1st PROCEEDINGS OF THE SOCIETY AND NATIONAL SEMINAR ON SHEEP & GOAT PRODUCTION AND UTILISATION 1981

COMPILED BY:
Dr. A. K. BASUTHAKUR
HEAD OF DIVISION:
ANIMAL BREEDING AND GENETICS
C.S.W.R.I. (I.C.A.R.)

Dr. R. M. ACHARYA
DEPUTY DIRECTOR GENERAL
(ANIMAL SCIENCE)
I.C.A.R.

INDIAN SOCIETY FOR SHEEP & GOAT PRODUCTION AND UTILISATION
JAIPUR
# CONTENTS

## I. WELCOME ADDRESS

1. Dr. R.M. Acharya, Director, Central Sheep & Wool Research Institute, Avikanagar-304501. ...

## 2. INAUGURAL ADDRESS

Dr. O.P. Gautam, Director General, Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-1.

## II. KEY NOTE ADDRESS

1. Status of Sheep Production in India.
   Dr. R.M. Acharya, Director, Central Sheep & Wool Research Institute, Avikanagar-304501. ...

2. Status of Goat Production in India.
   Dr. K.L. Sahni, Officer on Special Duty, Central Institute for Research on Goats, Makhdoom, P.O. Farah, Distt. Mathura (U.P.) ...

## III. INVITED PAPERS:

### A. Genetics and Breeding:

1. Breeding Sheep for fine Wool Production.
   Dr. A.K. Basuthakur ...

2. Breeding Sheep for Carpet Wool Production.
   Dr. A.L. Chaudhary. ...

3. Genetic Basis for Improving Sheep for Mutton Production.
   Dr. C.L. Arora ...

4. Exploitation of Indigenous Goat Genetic Resources for Chevon Production...
   Dr. R.K. Mishra. ...

5. Breeding Goats for Milk Production.
   Dr. D.S. Chawla & D.S. Bhatnagar ...

---

(iii)
   Dr. V.K. Patil  
   ... 153

7. Breeding Sheep for Pelt Production.  
   Dr. A.L. Arora and Dr. R.S. Dhillon  
   ... 162

B. Nutrition

1. Nutrient Requirements of Goats  
   Dr. O.P.S. Sengar  
   ... 170

2. Research in India on Nutrient Requirements for Sheep.  
   Dr. B.C. Patnayak  
   ... 191

3. Feed Resources in the Plains and Coastal Areas for  
   Sheep and Goats.  
   Dr. A. Rekib.  
   ... 201

4. Some Aspects of Feeds and Feeding of Sheep and Goat  
   in the Hilly Areas.  
   Dr. S.S. Negi.  
   ... 208

5. Utilisation of Top Feeds for Sheep and Goats.  
   Dr. N.P. Singh  
   ... 220

C. Physiology:

1. Augmentation of Reproduction in Goats  
   Dr. N.K. Bhattacharya and K. P. Aggarwal  
   ... 233

2. Reproductive Performance of Bucks and Rams under  
   Hot Arid and Hot Humid Conditions.  
   Dr. K.L. Sahni and Dr. S.B. Tiwari  
   ... 236

3. Some Aspects of Initiation of Spermatogenesis in  
   Sheep and Goat.  
   Dr. A.K. Chwhdary.  
   ... 255

   Dr. Manohar Singh and Dr. A.K. Rai  
   ... 256

D. Health:

1. Review on a Few Important Helminthic Diseases of Sheep  
   and Goats in India.  
   Dr. P.B. Mathur  
   ... 265

2. Prophylactic Measures against Sheep and Goats Diseases  
   Dr. P.K. Uppal.  
   ... 271
Dr. V.S. Vihan

E. Technology:

1. Grading and Marketing of Indian Wool.
   Mr. A.K. Pokharna

2. Suitability of Indian Wools Carpet Making.
   Mr. H.S. Batra

3. Utilisation of Indian Wool in Knitwear.
   Mr. P.T. Banerji

4. Utilisation of Indian Wools for Apparel Products
   S.S. Kalsy

5. Considerations for Machine Shearing of Sheep and Goat
   Dr. S.K. Jain.

F. Development:

1. Constraints in Sheep Development in India and Possible Solutions.
   Dr. G.A. Pandey

2. Impact of Technology on Indian Fur Industry.
   Dr. S. Bangaruswamy.

   Dr. B.R. Choudhary

4. Education in the Field of Sheep and Goat Production in India.
   Dr. D.B. Kalra.

5. Migration of Sheep.
   Dr. D.S. Rathore

   Dr. S. Divakaran.

IV. ABSTRACTS OF RESEARCH PAPERS PRESENTED.

A. Breeding:

1. Breeding Sheep for Wool Production.
   P.N. Godkari, M.G. Narsian and A.S. Mali.
2. Conception Rates in Relation to Body Weight at Mating,  
S.G. Zanwar and G.C. Goddard  
... 366

3. Optima for Age at First Kidding, First Lactation Length and  
First Kidding Interval in Relation to Lifetime Production. 
—R. N. Singh and R. M. Acharya  
... 366

4. Effect of Season Reproduction and Production Traits in  
Sirohi Goats.  
D. Gour, D. Singh, Kamal Kishore, R.K. Misra,  
P.S. Rawat and R.M. Acharya  
... 367

5. Studies on Reproductive Performance in Sheep with the  
use of different Breeding Techniques.  
N.K. Sinha  
... 367

6. Genetic Divergence among different Pelt Grades in Karakul  
Sheep and its Crosses with Native Coarse Carpet Breeds.  
Sunil Kalra, R.M. Acharya and S.C. Chopra  
... 368

7. Pashmina Goats Breeding and Production of Pashmina at  
an Altitude of 8000 ft.  
N.K. Mazumdar and A. Mazumdar  
... 369

8. Increasing Prolificacy Lambing Percentage in Sheep.  
A.S.R. Mudliar  
... 369

9. An Appraisal on Effects of Genotypic Levels on Fleece  
Quality Characteristics.  
Gurmej Singh, B.S. Mehta, D.C. Gupta and  
R.M. Acharya  
... 370

10. The Production Performance of Desi Goats under  
Village Conditions:  
... 370

11. Effect of Birth Coat Types on Lamb Survival during First  
Week of Life.  
... J.M. Mahajan  
... 371

12. Milk Production Ability of Pattanwadi and Pattanwadi ×  
Merino Halfbred Ewes and Preweaning Growth Response.  
J.M. Patel and A.D. Dave  
... 372

... 373

(vi)
14. Carcass Traits of Coimbatore and Improvement Attained through Crossbreeding with Corriedale. V.K. Singh and P.S.K. Bhagwan

15. Inheritance of Height at Elbow and Height at Stifle and their Relationship with Body Weight in a Flock of Ganjam Goats... P. K. Mishra, B. N. Patro and S. N. Pant.

17. Fleece Colouration and Mortality in the Corriedale Crosses under Field Conditions .... Sarvanand Sharma.

B. Nutrition

2. Studies on Improving Nutritive Value of Sugarcane Tops with Urea (1.5%) or Dried Poultry Waste (30 or 40 % on DMB) by Ensilling Techniques and Development of Complete Rations for Growing Nellore Lambs. R. Ramachandra Reddy and D. Anjaneya Prasad.

11. A Double Indicator Method of Determining Dry Matter Intake and Digestibility of Nutrients in Grazing Sheep. N. Krishna, D.S. Bhandari and B.C. Patnayak

12. Comparative Intake and Digestibility of Nutrients in Non-Pregnant and Pregnant Ewes Grazing on Natural Range Land of Arid Region. S.S. Thakur and B.C. Patnayak

14. Comparative Intake and Digestibility of Nutrients in Non-Pregnant and Pregnant Ewes Grazing on Natural Rangeland of Arid Region. S.S. Thakur and B.C. Patnayak

17. Nutrient Requirements of Beetal Goats for Growth and Milk Production. M.C. Garg and H.P. Narang
N.M. Pandya and A.D. Dave.

19. Protein Supplements in the Growth Ration of Patanwadi Sheep.
G.P. Bhagoji and A.D. Dave

20. Effect of Protein Supplements on Haemoglobin and Serum Total Proteins of Growing Patanwadi Sheep.
G.P. Bhagoji and A.D. Dave

Nawab Singh and V.D. Mudgal

22. Feed Lot Performance of Malpura and Sonadi Breed of Sheep.
A.E. Nivsarkar and R.M. Acharya

23. Leaves of Inga Dulcis as Fodder for Goats.
H. Kundu, N.C. Panda and B.K. Sahu

K. Sharma

C. Animal Health

1. Homoeopathy in Sheep and Goat.
M.R. Pachegaonkar

2. Therapeutics of Listerleosis in Sheep and Goat.
M.R. Pachegaonkar and W.S. Despande

D.S. Chawla and D.S. Bhatnagar

4. Post Vaccination Observations in Sheep with Ice Land Johne's Disease Vaccine.
P.K. Uppal and Kamal Kishore

5. Clinical Studies on Experimental Rumen Acidosis in Goats.
P.K. Tanwar, P.D. Mathur and Ajay Kumar
   Ajay Kumar, S.N. Sharma and R.K. Tanwar

7. Incidence of Enterotoxaemia due to Different Types of Cl. Perfringens in Sheep & Goats.
   P.C. Harbola & P.K. Uppal

8. Studies on an Outbreak of Sheep-Pox in South Eastern Part of Rajasthan.
   S.C. Dubey, M.M. Sharma and S.C. Sharma

D. Physiology:

1. Variation in Milk Composition of Beetal, Exotic and their Crossbreds.
   D.S. Chawla and N.K. Verma

2. Water use Efficiency in Indian Desert Goats.
   M.S. Khan and P.C. Ghosh

   G.S. Rai and M.D. Pandey

4. Superovulation and Embryo Recovery Trials.
   S.G. Zanwar

5. Oestrus Synchronisation with "Estrumate" (Synthetic Prostaglandin)
   S.G. Zanwar and S.K. Aggarwal

   S.G. Zanwar and S.M. Totey

7. Artificial Insemination with Reference to Conception Rates in Sheep.
   S.G. Zanwar and S.K. Aggarwal

   U.D. Gupta and R.M. Acharya

   P.K. Uppal, Kamal Kishore, L.M. Beniwal, V.S.S. Prasad, R. Benerjee and Ravindra Kumar
10. Infertility in Sheep and Goats. N.C. Sharma

11. A Comparison of Ram Semen Collected by Artificial Vagina and by Electro-Ejaculation. N.K. Sinha

13. Ovulation Sequence and Ovarian change of Graafian Follicles during 48 hours after onset of Oestrus in Marwari Ewes. S.P. Prasad

15. Effect of different Levels of Protein on the Reproductive Performance of Indigenous and Halfbred (Rambouillet × Malpura) Rams under Tropical Conditions. S.B. Tiwari and K.L. Sahni

E. Technology and Development

1. Sheep and Goat Products-Prospects and Problems in their Utilisation. S. Divakaran

2. Indian Sheep and Goat Skins-trends and Technology for Sophisticated Leather. I.M.S. Patel

3. Physical Parameters of Wool and their Relation to the end use in Textiles. M.G. Narsian

5. Dependence of Stress-Strain and load-Elongation Curve Parameters on Diameter of Wool. S. Parthsarathy and D.L. Bapna
6. Indian and Newzealand Wools Blend Trials.  
R.K. Arora and S.S. Kalsy

V. RECOMMENDATIONS:

A. Breeding  
B. Nutrition  
C. Physiology  
D. Health  
E. Technology  
F. Development

VI. LIST OF PARTICIPANTS:

VII. FORMATION OF THE INDIAN SOCIETY OF SHEEP & GOAT PRODUCTION AND UTILISATION:
