May 2001
# TABLE OF CONTENTS

**Executive Summary** 5

**1. Introduction** 9

**2. Background and Context** 11
   2.1. Increasing numbers 11
   2.2. The lack of success of previous approaches 12
   2.3. The changing European policy context 13
   2.4. Lessons learned from the Bosnian and Kosovar displacements 14
   2.5. Linking migration with development 14

**3. Programme Overviews** 16
   3.1 Gefaciliteerde Terugkeer Afgewezen Asielzoekers (GTAA) (The Netherlands) 16
   3.2. Le Programme de Réinsertion des Étrangers Invités à Quitter le Territoire (France) 17
   3.3. Le Programme Développement Local-Migration (PDLM) (France) 18
   3.4. Le Contrat de Réinsertion dans le Pays d’Origine (CRPO) (France) 19
   3.5. Le Programme Co-Développement Migration (PCDM) (France) 19
   3.6. Assisted Return Programmes to Sri Lanka, Turkey, Pakistan, Northern Iraq and Horn of Africa (Switzerland) 20

**4. Programme Implementation** 21
   4.1. Cooperation in countries of origin 21
   4.2. Coordination between government ministries and other agencies 22
   4.3. Including migrant communities and local NGOs 22
   4.4. Monitoring return 23
   4.5. Limiting alternatives to programme participation 23
   4.6. Towards best practice in programme implementation 23

**5. Targeting Assistance** 25
   5.1. Programme aims and objectives 25
   5.2. Target populations 26
   5.3. Target countries/regions 27
   5.4. Type and level of assistance 28
   5.5. Interaction with other return programmes 30
   5.6. Alternative strategies for targeting assistance 31
6. Evaluation Criteria

6.1. Numerical criteria
6.2. Cost-related criteria
6.3. Returnee-related criteria
6.4. Community of origin-related criteria
6.5. A framework for evaluating assisted return

7. Priority Areas for Future Research

7.1. A profile of rejected asylum seeker and illegal migrant populations
7.2. An assessment of the impact of assisted return programmes on asylum seeker and illegal migrant populations in host societies
7.3. An evaluation of methods for disseminating information about assisted return programmes within asylum seeker and illegal migrant populations
7.4. An assessment of the particular problems faced by family-members (especially women and children) during reintegration
7.5. Identification of the most effective method for assisting long-term sustainability of return
7.6. An assessment of the value for returnees of preparation time
7.7. An assessment of the economic, social and political impacts of returnees on local communities
7.8. An investigation into the extent to which return deters re-migration and migration within the local community
7.9. An examination of the dissemination of information about countries of asylum in origin countries

8. Future Policy Issues

8.1. "Joined-up government"
8.2. European harmonization
8.3. International cooperation
