about ‘alternatives’? 186
Conclusion – tension into transformation 188
