ABOUT THE AUTHOR ...................................................... 254
LIST OF ILLUSTRATIONS

P-1 A rock art researcher with "tunnel vision." .............................................. 17
1.1 Map of the Central High Plains .......................................................... 20
1.2 Photograph of a typical High Plains vista ........................................... 21
1.3 Overview of Purgatoire (Picket Wire) Canyon ................................. 22
1.4 A view from the top of one of the many dikes in southeastern Colorado ... 24
1.5 Etienne Renaud at site S6PE 62 in Turkey Creek, Fort Carson, Colorado . 26
1.6 Anne Whitfield at a site in southeastern Colorado ............................... 30
1.7 A seriation of sites from the Middle Archaic through the Diversification Periods ........................................................... 37

2.1 Close-up photograph of exposed Clay Creek petroglyphs in the Dakota sandstone formation ........................................................... 47
2.2 The middle section of the Clay Creek petroglyph panel ........................ 49
2.3 A view of 5LA5598, one of the Piñon Canyon boulder sites .............. 52
2.4 Selected petroglyph boulders from the boulder sites at the Piñon Canyon Maneuver Site ................................................................. 53
2.5 Quadruped petroglyphs from the Piñon Canyon boulder sites ............ 54
2.6 A pit feature at 5LA5598, one of the Piñon Canyon boulder sites ......... 55
2.7 Petroglyphs on the exposed sandstone surface at Glorieta Mesa ......... 58
2.8 One of several excavations to expose buried petroglyphs at Glorieta Mesa ... 59
2.9 Scale drawings of petroglyphs at sites on Glorieta Mesa ................. 65
2.10 Scale drawings of petroglyphs at sites on Glorieta Mesa .................. 66
2.11 Abstract petroglyphs from the Hicklin Springs site in southeastern Colorado ................................................................. 69
2.12 Petroglyphs from 5LA9781, a site near the Bent Canyon Stage Stop, Piñon Canyon .............................................................. 70
2.13 Quadruped figure on a basalt boulder at the Hogback Archaic site, Piñon Canyon Maneuver Site ..................................................... 71
2.14 Vertical figures at the Hogback Archaic site, Piñon Canyon Maneuver Site ................................................................. 72
2.15 The recording of one of the petroglyph boulders at the Ancient Hogback site, Piñon Canyon Maneuver Site ......................... 74
2.16 A tracing of the incised figure on Boulder 1 at the Ancient Hogback site . 75
2.17 A tracing of the incised figures underlying abstract pecked images ....... 76
3.1 A few of the quadruped figures on a boulder at the Bull Pasture site .... 84
3.2 An anthropomorph at the Bull Pasture site holding a hoop toward a quadruped .................................................. 86
3.3 A portion of the rock art panel at the Zookeeper site ......................... 89
3.4 A loop-line figure that is connected to several of the quadrupeds at the Zookeeper site .................................................. 90
3.5 A view of the Point site, located on the prominent sandstone outcrop, as seen from the Zookeeper site .......................... 91
3.6 The sandstone slab-wall structures at the Point site .......................... 92
3.7 The Big Hands Hunter petroglyph ........................................... 96
3.8 One of the bubble-head quadrupeds at the Big Hands Hunter site .......... 97
3.9 Quadruped petroglyphs from the Big Hands Hunter site .................. 98
3.10 Quadruped figures and intersecting spears at the Big Hands Hunter site .......................... 99
3.11 Anthropomorph petroglyph from the Big Hands Hunter site ............. 100
3.12 Human footprints at the Big Hands Hunter site ............................ 100
3.13 Quadruped figure with a net-like head at the Big Hands Hunter site .... 102
4.1 An overview of the Red-tail Rockshelter .................................... 113
4.2 Quadrupeds with interlocking horns at the Red-tail Rockshelter ............ 114
4.3 A red-painted anthropomorph at the Red-tail Rockshelter .................. 115
4.4 A group of quadrupeds at the Red-tail site shown running to and from a net .................................................. 115
4.5 Quadrupeds caught in a net at the Red-tail site .............................. 116
4.6 Strike marks on a painted quadruped at the Red-tail site .................. 117
4.7 A deep bedrock metate at the base of a petroglyph panel at the Red-tail site .................................................. 118
4.8 A starburst design painted with yellow pigment on the ceiling of the Red-tail site .................................................. 121
4.9 The major petroform at site 5LA5555 ........................................... 123
4.10 Dancing figures at the Petroform site and similar figures from nearby site 5LA5549 .................................................. 124
4.11 The petroglyph panel at the Corral site ....................................... 127
4.12 A map showing the relationship of the features at the Corral site ........... 128
4.13 Archaeologist Mark Owens with the auger probe at the base of the Corral site panel .................................................. 130
4.14 A single boulder at site 5LA5589 ............................................... 132
4.15 A single boulder in the Purgatoire River bottom, with a hunting scene on its sides and top .................................................. 132
4.16 A bear and an unidentified companion figure at site 5LA5589 .............. 133
4.17 A very rare example of a Diversification Period hunter with a bow at site 5LA296 .................................................. 133
4.18 An anthropomorph at site 5LA5589 whose hand is connected to a spear embedded in a quadruped .............................. 134
5.1 The Game Drive site .................................................................. 145
5.2 A typical panel of pecked and painted figures at the Game Drive site ..... 146
5.3 A painted anthropomorph and quadruped at the Game Drive site .......... 147
5.4 A contour map of the Game Drive site ........................................... 149
5.5 The loop-line and net-like figures at the outlet of the Game Drive site ........ 150
5.6 Abstract pictographs above the opening of the Rock Crossing rockshelter .... 153
5.7 The pecked quadruped and a turkey-like bird at the Rock Crossing site ........ 153
5.8 A view of the Bear Dance site showing the rock wall that encloses the rockshelter ................................................................. 155
5.9 A plan-view map of the Bear Dance rockshelter site ................................ 155
5.10 A scale drawing of the Bear Dance panel ........................................ 156
5.11 The dance scene in the Bear Dance panel ........................................ 157
5.12 The deer, turkey and parfleche-like design from the Renaud rockshelter, Turkey Creek, Fort Carson, Colorado .......................... 163

6.1 The Segesser I hide painting ......................................................... 168
6.2 A contour map of the Sue Site showing the locations of the excavation units and the main petroglyph panel ................................. 169
6.3 The main petroglyph panel at the Sue site ...................................... 171
6.4 A bison petroglyph at the Sue site ............................................. 172
6.5 A field drawing of a bison at the Sue site ....................................... 172
6.6 Representative bison and deer from the Stone Structure site .................. 174
6.7 A pit structure in the Smith dike that is very similar to features at the Stone Structure site ......................................................... 177
6.8 An anthropomorph at the Smith Dike that appears to represent a lightning gans ................................................................. 177
6.9 A bison with heart line from the Dinetah compared to a similar bison from southeastern Colorado ........................................... 179
6.10 The turtle-like figure at the Stone Structure site and a sand painting of a turtle ................................................................. 179
6.11 An example of an Apache figure carrying a sinew-backed bow ................. 180
6.12 Petroglyphs representative of the Apache anthropomorphs in the region .... 181
6.13 Gan dancers from the Piñon Canyon Hogback .................................. 182
6.14 Rio Grande–style warriors in profile view carrying bows and hatchets ......... 185
6.15 A Rio Grande style figure in bas-relief that may adorn a shield .............. 186
6.16 The figure of a bison superimposed over an older Apishapa-age pecked quadruped ................................................................. 187

7.1 A stereo photograph of the Purgatoire bear taken by B. H. Gurnsey about 1889 ............................................................... 194
7.2 A large painted bear at the Red Top Ranch, Colorado ........................... 195
7.3 Oversize figures from the Hicklin Springs site in southeastern Colorado .... 196
7.4 The transformation scene at Hicklin Springs ................................... 197
7.5 Composite illustration showing the anthropomorph at Picture Canyon that may be suffering from smallpox and the Battiste Good drawings of smallpox and the Aztec pain symbol ........ 200
7.6 Anthropomorph figure at Picture Canyon surrounded by cupules .......... 201
7.7 A drawing of the two-lance figure at Picture Canyon ........................... 203
7.8 A human figure standing on the back of a horse at the Picture Canyon site .................................................. 204
7.9 A ribstone at Picture Canyon ................................................. 205
7.10 The abstract pattern in Crack Cave, southeastern Colorado .................................................. 208
7.11 Typical Biographic image of horse and rider. The figure is at the Cairn site on the Piñon Canyon Hogback .................................................. 209
7.12 Two illustrations of a set of red-painted guns at the Red Guns site .................................................. 210
7.13 A drawing of the pecked horse and rider at the Red Guns site .................................................. 211
7.14 A small incised horse with standing rider at the Red Guns site .................................................. 212
7.15 A ribstone on a detached fragment of the canyon wall at the Picnic site, southeastern Colorado .................................................. 215

8.1 Concentric circles and other branching motifs at the Philmont Scout Ranch .................................................. 224
8.2 Suspected Apache painted figures that are often confused with Purgatoire Painted images .................................................. 229

List of Tables

1.1 High Plains Cultural Sequences .................................................. 31
1.2 High Plains Seriation Categories and Motifs .................................................. 35
1.3 Changes in Quadruped Attributes through Time. .................................................. 40
