# Table of contents

## CHAPTER 1

**Introduction**

A. Review of relevant issues and theoretical approaches 3

1. Dialogicality 3
2. Repetition 6
3. Represented discourse 8
4. Humor in conversation 11
5. Dialogic syntax theory 13

B. Participation and interaction 16

1. Participants 17
2. Data 21

C. Approaching represented discourse in joking from a dialogic syntax perspective 22

## CHAPTER 2

**Joking in ordinary conversation**

A. Joking as activity 25

B. The rationality of joking activity 30

C. Joking forms in ordinary conversation 37

D. The dynamics of joking forms in ordinary conversation 46

E. Participation framework and participant roles in ordinary conversation 55

F. Activity, joking relationship and framing 63

G. Concluding remarks 72

## CHAPTER 3

**Resonance**

A. Dialogicality and collaboration in the local domains of conversation 76

B. Engagement of the participants and engagement of their linguistic forms 77

C. Scope, forms and resources of resonance 85

1. Scope and parameters of resonance 85
2. Resonance forms and resonance resources 95

D. Concluding remarks 101
CHAPTER 4

Represented discourse

A. Represented discourse as an intertextual resource of resonance

B. Dimensions of represented discourse: Point of view, involvement and empathy
   1. Point of view and involvement
   2. Point of view and empathy

C. Other dimensions of represented discourse: Voice, stance and heteroglossia

D. Resonance involving represented discourse

E. Represented discourse as a resource of resonance

F. Represented discourse as a frame for resonance
   1. Resonance involving lexical, syntactic and semantic relationships
   2. The pervasiveness of point of view in resonant instances of represented discourse
   3. Represented discourse and participation framework
   4. Genre features and point of view in resonant instances of represented discourse

G. The interplay between stance and resonance involving represented discourse

H. Resonance involving the interaction of selves as represented discourse

I. The role of shared knowledge in resonance involving represented discourse

J. Concluding remarks

CHAPTER 5

Resonance, stance and represented discourse in joking interaction

A. Stance resources in Mexican Spanish conversation

B. Stance in joking interaction

C. Stance and represented discourse

D. The interplay between stance and resonance involving represented discourse

E. Stance and resonance
   1. Resonance and stance as related but independent phenomena
   2. Resonance, stance and appropriateness
   3. Resonance as activity
   4. Evaluation as activity. Evaluative activity as a frame for resonance

F. Concluding remarks
