TABLE OF CONTENTS

Part I. Introduction

P.L. Walker, Jr.

Carbon gasification - A ubiquitous reaction of great importance to mankind

3

Part II. Structure and characterization

H. Marsh

Structure in carbons

27

K.M. Thomas

Coal structure

57

A. Marchand

Physico-chemical and structural characterization of carbons

93

A. Linares-Solano

Textural characterization of porous carbons by physical adsorption of gases

137

Part III. Catalytic gasification

J.A. Moulijn, F. Kapteijn

Catalytic gasification

181

K.J. Hüttinger, R. Minges

Alkali metal catalyzed water vapour gasification of carbon using mineral catalyst raw materials

197

K.J. Hüttinger, J. Adler, G. Hermann

Iron catalyzed water vapour gasification of carbon

213

R.T.K. Baker

Metal catalyzed gasification of graphite

231

J.L. Figueiredo, C.A. Bernardo, J.J.M. Órfão

Gasification of carbon deposited on metallic catalysts

269

Part IV. Chemical Engineering principles

- F. Kapteijn, J.A. Moulijn
Kinetics of catalysed and uncatalysed coal gasification 291

- A.E. Rodrigues
Single particle models for fluid-solid reactions 361

Part V. Coal gasification

- K.H. van Heek
General aspects and engineering principles for technical application of coal gasification 383

- K.H. van Heek
Technical status and new developments of coal gasification processes 403

- K.M. Thomas
Characterisation of coal for gasification processes 421

- K.M. Thomas
Some scientific aspects of the development of the slagging gasifier 439

- J.A. Moulijn, P.J.J. Tromp
Coal pyrolysis 455

- K.J. Hüttinger, A. Michenfelder
Hydrogasification of brown coal - Chemism, kinetics and technical aspects 485

Part VI. Coke production and removal

- H. Marsh
The making of coke in the delayed coker and in the slot coking oven 511

- D.L. Trimm
Coke formation and gasification in refineries 523

- D.L. Trimm
The regeneration of coked catalysts 543

Part VII. Activated carbons

- T. Wigmans
Fundamentals and practical implications of activated carbon production by partial gasification of carbonaceous materials 559

F. Rodríguez-Reinoso	
Preparation and characterization of activated carbons	601
List of participants	643
Subject index	645
