HYGIENIC ASPECTS
OF THE TREATMENT
AND USE OF ORGANIC
SLUDGE AND LIQUID
AGRICULTURAL WASTES

Proceedings of a Workshop of Working-Party 3
'Hygienic Aspects Related to Treatment
and Use of Organic Sludge'
held in
Lelystad (NL), 26-28 September 1988
Edited
by
D. STRAUCH, H. OVER and P. L’HERMITE

CONCERTED ACTION
TREATMENT AND USE OF ORGANIC SLUDGE
AND LIQUID AGRICULTURAL WASTES
COST PROJECT 681
CONTENTS

PREFACE ................................................................. 7

I. NATIONAL REPORTS .................................................... 9

ON LEGISLATION CONCERNING THE UTILIZATION OF SEWAGE SLUDGE AND
LIQUID OR SOLID ANIMAL MANURES

AUSTRIA: Austrian standards for composts ....................... 11
G. WEBER

CZECHOSLOVAKIA: The problems of agricultural
utilization of sewage sludge ................................. 15
J. HOJOVEC

Agricultural exploitation of liquid manure - legislation in CSSR ........ 17
J. HOJOVEC

DENMARK: Report on Danish legislation and
research results concerning the agricultural use of sewage sludge
and animal slurries ........................................ 23
B. ILSØE

FEDERAL REPUBLIC OF GERMANY: Veterinary legislation for disinfection
of manure, slurry and urine in the Federal Republic of Germany ........... 31
D. STRAUCH

Newer strategies of dealing with environmental problems caused by
animal slurries in the Federal Republic of Germany ..................... 51
D. STRAUCH

FRANCE: The French legislation concerning
agricultural utilization of sewage sludge and animal slurries ............ 59
P. BOUTIN and R. DE LAUZANNE

Activites d'etudes et de recherches sur la valorisation des lisiers en
France depuis 1980 ........................................ 67
M. BERTRAND

HUNGARY: Regulations for land application
and utilization on agricultural land
of Wastewater and sewage sludge ............................ 72
G. TAMÁSI
Regulations for agricultural utilization of liquid manure by irrigation ............................... 79
G. TAMASI

Regulations for disinfection of wastewater and liquid manure ............ 83
G. TAMASI

ITALY:
Legislation and research concerning land utilization of sewage sludge and animal slurries in Italy .................. 85
M. DE BERTOLDI

NETHERLANDS:
Acceptance of the utilization of sewage sludge as organic fertilizer in the Netherlands ......................... 91
A.M.M. HOOGENBOOM

Legislation and research concerning the utilization of animal slurries in the Netherlands ....................... 93
H.J. OVER, A.M.M. HOOGENBOOM and C.P.H. GAASENBEEK

NORWAY:
Guidelines for storing and disposal of sewage sludge in Norway ...... 95
G. LANGELAND

Norwegian legislation concerning the utilization of animal manure/slrurries ........................................ 97
G. LANGELAND

SWEDEN:
Handling of sludge from municipal sewage works - Guidelines of the Swedish Environment Protection Board 1987 ............................. 99
S. BERGLUND

UNITED KINGDOM:
United Kingdom legislation concerning the agricultural use of sewage sludge and animal slurries ...................... 115
E.B. PIKE
II. SCIENTIFIC REPORTS AND REVIEW PAPERS

Improvement of the quality of sewage sludge - Microbiological aspects
D. STRAUCH

Sanitary criteria for sludge and compost agricultural reuse: the need for an epidemiological approach
P. BOUTIN

Detection of human pathogens in samples of animal faeces directly and after storage
A.M.M. HOOGENBOOM

The problems of using liquid manure as fertilizer in the water protection zones
J. HOJOVEC

The problems of liquid manure disinfection
J. HOJOVEC

Dung-packing as a means for successful disinfection of farm-yard manure during eradication of notifiable diseases
D. STRAUCH

Treatment of manure surpluses
J.H. VOORBURG

III. PAPERS PRESENTED BY STAFF MEMBERS OF THE INSTITUTE FOR SOIL FERTILITY IN HAREN/NL FOR THE MEMBERS OF WP 3

Sewage sludge-prospects for use - leaching of heavy metals
P.J. VAN ERP

Slurry as a fertilizer
J.J. NEETESON

Investigations into the effects of animal manure
H.G. VAN FAASSEN

ANNEX I

OFFICIAL TEXT OF GERMAN LEGISLATION ON SEWAGE SLUDGE AND ANIMAL MANURES

LIST OF PARTICIPANTS
