Current Approaches to the Analysis and Interpretation of Small Lithic Sites in the Northeast

Edited by
Christina B. Rieth

New York State Museum Bulletin Series 508
New York State Education Department, Albany
# TABLE OF CONTENTS

**Preface** ................................................................. ix  
Christina B. Rieth

**Chapter 1**  
*Introduction* ................................................................. 1  
Christina B. Rieth

**DEFINING AND ASSESSING THE RESEARCH POTENTIAL OF SMALL LITHIC SITES**

**Chapter 2**  
*The “Lithic Scatter” as an Artifact of Field Testing* ........................................ 11  
Robert J. Hasenstab

**Chapter 3**  
*Where There’s Smoke, There’s Fire: Criteria for Evaluation of Small Lithic Sites in the Northeast* ........................................ 37  
Timothy L. Binzen

**Chapter 4**  
*Strategies for Investigating and Interpreting Small Prehistoric Sites and Low Density Artifact Distributions: Examples from the Hudson Drainage* ........................................ 41  
Edward V. Curtin, Kerry L. Nelson, and Jessica E. Schreyer

**Chapter 5**  
*Debitage Analysis: Lithic Reduction or Lithic Production?* ........................................ 63  
Niels R. Rinehart

**SMALL LITHIC SITES AND THEIR CONTRIBUTIONS TO LOCAL AND REGIONAL SETTLEMENT SYSTEMS**

**Chapter 6**  
*The Simple and the Complex: Two Middle Archaic Small Upland Lithic Sites in North Stonington, Connecticut* ........................................ 77  
Brian D. Jones

**Chapter 7**  
*In Small Things Too Frequently Overlooked — Prehistoric Sites in the Pocono Uplands* ........................................ 89  
Philip A. Perazio

**Chapter 8**  
*The Use of Lithic Resources in a Coastal Environment: Quartz Technology on Long Island, New York* ........................................ 101  
David J. Bernstein and Michael J. Lenardi

**Chapter 9**  
*Glacial Micro Topographical Land Use Patterns in Upstate New York* ........................................ 111  
Sara A. Grills

**Chapter 10**  
*Placing Stone Tool Production in Context: Interpreting Small Lithic Sites in The Upper Susquehanna River Valley* ........................................ 121  
Brian R. Grills

**MANAGING AND EVALUATING NATIONAL REGISTER SIGNIFICANCE OF SMALL LITHIC SITES**

**Chapter 11**  
*The Management and Preservation of Lithic Scatters: Two Strategies* ........................................ 147  
Laurie W. Rush, Amy Wood, and Margaret Schulz

**Chapter 12**  
*The Evaluation of Lithic Scatters for the National Register of Historic Places: A Consideration of the Current Status in New York* ........................................ 155  
Cynthia Blakemore, Nancy Herter, and Douglas P. Mackey

**Chapter 13**  
*A Summary of Existing Data from Pennsylvania Upland Sites* ........................................ 167  
Patricia E. Miller

**Chapter 14**  
*Small Lithic Sites: Linking Significance with Context* ........................................ 175  
Nina M. Versaggi and Christopher D. Hohman

**Chapter 15**  
*The Contribution of Prehistoric Archaeological Sites in Plowzone Context to Our Understanding of Past Cultural Behavior and Their Eligibility to the National Register of Historic Places* ........................................ 187  
Kurt W. Carr

**Chapter 16**  
*Future Considerations for the Analysis and Interpretation of Small Lithic Sites in the Northeast* ........................................ 203  
Christina B. Rieth
