Preface .....	xi
The Authors .....	xiii

<b>Chapter 1</b> The Links between Terrorism and Geography .....	1
Introduction .....	1
Brief Account of Geography of Present-Day Terrorism in Nigeria .....	2
The South .....	3
The North.....	6
Defining Terrorism .....	9
Terrorists, Insurgents, or Criminals?.....	11
Geography of the Definition .....	12
Motivations for Terrorism.....	15
Nationalist/Separatist.....	15
Cultural/Religious .....	16
Ideological.....	17
Context of Present-Day International Terrorism.....	19
Where Is Terrorism Located Today?.....	21
Geography, Theories of Space and Place, and Applications to Terrorism Research .....	23
Spaces of Terrorism .....	26
Geographic Space .....	26
Social Space .....	26
Virtual Space .....	27
Perceptual Space .....	30
Hybrid Space .....	32
Terrorist Places, Migrations, and Activities .....	33
Havens and Safe Houses .....	33
Safe Houses.....	35
Migrations .....	36
Migrations Driving Terrorism.....	38
Migrations Resulting from Terrorism .....	38
Diasporas and the Homegrown Threat .....	39

Scales of Terrorist Operations, Attacks, and Influence.....	42
Terrorist Attacks and Impacts on Near and Far Targets.....	43
Attack Patterns in Geographic Space.....	45
The Four Traditions of Geography and Their Applications to Terrorism Research.....	45
Geographic Theories of Territory and Conflict.....	47
Heartland Theory.....	47
The Evolution of the Insurgent State.....	48
ConflictSpace.....	49
Resident versus Foreign Fighter Terrorists: A Geospatial Concept.....	51
Geospatial Information and Technologies in the Context of Terrorism and Security.....	52
Geospatial Information.....	53
Global Positioning System.....	53
Remote Sensing.....	53
Geographic Information Systems (GIS).....	54
References.....	56

**Chapter 2** Terrorist Networks in Geographic-Social Hybrid Space... 63

Introduction.....	63
Hybrid Space: The Intersection of Spaces.....	69
Terrorist Networks and Their Organizational Structures....	72
Hierarchical Terrorist Network Structure.....	73
The Provisional Irish Republican Army.....	73
Hezbollah (The Party of God).....	75
Decentralized Terrorist Network Structure.....	78
Globalization and Terrorist Network Decentralization....	79
Benefits and Disadvantages of Decentralization.....	80
Euskadi Ta Askatasuna (ETA) (Basque Fatherland and Freedom).....	81
Al-Qaeda (The Base) and the Decentralized Islamist Terrorist System.....	83
Leaderless Resistance and Multiple Leaders: Models of Advanced Decentralization.....	87
The Connection between the Global Jihad and Leaderless Resistance.....	90
Homegrown Terrorism.....	91

Terrorist Networks Flows .....92

    The Flow of Ideas and Information and Principles of  
    Communication in the Information Age.....93

    Terrorists’ Use of the Internet and the World Wide Web...94

        Psychological Warfare.....95

        Transfer of Information and Data Collection..... 96

        Fundraising.....97

        Recruitment and Mobilization .....97

    Material Flows.....98

        Flows of Goods and Money.....98

        The Hawala System of Money Transfer ..... 99

        Drug Production and Trafficking..... 100

        Flows of People and Geographic Paths to  
        Radicalization..... 100

References .....103

**Chapter 3** The Geography of Terrorism, Aspirational  
Geography, and Safe Havens ..... 109

    Introduction.....109

    Geography of Aspirational Homelands ..... 110

        Kurdistan ..... 111

    Political and Geographical Borders..... 114

    The Insurgent State as a Home for Terrorists..... 117

        Naxalites in India ..... 119

    Havens for Terrorist Groups ..... 121

        Geographic Haven..... 122

            Geographical Factors..... 124

        Urban Havens..... 126

        Other Attributes of Havens.....127

            Tamil Tigers of Sri Lanka .....127

    Measures to Diminish Geographic Safe Havens.....129

    References ..... 134

**Chapter 4** Sociocultural Understanding, Geospatial  
Data/Technologies, and Opportunities for  
Countering Terrorism..... 137

    Introduction.....137

The Importance of Sociocultural Understanding (Human Geography) on Global Scale to Local Scale .....	139
Geospatial Intelligence: The Integration of Human Geography and Geospatial Technologies.....	140
The US Army Human Terrain System.....	142
Human Terrain Shift to Human Geography .....	145
Technology and War .....	145
Technologies of Geospatial Intelligence and Their Use in Terrorism and Counterterrorism .....	147
Geographic Data as Geospatial Information.....	148
Geographic Information Systems.....	149
Analyzing the Connections between Social and Geographic Space Activities.....	151
GIS-Based Spatial Analysis and Visualization of Terrorist Attacks .....	155
Viewshed Analysis: Line of Sight.....	159
Global Positioning System.....	160
Remote Sensing.....	162
Volunteered Geographic Information and Data Mining .....	167
Mobile Phones and the Ubiquity of Spatial Information and Tools .....	170
Geosensors and Geosensor Networks .....	172
Use of Geospatial Data/Information and Tools by Terrorists.....	174
Criteria for Publicly Available Geospatial Information .....	176
Final Thoughts on Geospatial Intelligence and Terrorism ...	178
References .....	181
<b>Chapter 5</b> Terrorism Risk and Vulnerability.....	185
Terrorism as a Hazard .....	185
Hazard as an Evolving Interaction of Risk and Vulnerability.....	186
Risk .....	187
Vulnerability.....	188
The BNICE Possibilities—Geographical Implications.....	189
Actions to Diminish Risk of and Vulnerability to Terrorist Attacks.....	192

Effective Planning and Response to Minimize Vulnerability .....	194
Infrastructure Vulnerability .....	195
Social Vulnerability.....	196
Mapping Vulnerabilities Using Dynamic Populations ....	197
Reduction of the Terrorist Hazard and Homeland Security .....	200
References.....	201
<b>Chapter 6</b> Influences on the Future Geography of Terrorism.....	203
Global Influences on the Location of Conflict.....	203
Global Environmental Change.....	205
Changes in Water Supply.....	206
Coastal and Estuarine Inundation.....	209
Indirect Consequences of Environmental Change.....	210
Migration .....	211
The Environmental Change–Conflict Nexus.....	212
Globalization and Terrorism .....	212
State Weakness and Vulnerability to Terrorism .....	213
Becoming Connected to the Globalizing World.....	215
Marginalized Regions and the Potential for Terror .....	216
Sub-Saharan Africa .....	217
Central and South America .....	218
The Middle East and North Africa .....	219
Southeast Asia .....	220
Eastern Europe.....	221
Globalization and Spatial Redistributions of People and Ideas .....	221
The Spread of Organizations.....	223
References.....	224
Index.....	227
