PORT CITIES

**Dynamic landscapes and global
networks**

EDITED BY CAROLA HEIN

CONTENTS

| | |
|--|-----------|
| <i>Contributors</i> | ix |
| <i>Acknowledgments</i> | xii |
| 1 Port cityscapes: a networked analysis of the built environment | 1 |
| CAROLA HEIN | |
| PART I | |
| Port cities: global networks and urban form | 25 |
| 2 Port cities: engines of growth in an emerging Atlantic system | 27 |
| PATRICK O'FLANAGAN | |
| 3 China-towns and container terminals: shipping networks and urban patterns in port cities in global and local perspective, 1880–1980 | 43 |
| LARS AMENDA | |
| 4 Seaport cities: phases of spatial restructuring and types and dimensions of redevelopment | 54 |
| DIRK SCHUBERT | |
| 5 Port cities and the global exchange of planning ideas | 70 |
| STEPHEN V. WARD | |
| PART II | |
| Regional dynamics of port cities: politics, people, and the built environment | 87 |
| 6 Trade, politics and city space(s) in Mediterranean ports | 89 |
| SAKIS GEKAS AND MATHIEU GRENET | |

| | | |
|-----------------|---|------------|
| 7 | Mercantile elites in the ports of Amsterdam and Rotterdam, 1850–1940 | 104 |
| | HUIBERT SCHIJF | |
| 8 | Treaty ports of China: dynamics of global and local in the West's architectural presence | 116 |
| | JOHNATHAN A. FARRIS | |
| 9 | Staring at the sea, staring at the land: waterfront modernisation in nineteenth century Ottoman cities as a site of cultural change | 138 |
| | MALTE FUHRMANN | |
| 10 | Town planning, architecture and migrations in Suez Canal port cities: exchanges and resistances | 156 |
| | CÉLINE FRÉMAUX | |
| PART III | | |
| | Dynamic landscapes: global change and local transformation | 175 |
| 11 | Hamburg's port cityscape: large-scale urban transformation and the exchange of planning ideas | 177 |
| | CAROLA HEIN | |
| 12 | How Manhattan's port shaped its streets and building locations | 198 |
| | CAROL HERSELLE KRINSKY | |
| 13 | Hong Kong's global image campaign: port city transformation from British colony to Special Administrative Region of China | 214 |
