Table of Conventions, Treaties, and Agreements xxix

1. A Global Regime for Investment 1
   1.1 Introduction to Investment Treaties 1
   1.2 The Significance of Investment Treaties 3
   1.3 A Regime for International Investment 5
   1.4 The Application of Regime Theory to Investment Treaties 6
      (a) Regime elements 6
      (b) Regime principles 6
      (c) Regime norms 9
      (d) Regime rules 10
      (e) Regime decision-making 10
   1.5 A Different Kind of Regime 11
      (a) Bilateral construction 12
      (b) Privatized decision-making 13
   1.6 Regime Challenges 14
   1.7 The Aim and Scope of This Book 16

2. The Nature and Significance of International Investment 18
   2.1 Introduction 18
   2.2 The Meaning of Investment 18
   2.3 Forms of Investment 19
      (a) Property and contractual rights resulting from investments 19
      (b) Control attributes of the investment 20
      (c) Enterprise form 22
   2.4 The Nature of Investors 22
      (a) Private investors 23
      (b) State investors 24
      (c) International organizations 25
      (d) Mixed enterprises 25
   2.5 The Role of Return and Risk 26
   2.6 The Nature of International Investment 27
   2.7 Forms of International Investment 29
      (a) Foreign direct investment 29
(b) Foreign portfolio investment 30
(c) International loans 31
(d) International bonds 31
(e) Suppliers' and others' credits 32
(f) Other contractual arrangements 32
2.8 The Nature of International Investors 33
2.9 State Interests in International Investment 35

3. The Foundations of International Investment Law 37
3.1 Background of the Investment Treaty Movement 37
3.2 State and Investor Interests Shaping International Investment Law 37
   (a) Host country interests 38
   (b) Investor interests 39
   (c) Investor home country interests 39
   (d) Conflicts of interest and their settlement 40
3.3 The Sources of International Law 42
   (a) In general 42
   (b) International conventions 43
   (c) International custom 45
   (d) General principles of law 46
3.4 Customary International Law and General Principles of Law Governing International Investment 46
   (a) Introduction 46
   (b) Standards of treatment owed to aliens by host states 47
   (c) The application and enforcement of a minimum standard 49
3.5 Customary International Law on Expropriation and Breach of State Contracts 54
   (a) In general 54
   (b) Taking under international law 55
   (c) Public purpose 57
   (d) Discrimination 57
   (e) Compensation 58
   (f) Breaches of state contracts 60
3.6 Challenges to Western Views on International Investment Law 62
   (a) Background 62
   (b) The Soviet challenge 62
   (c) The Latin American challenge 65
   (d) The post-colonial challenge 68
3.7 Deficiencies of Customary International Law on Investment 75

4. A History of International Investment Treaties 78
4.1 Introduction: The Treatification of International Investment Law 78
4.2 Historical Background of the Treatification Process 79
   (a) The early beginnings 80
   (b) The emergence of a treaty framework for investment protection in the seventeenth and eighteenth centuries 81
   (c) Further developments in the eighteenth, nineteenth, and early twentieth centuries 83
   (d) From World War I until World War II 85
   (e) The immediate aftermath of World War II 86
   (f) The later post-World War II years 88
      (i) Bilateral efforts 88
      (ii) Multilateral efforts 90
   (g) The development of the bilateral investment treaty (BIT) and the creation of the International Centre for Settlement of Investment Disputes (ICSID) 91
   (h) The gathering momentum of the BIT movement 95
   (i) The development of multilateral regional and sector investment agreements 97
      (i) Arab States Investment Agreement 97
      (ii) ASEAN Investment Agreement 98
      (iii) Mercosur Investment Treaties 99
      (iv) COMESA Treaty 99
      (v) North American Free Trade Agreement 100
      (vi) The Energy Charter Treaty 102
   (j) The evolution of BIT provisions into free trade agreements 103
   (k) Towards a global treaty on investment 104
   (l) Conclusion 108
4.3 The Objectives of the Movement to Negotiate Investment Treaties 108
4.4 The Primary Objectives of Investment Treaties 109
   (a) Investment protection 109
   (b) Investment promotion 110
4.5 Secondary Objectives of Investment Treaties 111
   (a) Market liberalization 112
   (b) Relationship building 113
   (c) Domestic investment encouragement 113
   (d) Improved governance and a strengthened rule of law 114
4.6 Long-Term Goals of Investment Treaties 114
4.7 The Treaty Negotiation Process 115
   (a) Bilateral negotiation processes 115
   (b) Multilateral negotiation processes 117
4.8 The Consequences of Investment Treaties 118
   (a) Investment protection 118
Contents

(b) Investment promotion 120
(c) Economic liberalization 121
   (i) An absolutist evaluation of liberalization 122
   (ii) A relativist evaluation of liberalization 124
(d) Conclusion 125

5. The General Structure of Investment Treaties 126
   5.1 A Structural Overview 126
   5.2 Scope of Application of Investment Treaties 128
   5.3 Conditions for the Entry of Foreign Investment and Investors 130
   5.4 General Standards of Treatment of Foreign Investments and Investors
      (a) Fair and equitable treatment 131
      (b) Full protection and security 132
      (c) Unreasonable or discriminatory measures 132
      (d) International law 133
      (e) State obligations 133
      (f) National and/or most-favoured-nation treatment 133
   5.5 Monetary Transfers 134
   5.6 Expropriation and Dispossession 135
   5.7 Operational and Other Conditions 135
   5.8 Losses from Armed Conflict or Internal Disorder 136
   5.9 Treaty Exceptions, Modifications, and Terminations 136
   5.10 Dispute Settlement 137
   5.11 Conclusion 138

6. The Interpretation of Investment Treaties 139
   6.1 The Task of Interpretation 139
   6.2 Rules of Interpretation 140
   6.3 The Treaty Text 140
      (a) Sources of investment treaty texts 140
         (i) Government sources 140
         (ii) International organization sources 142
            The United Nations 142
            United Nations Conference on Trade and Development (UNCTAD) 143
            International Centre for Settlement of Investment Disputes (ICSID) 143
            Organization of American States (OAS) 143
            Energy Charter Treaty 143
         (iii) Unofficial and non-governmental sources of investment treaty texts 144
      (b) The language of treaty texts 144
9. General Treatment Standards
   9.1 The Nature of Investment and Investor Treatment
   9.2 General Treatment Standards in General
   9.3 Protection and Security
      (a) In general
      (b) Historical origins of the term
      (c) Full protection and security in the modern era
      (d) Conclusion
   9.4 Fair and Equitable Treatment
      (a) Background
      (b) Formulation of the standard
      (c) The complexities of interpreting and applying the standard
      (d) Differing concepts of the fair and equitable standard
         (i) Fair and equitable treatment as the international minimum standard
         (ii) Fair and equitable treatment standard as an autonomous standard additional to international law
      (e) The content of the standard
         (i) Failure to protect the investor's legitimate expectations
         (ii) Failure to act transparently
         (iii) Arbitrary and discriminatory actions
         (iv) Denial of justice or due process
         (v) Good faith
      (f) Conclusion
   9.5 Other General Standards of Treatment
   9.6 National Treatment
      (a) Competition and discrimination
      (b) National treatment in investment treaties
      (c) The application of the national treatment standard
         (i) With whom should the claimant be compared?
         (ii) What is the nature of the difference in treatment?
         (iii) Is the difference in treatment justified?
   9.7 Most-Favoured-Nation Treatment
   9.8 Compensation for Breach of General Treatment Standards

10. Monetary Transfers and Treatment
   10.1 Background
   10.2 The General Scope of the Right to Make Transfers
   10.3 Types of Payments Covered by Transfer Provisions
   10.4 The Currency of Transfer
   10.5 The Applicable Exchange Rate

12.9 Newer Treaties' Approach to Distinguishing Legitimate Regulation from Indirect Expropriation  
12.10 Conditions for the Legality of Expropriations, Nationalizations, and Dispossession 
   (a) Expropriation measure must be for a public purpose  
   (b) Expropriation must not be discriminatory  
   (c) Expropriation must take place in accordance with due process of law  
   (d) Expropriation must be accompanied by compensation 
      (i) The standard of compensation  
      (ii) Valuation method  
      (iii) Application of valuation methods to specific expropriated assets  
      (iv) A final problem  

13. Other Treatment Standards  
13.1 Introduction  
13.2 Treatment with Respect to Performance Requirements  
13.3 Entry and Residence of Foreign Nationals and Managerial Personnel  
13.4 Compensation for Losses Due to War, Revolution, and Civil Disturbance  

14.1 The Tensions of Investment Treaties  
14.2 Treaty Exceptions 
   (a) In general  
   (b) Exceptions to protect essential security interests and the maintenance of public order 
      (i) The self-judging nature of the exception clause  
      (ii) Application of exception clauses to economic crises  
      (iii) Elements justifying the exception  
   (c) Exceptions for specified national legislation  
14.3 Treaty Modifications  
14.4 Treaty Terminations  

15. Investment Treaty Dispute Settlement  
15.1 The Significance of Investment Treaty Dispute Settlement  
15.2 The Nature of Disputes between States and Investors  
15.3 Traditional, Non-Treaty Methods of Resolving Investor–State Disputes 
   (a) Direct negotiations with host governments
