Introduction

### Section A: Concepts, Approaches and Methodology

1. Some observations on the role of geography and history in the development of a methodology for the analysis of settlements  
   Robert G. Eidt  
   7
2. Mechanism of the spatio-temporal diffusion of a clan settlement in a part of middle Ganga Valley, some comparison and correlates  
   R. L. Singh, Rana P. B. Singh and Dinesh K. Singh  
   19
3. Frontier farm settlement: A pattern-process Frame work  
   Brian P. Birch.  
   33
4. The Adaptation to droughts in a dry zone village of Sri Lanka  
   M. M. Karunanayake  
   41
5. The Dehra Dun: A Methodological study in hierarchy of growth service centres  
   Har Prasad  
   50
6. Rural Settlement in the Chandigarh Siwalik Hills: An Application of multiple collinear fission model  
   A. B. Mukerji  
   54

### Section B: Histogenesis and Morphogenesis

7. Village and Region in interior Tamil Nadu in the immediate pre-British period  
   Brian J. Murton  
   75
8. Abandonment of Farm-village tradition in new land settlement: the example of Anglo-America  
   Terry G. Jordan  
   84
9. Examining ‘Settlement’ in Stone age India  
   Vidula Jayaswal  
   89

### Section C: Type, Pattern, and Classification

10. Bedouin Settlement in Al-Qasim region, Saudi Arabia  
    Ahmed A. Shamekh  
    106
11. An analytical approach to the methodology of mapping rural settlements in India  
    S. P. Dasgupta and S. M. Mishra  
    115
12. Spatial Analysis of rural settlement pattern in Orissa  
    D. K. Singh, B. Routray and S. Jena  
    124
13. Study of rural settlements around Almora and environs  
    V. K. Asthana  
    131
14. Spatial characteristics or rural settlements and their types in a part of Middle Ganga Valley  
Kailash Nath Singh, Rana P. B. Singh and Dinesh K. Singh  

15. A study of settlement distribution indices in Rewa-Panna Plateau  
H. H. Singh, P. Nag and S. K. Singh  

Section D: Spatio-Functional Organization  
16. Arab Settlement activity in the Sharon and its margins  
David Grossman  
17. Rural Settlement structure of Mewar, Rajasthan  
C. R. Pathak and R. K. Dhabai  
18. Some trends of spatial distributional pattern of rural service centres in Eastern Gujarat  
Rana P. B. Singh and K. Mazumdar  
19. Hierarchy of rural settlements and identification of locational functional gaps in Upper Charmanvati Basin  
R. Y. Singh  

Section E: Rural Dwellings and some typical Village Studies  
20. The origin and dispersal of Shingle roof, a preliminary consideration  
John J. Winberry  
21. House types and settlement pattern in Nepal Himalaya  
Christian Kleinert  
22. Environmental aspects of folk architecture in India  
P. D. Mahadeo  
23. Spatial organization of settlement in some north Indian villages, B. B. Singh  
24. Village Sisauli, a case study in morphogenesis and the growth of the present form  
S. P. Singh  

Section F: Planning and Rationalization  
25. Human and environment heterogeneity, a neglected factor in development planning  
R. G. Cecil  
26. Rural development in an under-developed developing country of Africa Zambia  
A. S. Jauhari and P. Nag  
27. Locational Pattern of land use in the villages of Shahganj tahsil, Eastern U.P.  
Kashi N. Singh and Babban Singh  
28. A case of rural migrants in urban slums, problems of rural urban dichotomy  
K. K. Khatu  
29. Electricity as an agent of transformation in agricultural activities, a case study of village Ramgarh  
Surendra K. Singh
