Foreword  ROBERT CHAMBERS  xiii  

1. General introduction  1  

**Part 1: The scaling-up of participatory approaches: opportunities and dangers**  

2. Introduction to Part 1  11  

3. Internalizing and diffusing the PRA approach: the case of Ethiopia  
   DERJE WORDOFA  13  
   Learning and internalizing  13  
   Diffusing the methodology and influencing others  14  
   New ways forward?  16  

4. Scaling-up PRA: lessons from Vietnam  
   BARDOLF PAUL  18  
   Background to the Forestry Cooperation Programme  18  
   A systems approach to institutionalization  20  

5. The rush to scale: lessons being learnt in Indonesia  
   NILANJANA MUKHERJEE  23  
   Country-wide participatory planning: how it happened  23  
   What we can learn from the experience  26  

6. Scaling-down as the key to scaling-up? The role of participatory municipal planning in Bolivia’s Law of Popular Participation  
   JAMES BLACKBURN and COSTANZA de TOMA  30  
   Scaling-down, Bolivian style  31  
   New roles for local institutions: the key to making the LPP work  32  
   State-sanctioned participatory planning: a contradiction in terms?  34  
   NGO–State relations and the LPP  37  
   A realignment of political forces  39
7. Participatory social assessment in an economy in transition: strengthening capacity and influencing policy in Estonia
   JOHN THOMPSON
   The context 40
   The challenge 41
   The participatory social assessment (PSA) 42
   Findings of Phase I 43
   Learning from the past, building for the future 46

8. Scaling-up of participatory approaches through institutionalization in Government Services: the case of agricultural extension in Masvingo Province, Zimbabwe
   JURGEN HAGMANN, EDWARD CHUMA and KUDAKWASHE MURWIRA 47
   Concept and approach for participatory innovation development and extension 47
   Strategy for institutionalizing the participatory approach 52
   Lessons learnt from experience 53
   Conclusions and recommendations 55

9. Scaling-up or scaling-down? The experience of institutionalizing PRA in the slum-improvement projects in India
   KAMAL KAR and SUE PHILLIPS 57
   Background 57
   Problems of scaling-up 59
   Efforts to scale down and create small examples of sustained community action 60
   Lessons learnt and conclusions 62

Part 2: Organizational change: the key to institutionalizing participation?

10. Introduction to Part 2 67

11. The participatory watershed development implementation process: some practical tips drawn from OUTREACH in South India
    JAMES MASCARENHAS 69
    Stage 1: preparation time and the creation of self-help groups 70
    Stage 2: participatory planning processes and procedures 70
    Stage 3: the implementation plan 72
    Stage 4: withdrawal from the micro-watershed 75
    Conclusion 75

    MALLIKA SAMARANAYAKE 76
National Development Foundation (NDF), partner of Self-SP
Institutional changes resulting from the wholesale adoption of participatory methodologies 1990–94
Key factors emerging from the programme’s reorientation
Constraints generally faced by NGOs when attempting to institutionalize participatory approaches

13. Participatory management or community-managed programmes? Reflections from experience in Somaliland
SAM JOSEPH
- New roles for development managers
- Rethinking project management

14. Participatory environmental management: contradiction of process, project and bureaucracy in the Himalayan Foothills
ANDREW SHEPHERD
- Recent paradigm shifts
- Participation and Indian bureaucracy
- The question of targets in participatory projects
- How to merge project activities with people’s priorities
- Lessons for paradigm shifters

15. Taking on the challenge of participatory development at GTZ: searching for innovation and reflecting on the experience gained
HEINRICH EYLERS and REINER FORSTER
- Background to GTZ’s experience
- Some lessons from GTZ-supported projects
- Reorientations and challenges for GTZ as an organization

16. Participatory Approaches in Government Bureaucracies: Facilitating Institutional Change
JOHN THOMPSON
- Recognizing the need for institutional change
- Training for transformation?
- The institutional learning and training cycle
- Charting the course from participatory rhetoric to participatory reality

Part 3: Where do we go from here?

17. Introduction to Part 3

18. Current challenges facing participatory rural appraisal
ROBERT LEURS
- Challenges facing PRA at the individual level
- Challenges facing PRA at the community level
