Papers presented at the
Eleventh Midland Macromolecular
Meeting held
August 17–21, 1981
in Midland, Michigan

TRANSITION METAL
CATALYZED POLYMERIZATIONS
ALKENES AND DIENES
Part A

Edited by
Roderic P. Quirk
Michigan Molecular Institute
in cooperation with
Henry L. Hsieh
Phillips Petroleum Company
G. Bruce Klingensmith
Shell Development Company
and
Peter J. T. Tait
University of Manchester
Institute of Science and Technology

Published for MMI Press by
harwood academic publishers
chur    london    new york
